

BANKERS ELECT NEW PRESIDENT

Nashville Financial Concern Promotes Dr. J. B. Singleton.

PROMINENT BUSINESS MAN.

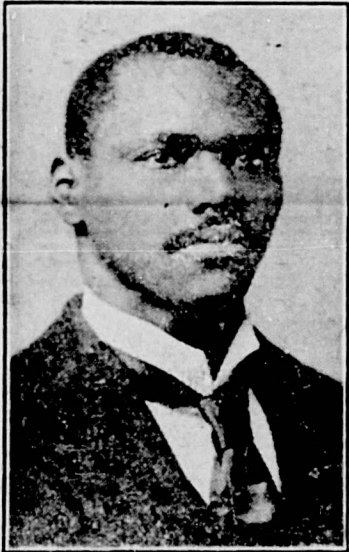

Selection of Well Known Dentist as Head of People's Savings Bank and Trust Company Meets With Popular Favor—Formerly Connected With Meharry Medical College.

Nashville, Tenn.—Dr. J. B. Singleton, Nashville's oldest dentist in point of service, and who has been chairman of the executive committee of the People's Savings Bank and Trust company here since its organization, was unanimously chosen as president of that institution at a recent meeting of the board of directors, as the successor of the late Dr. R. F. Boyd.

For many years Dr. Singleton has been one of the south's most prominent exponents of his race, and his selection to this high office is no surprise to those familiar with the man, and especially those conversant with the affairs of the People's Savings Bank and Trust company.

It was by his own efforts that he acquired the prominent station in life he enjoys such as placed him in line to fill so important a position made vacant by the late Dr. R. F. Boyd, recognized as one of the greatest men of his race and day in the south.

Although the possessor of much talent and considerable means, Dr. Singleton has always been extremely modest and unassuming, and gratification at his election is general not only in Nashville, but throughout this section as the confidence in which he is held by all assures for this banking institution a continuance of the firm foundation and sound business principles upon which it was placed through the leadership of its former lamented head. While a prominent member of the faculty of Meharry Medical college and also enjoying a first class dental

practice in the city, he is one of Nashville's leading business men.

Dr. Singleton is also president of the Star Realty and Investment company, a corporation which is doing a modern and high class real estate business in Nashville, being one of the most popular concerns of its kind that has been inaugurated here among the business men of the race.

In addition to the functions performed by it in the capacity as agent, the company itself purchases tracts and subdivides and builds to suit its customers, allowing long time payments. The offices of the company are in the People's Savings Bank and Trust company building. The other officers of the Star Realty and Investment company are: J. W. Simmons, vice president; J. W. Work, secretary; W. D. Hawkins, treasurer; James Bumpass, attorney, and J. B. Mullens, general agent.

The People's Savings Bank and Trust company, while the youngest of the two local banking institutions, has a capital stock of \$50,000 and has made remarkable strides in the way of gaining a firm financial footing. It is now regarded as one of the strongest and safest banking houses operated by colored men in any section of the country.

The present officers of the bank are: J. B. Singleton, president; W. T. Hightower, first vice president; D. A. Hart, second vice president; C. V. Roman, third vice president; A. M. Townsend, cashier; W. D. Hawkins, assistant cashier; S. P. Harris, auditor; T. Clay Moore, manager real estate department, and James Bumpass, attorney. The executive committee is composed of J. B. Singleton, W. T. Hightower, A. M. Townsend, J. H. Hale and J. W. Simmons.

Suffrage League Honors Mrs. Clifford. The Equal Suffrage league of Brooklyn recently tendered an informal reception in honor of Mrs. Carrie W. Clifford of Washington in the parlors of the Young Men's Christian association. Mrs. Clifford is widely known in women's club circles as a speaker and lecturer. She is also the author of a book of poems of rare merit.
