We heartily commend him and his good wife to the brethren there.

Mr. and Mrs. Fred Warren down at Girard are rejoicing over the arrival of another socialist at their home. He has come to stay and weighs about eight pounds. He will probably be named Ryan.

The new preacher at the Walnut St. M. E. Church will be Augustus E. Ryan. He will probably be here to occupy the pulpit next Sunday. He comes here from Port Arthur, Texas, and will be received by our people with an open handed hospitality. We predict for him a successful pastorate.

The preacher's little five year old took dinner with a neighbor one day. Among the items of a good dinner was a strawberry short cake, of which the little visitor was very fond. The hostess observed the fact and remarked to her little visitor "She should get her mother to bake her a short cake." "If she did," said the little one, "she would have to borrow your pattern."

The contractors are required to enter into bonds for \$60,000 for the main ditch, and work is to begin within 60 days after the bonds are sold.

WILLOW GROVE.

Will now, wonder who wants rain. There are two mud-holes just south of Shobe that are simply terrible. Some one should notify the road overseer of that district, for he surely would do something about it if he knew of them.

"And what did you drag them down with?" asked our friend. "Dragged dem down mit my harrow," answered the German. It is needless to say no more questions were asked.

W. C. Hedden was in the city Tuesday working like a beaver. The primary is less than three weeks off. As the time approaches the boys begin to quake in their boots. They know democrats are mighty uncertain just now in Missouri, but republicans will vote. Hedden is a mighty good man and we would be sorry to see him defeated next November, but we would be almighty glad to see a good republican elected.

FACTS AND FICTION.

Experiences of Rich Hill Citizens Are Easily Proven to Be Facts.

The most superficial investigation will prove that the following statement from a resident of Rich Hill is true. Read it and compare evidence from Rich Hill people with testimony of strangers living so far away you cannot investigate the facts of the case. Many more citizens of Rich Hill will endorse our claims.

R. J. Bradley, of 78 Fayette St., corner of 9th, Rich Hill, Mo., says: "Doan's Kidney Pills are a reliable remedy for bladder troubles. I was greatly embarrassed in this way for a long while. I used different remedies but they gave me little relief. I procured Doan's Kidney Pills at the Opera House drug store and their use cured me. Before using them I had to rise frequently at night and the secretions were far too copious. Through the day the frequency of passage made my life miserable. I have to thank Doan's Kidney Pills for my present immunity from this annoyance and it is a pleasure to recommend this remedy to others suffering from inconvenience arising from disorders of the kidneys."

For sale by all dealers. Price, 50 cents. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

We heard a Democrat lamenting that a favorite candidate was going to be beat at the Democratic primary this month. We asked him if he wouldn't as soon have his favorite beat at the primary as to have him beat by some Republican at the election this fall. He said he would rather run the risk in November.

SUNSHINE

J. Fletcher Smith, candidate for prosecuting attorney at the democratic primary, was in the city Tuesday, seeing the sovereigns. The meanest thing we know to say about Smith, he is such a democrat. We've known him a long time and he's always been a democrat. We fear he is joined to his idols and will never be anything else but a democrat and when we meet him on the other shore, if we ever do, we fully expect to find him even there a Democrat. Still he is a good clever Democrat.

Mrs. Nancy Cox passed her 82nd birthday last Sunday, and was given a birthday dinner at the home of her son-in-law, J. Ed Jones. Her grand-daughter, Mrs. Laura Badgett, of west of town, who also has a birthday on the same date, was in to help celebrate. Grandma Cox has been quite feeble all the past winter, but enjoyed herself Sunday very much.

No accounting for taste when some husbands buy shoes. Foot-sore and purse-sore, they repent at leisure what they purchased in haste. Comfort and quality are worth hunting for, but it's a short cry to a Crossett shoe—and there they are.
