NEEDFUL KNOWLEDGE
Montgomery City People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal. You can use no better remedy than Doan's Kidney Pills. Here's Montgomery City's proof: James McMahon, Montgomery City, Mo., says: "I consider Doan's Kidney Pills an excellent remedy for all kidney disorders. About a year ago I suffered greatly from a lameness across the small of my back, which prevented me from sleeping well. I knew that the trouble arose from weak kidneys, as I had difficulty with the kidney secretions. Doan's Kidney Pills, procured at Crump & Kidwell's Drug Store, promptly relieved me and I am now enjoying good health. In return for the benefit this remedy has brought me, I gladly recommend it." For Sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Married at Bluffton.
Rev. R. E. McQuie left Tuesday for Bluffton, this county, where on Wednesday, at ten o'clock he united in marriage Mr. Marvin Bratten and Miss Mary Miller, two prominent young people of that community. From there he went to Portland, Callaway Co., where on Thursday morning at ten o'clock he united in marriage Mr. R. O. Dismuke of this Co. and Mrs. Laura Blackburn of Callaway Co.

Shackelford Endorsed.
Below will be found a number of letters of endorsement of City Marshal Shackelford, who is a candidate for re-election, by men who should be capable of recognizing a good officer when they see him. Mr. Shackelford record is a creditable one and he hopes to have the support of the voters at the polls election day.

Moberly, Mo. Feb 21, 1910. This is to certify that I have personally known J. A. Shackelford for a number of years and know him to be a gentleman in every respect as to his qualifications as an officer. Will say that he is considerably above the average, I have had quite a good deal of business with him in the last few years and have always found him equal to the emergency in any and all cases. JOHN T. HOGG, Chief of Police Moberly, Mo.

Warrenton, Mo. 1900, To whom it may Concern.—This is to certify that I have known J. A. Shackelford for a number of years, and know him to be an honest, upright honorable citizen, and I cheerfully recommend him to the people of Montgomery City as a man fully well qualified to fill the office as a peace officer. I think the people will be very lucky to be able to get such a good and fearless police officer. JOS. W. DYER, Sheriff of Warren County.

St. Charles Missouri, 1910—To whom it may Concern—This is to certify that I am well acquainted with Mr. J. A. Shackelford, Marshal of Montgomery City, Missouri, I have known for a number of years and know him to be a good, conscientious and capable police officer and take pleasure in recommending him as such to the voters of Montgomery City, Missouri.

The Recital.
The entertainment given by Miss Helen Zenor and Miss Nona Lee Dover at the court house last Friday night was not greeted by a very large audience, but it was first class and highly enjoyed by those present. The solos and readings were beautiful and were well rendered. The sum realized for the Baptist parsonage must necessarily have been small. The Tribune trusts Montgomery will have other such entertainments at intervals for they are or should be appreciated by our best people.

Mrs. Creasey Wins Decision.
Circuit Judge Barnett refused Monday to appoint a commissioner to take deposition in the case of Mrs. Carrie Creasey against her husband, Mason Creasey, a wealthy merchant of Mexico Mo. The couple, who were married about two years ago have become estranged and sometime ago Mr. Creasey fled suit for divorce but withdrew it. Now his wife, who was Miss Carrie Unstead but later the wife of Ben Middleton, a prominent horseman, of Audrain County, has brought suit for maintenance alleged that her husband is worth about \$30,000.
Mr. Creasey, through his attorneys asked that a commissioner be appointed to take the deposition instead of a notary and the lawyers for both sides of the case were here Monday and argued the question which resulted in a decision in favor of the wife.

"I contracted a stubborn cold," he writes, "that developed a cough, that stuck to me in spite of all remedies for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds."
