News from Ireland

ANTHURIUM

Mr. G. W. Mackle, who has been engaged in the cultivation of Anthuriums, has lately returned from a visit to the United States. He is now campaigning among the flower growers of this country in an effort to promote the cultivation of the Anthurium, which is a native of Brazil and is one of the most beautiful flowering plants known. The Anthurium is a perennial and requires a temperature of 70 degrees Fahrenheit and a relative humidity of 60% to thrive.
