Ward defeated William J. Clothier, of Philadelphia, in a well fought four set match, principally through better headwork at critical times. Three of the four sets in the Ward-Clothier match necessitated extra games, and the first one went to 14-12 before Ward won.

After Ward had established a comfortable lead in the first set he became careless, with the result that Clothier crept up and tied the score. Before the set was finished both men became very treed. Clothier took the second set without effort.

The Wright-Seaver match was started so late that the last two sets were played in the twilight. Wright was steadler at critical points. Summary:

Absence of Chicago Players Prevents Opening of Northwestern Tournament

The absence of the Chicago players at Deephaven yesterday permitted of but one round of the Northwestern courts of the Minnetonka club, Niles Werner defeating Malcolm Jones in two straight sets by a score of 6-0 and

Werner was in the best of form and displayed the same cool and self-pos-sessed style which characterized his play in the tourney last year. He reached the semi-finals last year, and judging from the form he showed yesterday his admirers confidently look for an even better showing this time, and are in hopes that he will land the Northwestern title. He will probably meet R. G. Hunt in the second round, as that player should have but little difficulty in defeating W. F. Graves Jr. in the first round. Hunt is both Jr. in the first round. Hunt is both the champion of California and of the University of Michigan, and will be the biggest stumbling block in Werner's way in the fight for first honors. All of the Chicago players remained in that city to witness the final match between Kreigh Collins and R. D. Little for the Western championship but tle for the Western championship, but

they are expected to arrive in the city this morning. they are expected to arrive in the city this morning.

J. I. B. Larned. of Lake Forest, Ill., a cousin of the Eastern expert, practiced on the courts yesterday with Ward C. Burton and played in excellent form. He was sick at the time of the tournament last year, and enthusiasts look for a much better showing from film on this occasion.

Louis Northrop, former champion of the University of Minnesota, has been at Williams college the past year, and while there not only won the championship for that school but defeated the champions of all the Eastern colleges with whom his school team came in contact. He is in great form, and is expected to make a desperate fight for the premiership in the Northwestern series for 1904.

The drawing for the doubles will not take place until tomorrow morning.

Pneumonia, complicated with weakness of the heart, was the cause of death. He was fifty-three years old.

Mr. Pattison was a candidate for governor on the Democratic ticket against Gov. Pennypacker in 1902 and had not been a well man since his laborious campaign in that year, when his tour of seven weeks covered near-

Last Friday pneumonia developed, and heart complications aggravated Mr. Pattison's illness. Yesterday his condition was encouraging, but late last night he collapsed. Saline injections were resorted to, but the patient sank rapidly and died shortly after 6 o'clock.

WINS THE SARATOGA

Belmont's Colt Wins First Big Race for Millionaire Owner **Before Society Crowd**

SARATOGA, N. Y., Aug. 1.—August Belmont's Hastings colt, Lord of the Vale, came home winner in the Saratoga handi-cap here today, and as he flashed under the wire 12,000 people cheered themselves

the nandicap was the feature event at the opening day of the race season of 1904 at the Saratoga track. The weather was warm, but thousands went to the famous course to witness an unusually fine card of

events.

The handicap is the first big race Mr.
Belmont has won this season, and the big
throng of society and club house folk
showed their appreciation accordingly.

Equals Track Record

The mile and a quarter, the distance of the handicap, was covered by Lord of the Vale in 2:05, which equals the track rec-ord for this distance and beats Water Boy's time made last year in the same event by three-fifths of a second.

event by three-fifths of a second.

Mr. Belmont's four-year-old went to the front at the start and showed the pace to the finish. A length and a half separated the Hastings colt from E. R. Bradley's Bad News at the finish. Hermis and Water Boy had been withdrawn.

The Picket ruled favorite in the betting, having 9 to 5 chalked up against him when the field went to the post, but was beaten out of third money by Caughnawaga by a neck.

James R. Keene's Sysonby won the Flash stakes, worth \$5,000 to the winner, in hollow fashion. Augur ran second, six lengths behind his stable mate. He in turn was half a length in front of Giorifier, who was queted at 11 to 5 at post time. Sysonby and Augur were coupled in the betting to win and were odds on favorites, while 3 to 1 was quoted against Augur for the place. Trapper was outclassed.

Jumpers Go Down

At one time in the steeplechase the Ballston cup, Bonfire was the only horse on his feet with a rider on his back, except Thorn Hedge, who could not be induced to take the jumps. Donohue, on Coligny, was thrown in clearing the water jump the first time round. He remounted, however, when his mount had been caught, and finished. Jiminez, an added starter, fell in taking the Liverpool, and was so badly injured that it was found necessary to destroy him. His rider, Connelly, suffered a broken shoulder. Summaries:
