

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS: "Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring and this kept on getting worse, until I had my hearing in this ear entirely. I saw a doctor for a treatment for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the best noise would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noise ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 720 S. Broadway, Baltimore, Md."

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body as to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patches and the patches don't show through the new glow of health. No one has to wait his time—he can do it himself—

FROM OUR EXCHANGES. Mr. and Mrs. Wm. Eddy, of the Central City neighborhood, were trading with our merchants Friday. A. Garfield Hirsch will represent the academy and Frank Fluch the public school in the educational contest at the Teachers' Institute in Webb City this week.—Appletown City Journal.

The residence of Mrs. Lo Flagg, in the north part of town was broken into Monday morning about 3 a. m. and \$30 in bills taken. Entrance was gained through a window but the robber made his escape by the front door which he had opened presumably before making the robbery. Mrs. Flagg kept the money under her pillow and was awakened when the robber put his hand under her head but he prevented her from making any outcry by stopping his hand over her mouth. She immediately came down town and reported the matter to the proper authorities, but it was too late to find any trace of the thief.—Pleasanton Observer.

Fraud Prevented. The business men of San Antonio, Tex., are level-headed on the subject of ticket scalping at the present time. They are organizing a great fair, and realizing that in order to afford low ticket rates the railways must be protected from the depredations of the scalpers they petitioned the state court to prohibit unauthorized dealing in tickets, at the same time setting forth the frauds practiced on the public and the roads thereby. The court promptly gave an injunction prohibiting both the buying and selling of excursion tickets except by the railroads, and the venture will probably be kept out of San Antonio, for the present.—Railway Age, Nov. 1, 1901.

Each day brings evidence of the fact that the character of the ticket scalping business is being more fully recognized.

News Notes from the Capital. Today, however, both parties will begin work by holding caucuses to provide for their organization. The Republicans may also decide on some general plan of legislation, though they are more likely to postpone this until a later date. Still, in view of the possibility that they may decide to take such mat-

ters up at once, and the consequent necessity of holding a caucus, or session, that will take up many hours, monopolizing the caucus room, arrangements have been made to permit the Democrats to have the use of the hall in the forenoon for their certainly brief session, and the Republicans to have it for the rest of the day, if they so desire.

When the house meets at noon Monday, its first act, after calling the roll, will be to swear in its new members. It will then formally elect the new officers decided upon at the caucus, who will all be identical with those of the last congress. This done, the grand biennial lottery for the choice of seats for the two years will be held. As a rule, any former speakers still members of the house are permitted to select their seats before the drawing begins and this privilege will certainly be awarded to Mr. Grow, of Pennsylvania, the only ex-speaker in the house. After this, no favoritism will be shown; men who have served for years will have to take their chances equally with those elected for the first time. However, in case some particularly strong man fails to secure a good seat, he can always find some younger member who will exchange with him. The seating arranged, the house, probably on motion of Rep. Grosvenor, will adjourn out of respect to the memory of Pres. McKinley. The session, which has little to do beyond the swearing in of new members, will have probably similarly adjourned some time before. Pres. Roosevelt's message will thus probably not be submitted until Tuesday.

Will O' The Wisp. WOMEN WHO ARE LED ASTRAY BY MISCHIEVOUS MARSH FIRES.

Illustrative of the baneful power of the marsh fire, there is told the story of a woman who lost her way. She turned in this direction and in that, hopelessly puzzled as to her whereabouts in the murky night. Presently ahead of her she saw the gleam of a light. At once she saw in fancy the picture of home, the lamp in the window, the cosy comfort of those under the shelter of the protecting roof, "contained and closed and warm." Steadfastly she moved towards the light. But as she moved it seemed to change its position. It was always a little far-

ther away from her and presently when she sank down exhausted in a swamp the light disappeared altogether. Whatever truth there may be in the story, it forcibly illustrates the career of many a woman who has followed the marsh fire of love in the belief that it led to home and comfort and found herself at last exhausted and deceived.

