Special
Demonstration
and Sale
GREAT
MAJESTIC
RANGES

"The Range with a Reputation."

One week commencing
Monday, Oct. 2

Keep this date in mind and bring your neighbor along

During this week we will have a special demonstrator from the Majestic Factory to explain how the Majestic is made, and why it is absolutely the best range; why it lasts longer and cuts down repair expenses; why it bakes bread evenly, top, sides and bottom without turning; why it uses so little fuel and saves food waste. He will explain its labor saving construction and why it heats an abundance of hot water good and hot—a mighty convenient and useful thing to have a big supply of hot water on hand, isn't it?

DECIDE NOW that you will stop using that old worn-out range. You will save money in fuel, repairs and cooking. Buy a Majestic—the range with 25 years' reputation.
