Get a Flag for your School

YOU CAN HELP

In the patriotic work of presenting your school with a fine, large American Flag, and it will cause you neither expense nor work. All you have to do is to buy instead of the ordinary brands of School Shoes, the newer and better kind

Nine O'clock School Shoes

MADE BY DITTMANN OF ST. LOUIS.

They are the only shoes for girls and boys that combine "classy" appearance with long and satisfactory wear. You will like their neat looks and easy, full fit. Flag Coupons are given with these shoes, collected by the school and redeemed for Flags for school house or class rooms.

We are special agents for the sale of the "Nine O'clock" School Shoes and will gladly show them to you as well as explain the Flag plan.

DENNIS DALE INJURED AT PANAMA

CAUGHT FOOT IN HAY BALER

Was Feeding and Accidentally Fell Into the Machine—Foot Saved by Heavy Fork Handle

Dennis Dale, a farmer living near Panama, had the misfortune to get his leg caught in a hay baler while at work in that vicinity Saturday.

Mr Dale was feeding the baler and in pushing down the hay with his foot became entangled and fell. A heavy fork handle which he was holding was caught at the same time and to this may be attributed the fact that his foot was not entirely crushed off. As it was the flesh was torn from the bone on one side, above the ankle for a space of about six inches.

The injured man was attended by Dr. Chambers who reports that he is getting along nicely but will be confined to his home for some time.

FORGER CAUGHT.

Jack Stewart, a young man whose parents live near Panama, attempted to cash a forged check drawn on Chas. Falor a prominent stockman of the country southwest, at the F & M bank in this city last Friday. The cashier immediately recognized the fact that the check was spurious and had the young man arrested.

He was unable to furnish bond and was taken to Butler to await his hearing in the circuit court.

Miss Elma Loeb, who is attending the University at Columbia spent Thanksgiving with her parents here.

THEY WERE MARRIED MONDAY NIGHT

ARE ON A WEDDING TOUR

George B. Dowell, of Warsaw Mo., and Miss Allene Beasley, of This City are Participants

George B. Dowell, of Warsaw, Mo., and Miss Allene Bernice Beasley, of this city, were united in marriage at the home of the bride's parents, Mr and Mrs C. S. Beasley, last Monday. Rev. Frank W. Henry, Episcopal Rector of Pittsburg, Kansas, read the beautiful Episcopalian ceremony.

The service was opened by Miss Harriet Cole, who sang Annie Laurie, and, at 8 o'clock, Miss Lucy Dowell, of Adrian, Mo., sister of the groom, played the beautiful Mendelssohn wedding march as the Rev. Mr. Henry entered the West Library room. The room was beautifully arranged into a large floral altar. The background of this altar was a magnificent screen studded with large yellow chrysanthemums and the sides were formed of ferns and palms intermingled with vases of white carnations. The arch was lighted with candles.

As Rev. Henry took his place at the altar, Miss Lona Delamater, the maid of honor, dressed in a beautiful gown of yellow messaline, entered the room from the east, and George B. Dowell, attended by A. Grenville Wisdom, of Warsaw, Mo., his best man, entered the room from the north and took their places at the altar. Then followed the bride, beautifully attired in a wedding costume of cream silk poplin trimmed with embroidered chiffon, carrying a shower bouquet of bride's roses and valley lilies. She was upon the arm of her father C. S. Beasley, who gave his accomplished daughter away. The wedding ceremony was then spoken by Rev. Henry.

The wedding supper was served in the dining room, which was beautifully decorated in yellow and white. The tables were draped with strings of southern simlax, caught up with yellow chrysanthemums and carnations.

The bride received many wedding presents.

Mr. and Mrs. Dowell left Monday night for a week's wedding tour, after which they will return to Warsaw, Mo., to make their home.

The groom is the son of J. E. Dowell, editor of the Adrian Journal, and is rated high among the young newspaper men. He was formerly the editor of the TRIBUNE and has been successful as editor of the Warsaw Times, where he is now located. He is graduate of the Warrensburg State Normal School and has attended the Missouri State University for one year.

The bride is the daughter of C. S. Beasley, who is secretary and treasurer of the Beasley Mercantile Co. She is also well-educated, having attended St. Mary's College, at Notre Dame, Indiana, for several years.

The TRIBUNE and many other friends, extend congratulations.

E. Wheelbarger, the undertaker, was a Butler visitor Monday.

Mrs. Jos. Baker, who has been visiting in Butler, arrived home Monday.

Farrest Kerrons, of Butler, was a business visitor here last Thursday morning.

WATSON & GRIMM

Dairy-ing Pays

If you are getting all the butter-fat out of the milk and are receiving the highest market prices for your dairy products, you are making your dairy pay. But, if you are handling your milk by the crock and pan method, you are not getting all of the butter-fat, nor will the products be in a condition to bring the highest market prices. There is but one proper and profitable way to handle milk and that is with a cream separator. By its use you can get practically all the butter-fat and can do it while the milk is warm.

The Bluebell cream harvester gets practically all the butter-fat, and produces sweet, clean cream, from which there is no trouble to make the finest butter, and if the cream is sold it will demand the highest market price.

If you want to make your dairy pay, get a Blue bell separator. It is easy to crank, easy to fill, easy to clean, and does the work thoroughly.
