## THE MONTGOMERY TRIBUNE.

4 VOL IX.
MONTGOMERY CITY, MISSOURI, FKIDAY, JULY 26, 1 BO1.

| Secretary long han approved the report of the Toval Examining Board-the first of its kind for many years-that Lieutenant Arman Hartrath is morally disqualified for promotion from the Engineer Corps to the line, and recommeaded to the President that Hartrath be dropped from the Naval list with a year'n pay an provided by law. Hartrath was appointed to the Naval Academy from Michigan, in 1884, and since Aprit, 1901 has been attached to the recelving ship Independence, stationed at Mars Island Navy Yard. <br> CoL. Diek Plunkett, who lives in Oklahoma, kaid just befone leavitg Warhington, in order to be prese eut at the distribution of the lands in that territory, to be opened to settlement. August 6th: it am glad to nee that Ex-Giovernor Richards of Wyoming. Aswistant Commitafoner of the General Land |

| even when their treatment of eatthe is absolutely eruel. It is the public which suffers, and it is the which will therefore have to take the matter in hand. There is a great dificrence in the kystems of various railroads and dealers in their treatment of eattle and sheep. and some are much more humane than others. But it is hot no very tona slace sheep were packed llike sardines in close cars, without a dirop of water during long journeys, in the hottent of weather: and cattle were subjected to the same treatment. <br> Such conditions breed fith and disease; and diseased meat is not nafe for anybody to enat. It will prohably never be ponsible to ase certain the number of deaths which have resulted from the eating of impure meat, and for every death from this enuee there aro many victims of divease, Sometimes the ailment is obscure and insiduous, but it is nevertheleor there. Sometime ago there was a seare afout trichinae which resulted in many people becoming Jewe or Mohammedans where pork wan concerned, but much of the beef which comes from cattletrains where the animaln are packed together in IIth, discomfort and thirst is not a bit more it for human consumption than measley pork. In these days no man eas tell where his butcher gets the meat which in confilingIy bought and eaten by his customers. It many be good or it may not. It is time that the treatment of eattle on trains of traneportation and in sheds, daring the time before they are killed, should be | Clgan Men Find an Outlet for Their Stot Machlnes. <br> It is a long lane that has no turning and Kansas City clgar store men have obtained a modicum or relief for the loan of thrir penny alot machined. Agents are buying them by the ton for shipmont fo Otiahoma, and, although the speclal correspondenta do not meation it , thore must be earougt slot machines around EL Reno and Fort Sill th feeep the coppers red Fot. <br> "WY' have mold all sure," maid Seymore Rice, whith a smile on his faee that mstended well towarils the baek of hir neek. <br> "That Oklatomajand boom in a great thing lice, surely the presIdent did not know he was helping the Kannan Cily tigar men out of a total lons when he isoued that proclamation.? <br> "How doos the proclamation helj口 the etgar menz" <br> "Wer paid from 812.80 to 82 , for slot machiners," said Scymore, "and the new state law ordered them sont to the jone pile. The grafter* in Oklahomia saw a good thing in the thousamin soling their to graft and ment up here. Whey have bought all the viaible supply. It worked like a charm." <br> Incfidently the opiration of the siot machine law has been hard on elger ntands. A great number of the smaller ones. partieular. ly in the resident district, have been obliged to clone up, ayd somes changes in the drug teride have been attributed to the lown of |
