Electrical storm, burns 4 barns and 10 horses burned.

The electrical storm of last Thursday night was the worst in the memory of the oldest people. The heavens ablaze with continual flashes of lightning, constant thundering and roaring and heavy rain and very little wind. The writer has been informed by a gentleman who has traveled that the storm was like tropical storms of the West Indies. Ed Bohon's barn burnt near Nelsonville. C. M. Cearfoss barn burnt near Warren. Ed Peper barn burnt near Andrew Chapel. Mr. Peper was asleep and did not know his barn was burning until aroused by one of his neighbors, Ike Longacre. Everything burnt hay, grain, wagon, buggy, only saved one halter, but was fortunate in having good insurance.

News received that a barn and 10 head of horses burned up in the Alison neighborhood north of Heather. Burned one hay stack for Mr. Dowling, 1 hay stack for Bird Hawkins. Lightning also struck Mrs. Zigers ice house but did no damage.
