UP-STAIRS BARGAIN DEPART- MENT.

This department for the past few
weeks has been the busiest part of our
store. The people who want their
money to go farthest appreciate our
efforts to supply them with merchandise

old price of 30 cents; 7-foot shades at

During these times of high prices
we advise you to supply at least part

To Citizens of Holt County Who De-
sire a Campaign For a Road
Bond Issue.

As Good Road Executive of the Holt
County Farm Bureau, and as chair-
man of a Road Convention gath-
ered in Forest City, April 29th, 1919,
for the purpose of organizing a cam-
paign to issue bonds for a system of
permanent roads, it becomes my duty
to arrange for a series of mass meet-
ings in Holt county, all to be held at
the same hour on the same day.
Therefore, I hereby name:
2:00 P. M., MONDAY, MAY 26th,
as the time; and list the temporary
chairmen, and places for these town-
ship meetings, below.

Benton township, Wm. Weightman
chairman, at Mound City.
Bigelow township, Guy Jones chair-
man, at Bigelow.
Clay township, Chas. T. Graves
chairman, at Maitland.
Forbes township, Harry Milne,
chairman, at Forbes.
Forest township, Philip Schlott-
bauer, at Forest City.
Hickory township, George Lentz,
chairman, at New Point.
Lewis township, Chas. Cowan chair-
man, at Oregon.
Liberty township, A. Goodpasture
chairman, Consolidated School No. 1,
Lincoln township, at Corning. The
chairman yet to be appointed.
Minton township, George Minton
chairman, at Fortescue.
Union township, H. B. Lawrence
chairman, at Craig.

MASS MEETINGS.

It shall be the duty of each tempo-
rary chairman to call his township
meeting to order and state its pur-
pose. The meeting should elect as
permanent chairman a person who ad-
vocates a campaign for hard-surfaced
roads in Holt county; a secretary;
and such other officers and commit-
tees as the meeting may decide upon.
The permanent chairman will repre-
sent the people of his township on the
campaign committee, and therefore
should be selected with that fact in
mind; the secretary will promptly re-
port names of officers to the under-
signed, Box No. 10, R. F. D. No. 1,
Maitland, Mo.

PERMANENT CHAIRMAN.

In order to qualify as a candidate
for the office of permanent township
chairman, and ex-officio county cam-
paign committee member—the individual
should favor a campaign in the near
future for a road bond issue. When
elected he shall meet the other town-
ship chairmen in Bigelow, Thursday,
May 29th, 1919, at 10:00 a. m., and
assist in organizing the Holt County
Hard Road Campaign Committee.

CAMPAIGN COMMITTEE.

It shall be the business of the County
Campaign Committee:
1st.—To organize by electing a
chairman, a secretary, and a treas-
urer. These officers may be selected
in addition to the members already
named, and in that event, will repre-
sent the county at large in the delib-
erations and acts of the campaign
committee.

2nd.—The committee shall proceed
as rapidly as possible to lay out and
map such a system of roads as will
best serve the people of Holt County.
3d.—The committee shall immedi-
ately report its findings to the State
Highway Commissioners in Jeffers-
on City; and endeavor to reach an
agreement through which Holt Coun-
ty's allotted share of State and Fed-
eral Aid for this year may be secured;
and to the end that work may be
started at once on the designated
highways.

Respectfully, D. WARD KING,
May 14th, 1919. Maitland, Mo.

—Congratulations go out to Brother
Richardson, of the Maitland Herald on
his installing a typesetting machine,
and instead of the stick and rule, he
will grind out his news by fingering
a key board. Great, isn't it?

—Ed M. Harris, of Lincoln, Kansas,
one of the early settlers of that part
of the estate, was here last week, on a
brief visit with his cousin, Frank Pe-
tree.

PERSONAL AND OTHERWISE.

—Monday evening, the Young
People's Alliance of Nickell's Grove,
had a party at the home of Mr. and

boys felt very much at home again in
our midst and were glad to see such
a crowd to welcome them.

—Judge Geo. Meyer, of Craig, was
here Tuesday, having business in the
probate court.

—Dr. B. G. Pierce and George Luk-
ens attended the Shriners' convoca-

congratulates you, Gertrude.

—Lester Pettijohn was in St. Jo-
seph, Monday, on a strictly business
trip.

—You find gentle reminders of the
fact that Time's wheel never stops.
Think of this moment. Cards reach-
ing us telling that Louise, daughter of Mr.
and Mrs. Henry Eigenbaum, is a
graduate this year from the Spring-
field, Neb., high school, and this old
paper cordially congratulates her as
well as her parents. Her mother was
formerly Nellie Montgomery, niece of
Mr. and Mrs. Robert Montgomery, and
graduated from our high school, class
of 1904.

—Hoone Fancher, who was recently
operated upon in a St. Joseph hospi-
tal, is reported to be doing nicely, and
is now convalescing. We all hope for
a complete recovery.

—T. C. Fuller, who recently sold
his farm in the Linsey district, with
his family, took their departure Tues-
day for Los Angeles, California, in
the hope that the change may prove
beneficial to Mrs. Fuller's health. It
is with regret that we have to give
up such truly good people.