IT'S A BITTER LESSON. I learned by many a woman who thought love all-sufficient, that love alone cannot be the foundation of the home. It needs health. Strange as it may seem the beautiful loving woman who is weak may lose the love of the husband for whom she breaks all home ties, while on the other hand a woman who has no greater dowry than robust health may win and hold the love of her husband past all possibility of loss. The first requisite of marriage is health. The wife's first necessity is health. Health must be the mother's or she will know no happiness in her children. What makes ill-health so common among women? Why do they suffer with headache, backache and pains past description? These sufferings are in general caused by disease of the delicate womanly organs, and they are in general curable by the use of Dr. Pierce's Favorite Prescription.

"I take great pleasure in writing you what great benefit your 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets' have done me," says Mrs. P. A. Graham, of 617 Race St., New Orleans, La. "I have been a constant sufferer for the last eight years with female weakness, nervous and general debility, trying everything I could find to help me, but to no avail. I have been treated by several country physicians, and also had some of the best city physicians prescribe for me. They all said my case was incurable and was a chronic disease of long standing. But thanks be to God and your great medicine, I have found relief at last, and soon will be cured sound and well again. I have taken three bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery' and two vials of his 'Pleasant Pellets.' I can't describe in words how much benefit I have received from them. I think your medicine is the best in the world for female diseases and for the blood. I think 'Favorite Prescription' is the best medicine in use for women. I feel safe in recommending ad-

vice to any one suffering from the effect of impure blood and his 'Favorite Prescription' for female weakness."

"THE LAST SHALL BE FIRST." How many times that saying is illustrated by the use of Dr. Pierce's Favorite Prescription. It's the last thing which is tried and the first to help. It's often the last resort of hopeless women and the first medicine to claim their gratitude by an absolute emancipation from the thralldom of disease.

Dr. Pierce's Favorite Prescription makes weak women strong, sick women well. It establishes womanly regularity, stops enfeebling drains, heals inflammation and ulceration and cures female weakness.

"I suffered for six years with ovarian trouble," writes Mrs. E. Waite, of (Lake View Postoffice), Chicago, Ill. "Sometimes I could hardly walk, and when I had to cough it felt as though a knife was cutting me. My hands and feet were cold all the time. I had such a tired feeling and such a poor appetite, and when I went to bed I slept only about two hours at a time. A friend advised me to use Doctor Pierce's medicine, for they had helped her; so I got a bottle of 'Favorite Prescription' and by the time I had used two bottles I felt so much better that I continued until I had taken eight bottles of 'Favorite Prescription' and one of Dr. Pierce's Golden Medical Discovery, and now I am so well that my friends remark how well I am looking. I can go to bed now and sleep till morning. My appetite is splendid and all that tired feeling has left me. I hope others will do as I have done—just give Dr. Pierce's medicines a fair trial, and they will be sure to derive much benefit, as I have. I am so thankful to thank I am so well."

WHAT WILL WOMEN SAY. Here a few brief statements culled from letters of women cured by the use of Dr. Pierce's Favorite Prescription: "I feel like a different being and I look well."—Mrs. Maggie Sperry, 410 Eighth Street, Mount Vernon, Sperry Co., Ind.

"When I think how I was five years ago and how I am now, I say, God bless Dr. Pierce's work for women. I have had no return of my weakness and am well and hearty."—Mrs. Fred Kempton, Cambria, Hillsdale Co., Mich., Box 37.

"Two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' made a new woman of me."—Mrs. C. Nelson, Chemawa, Marion Co., Oregon.

There is no alcohol in 'Favorite Prescription' and it is altogether free from opium, cocaine and all other narcotics. Do not allow the dealer to push off on you a substitute for 'Favorite Prescription' claiming that it is "just as good." The record of its cures and the testimony of thousands of women prove that there is nothing "just as good" as 'Favorite Prescription' for weak and sickly women.

Women suffering from disease in chronic form are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and womanly confidences set down in writing are guarded by the same scrupulous professional privacy observed by Dr. Pierce in personal consultations at the "Inevitable" Hotel and Surgical Institute, Buffalo, N. Y., Address Dr. R. V. Pierce, Buffalo, N. Y.
