New Yorkers Back the Sailor to Beat Munroe Tonight.

NEW YORK, Feb. 26.—Tom Sharkey is a strong favorite over Jack Monroe in their six-round battle at Philadelphia Saturday night. Although there has been little betting, the sailor is a 2 to choice, according to the best sporting authorities. There is plenty of Sharkey money along the Broadway sporting resorts. John Considine is willing to back the sailor for any part of \$2,500 at 2 to 1. Considine believes that these are the regular reasonable betting odds. Other prominent sporting men are willing to lay the same odds

in an effort to get their money down. Munroe will have it on Sharkey in have about sixteen pounds in his favor, and this will be quite an advantage.
Weight always counts in a fight, and
when two sluggers such as Sharkey and Munroe come together every pound will tell its tale. The fighters got on the scales yesterday at their respective quarters, Sharkey tipped the beam at 182, Munroe at 198. The sailor expects to take off a couple more pounds before the hour of battle, and Munroe will

Stagg Loses Crack Runner.

CHICAGO, Feb. 26 .- On the charge of "cheating in class work," Fred Hall, the crack distance runner of the University of Chicago, has been suspended for the quarter and debarred from all athletic contests for the rest of the year. The accusation against Hall is that he copied a geological map from the work of another student.

Hall's defense is that the work was assigned to be done outside of class room hours and that he did not know it was not permitted for two students to work together.

The suspension will throw him out of the remaining indoor meets, the spring outdoor dual meets, the trip East to the Pennsylvania games, the conference meet, and the Olympian contests.

MILWAUKEE, Wis., Feb. 26. - No trouble will be experienced by Milwaukee bowlers in raising sufficient funds with which to run the national tournament here next year. The subscription fund has grown rapidly, many bowlers having taken \$100 worth of stock in the company which is to be formed.

The bowlers who have charge of the preliminary arrangements have decided to sell fifty shares of stock at \$100 each, and as soon as all the stock is taken a meeting will be called, when a permanent organization will be per-

The husky miner will than all the other bowlers combined towards landing the convention and the general impression among the local ten pin knights is that they should be given the leading offices in the tournament

Charles Moll, candidate for the presidency, is surely entitled to the place. He sacrificed himself at Cleveland by resigning in favor of Mayor Rose, when he had the presidency of the A. B. C. at his command. Will Terry, who has been prominently mentioned for treasurer is a capable business man and should prove a good financial man for the organization. John Koerner has withdrawn as a candidate for vice president, but it is understood that he is to be chairman of the committee on arrangements. Abe Langtry, Sam Kind and C. Van Ness are the candidates for secretaryship, but as Langtry has had more experience than the oth-er two in conducting tourneys he will most likely get the place.

DUNBAR HOLDS ON TO MERRIAM MEDAL Notre Dame Has Two Games

McLaren's Rink Loses to Flour City Curlers on Last

Stone,

Play for the Merriam medal, which carries with it the state curling championship, started on the Nushka rink, Selby avenue and Mackubin street, last night, and as expected, the Dunbar-McLaren game was the feature of the evening. Dunbar's rink won the game after one of the keenest struggles of the season, the St. Paul man landing the game for the Minneapolis Flour City rink-9 to 8-with his last stone.

Sixteen rinks drew in the contest for the Merriam medal. This medal, offered by W. R. Merriam when he was governor, is to be played for each year. It is now held by the Dunbar rink and has been in the possession of the famous skip for two years. The going out of the ice last year left the C. M. Griggs rink and the Dunbar rink in the finals

In the other games Wang's rink defeated Ordway, 16 to 11; Dr. Kelley's rink won from Miller, 17 to 7, and C. M. Griggs beat McLeod, 16 to 6.

The Dunbar-McLaren game drew the big gallery of the evening and interest in the play held until the last stone of the last end was laid. The Dunbar men got off bad at the start, and the holder of the medal looked put out of the race in the first play, but the rink refused to become discouraged and gradually pulled up and by the McLaren

On the last end Dunbar's rink had two rocks laid in, but MacLaren put them out of the way with a clever shot and then sent his other stone in for what looked like a sure victory. Dun-bar was compelled to draw his last shot, but luck was with the star skip, and with the black ribbon fluttering the stone slipped in and scored the point that won the match.

that won the match.

Minneapolis will without doubt secure the tournament as the bowlers of the state feel that the honor should be divided by the two cities, but the Mill City must present a satisfactory proposal. Sealed proposals from St. Paul and Minneapolis alley owners will be opened at the meeting Sunday afternoon, which will be held in the Windsor hotel, and the tournament will be awarded to the alleys making the best offer. The Imperial and Co-operative alleys, of Minneapolis, are in the race for the tournament, but several good offers have been made by St. Paul alley owners.

If the state association can interest Iowa and Wisconsin an attempt will be made to hold a tri-state tournament the day following the closing day of the state tournament. the day following the closing day of the state tournament. The state association has already suggested this plan to the bowlers of Iowa and Wisconsin and if favorable replies are received the tournament will be aranged.
