# Beautiful Waists Well Worth Enthusing Over

No Woman Should Miss These Special Offerings

Thursday, Friday and Saturday will be women's waist days at Bamberger's. We have prepared an uncommonly interesting array of offerings, and every woman who adores beautiful summer blouses and shirts should make haste to get here. Every one of the waists is fresh and new. Three of the styles are pictured here—just to give you an idea of their newness and attractiveness. The materials and the trimmings are all that the heart of woman could wish for. The values are so good that farsighted women will purchase waists by the dozens during the next three days. This is decidedly the waistbuying opportunity of the year. By no means miss it. (Third floor, Washington street).

## Between Ourselves

As you doubtlessly know, Easter Sunday comes this year on March 23d-the EARLIEST it has occurred since the year 1857. And not again until the year 2008 will Easter day come so early.

A great many things have happened since 1857. A great many more will happen before the year 2008 rolls around, but none of us who will enjoy Easter this year will be here to record them.

Some people are prone to look upon this earliest Easter year with fear and superstition. It is nineteen THIRTEEN, they say, and some awful calamity is going