—Corn planting began in earnest,
Monday of this week, May 12.

—The Sixth Division, in which is a
good squad of Holt county boys, is
expected to begin embarkation at
Brest, France, tomorrow, Saturday,
May 17th.

—Carl Huntman's many friends in
this section send greetings on his mar-
riage to Miss Ora, daughter of Mr.
and Mrs. G. P. Munkres, in St. Joseph,
May 8, 1919. We know the happy
groom, and know him to be a splendid
young man, and from what we learn
of the bride, we think he has chosen
wisely. Our sincere congratulations.

—Tom Reynolds, John Steward and
son, Jesse Hicks, Geo. Patterson, Will
Patterson, C. J. Koock and Loren Pen-
der are all prospecting at Cheyenne
Wells, Colorado. Andy Barrier, Roy
Kunkel and Lee Greene were out there
last week, but they have returned.

—A very unique and handsomely en-
graved commencement card comes to
friends here from Ruth, daughter of
Mr. and Mrs. Frank Allen, who recent-
ly went South, locating at Pharr,
Texas, from which school she gradu-
ated this year, being a Senior of the
Oregon high school at the time of her
going South.

—Katherine King has returned to
her duties at the Alton, Ill., Woman's
Industrial Center, after a week's visit
with the old folks at home, and her
many, many friends.

—Judge H. T. Alkire was in St. Jo-
seph, Saturday last, on legal business.
—Mrs. Zetta Tapkin, of St. Joseph,
accompanied by her sister, Mrs. Anna
Lible, of Fort Wayne, Indiana, were
here a few days the past week, guests
of Mrs. T's son, Fred Philbrick and
family, and other relatives and friends.

—Miss Nettie Buetzer, the assistant
to County Collector Alkire, is enjoy-
ing her vacation visiting her brothers,
Frank and Jesse, and other relatives
in Northern Holt.

—Uncle John Callow, of the Lincoln
district, now 82 years old, was here
Saturday of last week, and we were
sure glad to see him, but regret that
he has nearly lost his sight, and it was
difficult for him to get around.

—Mrs. India Price has returned
from Kansas City, where she has been
enjoying a delightful visit with her
daughter, Mrs. Alice Caskey, and her
two dear little girls. Nothing like the
coming of Grandma.

—Rowena Pierce, who has been at-
tending the University, is home to
enjoy the commencement of the high
school from which she graduated in
the class of 1917, and to spend the
summer with her parents, Dr. and
Mrs. B. G. Pierce.

—Smith Meadows and wife, of Mait-
land, spent Sunday with their daugh-
ter, Mr. and Mrs. George Gelvin, and
that bouncing grandson. That boy
kept grand-daddy busy.

—Lester Pettijohn was up against
a full-house, Sunday of this week. His
father and mother drove over from
Rosendale and along with them came
Will Robinson and family, of Fill-
more, and his partner, Will Crawford
and family, of Mound City, also came
in on him, and Lester had to hustle
for the commissaries.

—Fortescue was in a blaze of glory
on Tuesday of this week, May 13.
They extended a formal community
welcome to her returning soldiers, by
having a great reception and ball,
speaking and feasting. Owing to lack
of time we will not be able to tell you
all about it until our next issue.

FARM BUREAU NOTES.

By W. C. Swanner, County Agent.

MRS. NELSON NOLAND'S HENS SCORE HIGHEST.

Holt County makes the highest in-
dividual record in Missouri Farm
Flock Egg Laying Contest for March,
21 eggs per hen.

Mrs. Nelson Noland, near Oregon,
has the distinction of having the flock
that made this record. Her flock of
80 Brown Leghorns averaged 21 eggs
per hen. There were 97 flocks in the
contest. The next highest averaged
was made by a flock of 75 White
Wyandottes in Cole County, which
averaged 20.9 eggs per hen.

Favorable weather and careful at-
tention combined to give the hens in
the Missouri Farm Flock Egg Lay-
ing Contest an unusually high egg
production for March. The 14,478
hens in the contest for this month
laid a total of 209,457 eggs, or an
average of 14.5 eggs per hen. The
White Rocks with an average pro-
duction of 17 eggs per bird made the
best breed average for the month, but
were closely pushed by the White
Leghorns with an average of 16.7
eggs and the White Wyandottes with
16.5 eggs.

The average income from eggs for
each farm was \$60.70 and the average
expense for feed \$19.50, leaving a net
return of \$41.20 for each farm. In
addition to the eggs listed in the above
income, 27 farms set 2,145 dozen eggs
during the month or an average of
25.5 eggs per farm. Forty-five of the
farms reported 6,192 chicks on April
1st, or an average of 138 chicks per
farm.

It is interesting to note that the
\$40.00 average profit for March ex-
ceeded by a considerable margin the
average total profit of \$29.61 for the
four winter months. It is also note-
worthy that the 33.5 eggs produced
by the average hen in this contest be-
tween November 1st and April 1st is
more than half of the 64.5 eggs cred-
ited by the 1910 Census as the annual
