Be happy while you can. Buy a new **Maxwell Automobile**, and get some pleasure out of life, or a new **Hercules Buggy**, the "good kind." We have a nice line to pick from. Our stock of **Swift's Fertilizer** for corn is complete. We are ready to load you at your bidding. The Plymouth Cordage Co. has accepted an order from us for a carload of the **Genuine Plymouth Twine** that we are selling and guarantee prices no higher than last year. At present all binder twine manufacturers have taken their twine off the market and will not make any price or take orders until they can ship the sisal from Yucatan. At present the ports are closed on account of the Mexican Insurrection. We bought our car before the ports were closed and our prices are for this car only.

Come see your humble servants,
