M. E. Church, Amazonia, Mo.

First Methodist Episcopal church, Amazonia, Mo. Church of the common People. Edgar O. Wells, Minister.

The event of the season last week was the entertainment and social time, given by the "Girls Who Do," Sunday school class, on Friday night, at which there were about seventy persons in attendance. A fine program, games and refreshments were largely in evidence, and it was after midnight when some of the people reached home. Let's have more of these get-together gatherings.

The Sunday morning services were interfered with, on account of the rain, and were rained out at night. It being the first Sunday in the month the services for next Sunday, November 7th, will be at the usual hours at Amazonia, and the sermon subject will be those announced for last Sunday.

The District Superintendent, Dr. W. F. Burris, will hold the first quarterly of the year at 10:30 a. m., Tuesday, November 9th, and he will also preach at night at 7:30 p. m. A full attendance of the official members is desired at this first session, and plans for the year will be outlined.

What do you say about this being the best year in the history of the church at Amazonia and Forbes. Get busy, hustle for the church as you do in business matters.
