BASED ON FIRST **VOTE OF COURT**

Dorothy Hughes, Six, Runs Be- Reads Himself Out of Demo- Preliminary Ballot Will Indicate What Fate Holds in Store for Him.

> **GOVERNOR MAY APPEAL TO** UNITED STATES TRIBUNAL

Action Based Upon Statement in Writings of Alexander Hamilton.

ALBANY, Oct. 13 .- Governor Sulzer may know by night whether the impeachment charges against him have What may be the last session of the court opens at 2:30 p. m

Even though the court should find it necessary to adjourn until tomorrow, it is the belief of many at the capitol that the final verdict will be indicated in the preliminary balloting that is expected to take place at this afternoon's executive session Governor Sulzer is confident or his acquittal, his intimates say, but is anxiously awaiting the result of the telltale first ballot.

The Governor has been advised, i is reported, that he can appeal to the United States Supreme Court in the event that the verdict is against him. It is said a motion to dissolve the impeachment court by the with drawal of the judicial members from the legislative may be made, on the ground that the trial is in direct violation of the United States Constitution, which guarantees to each State a republican form of govern

The authority for this plan is found in the writings of Alexander Hamilton, in which he declares that joining the judiciary with the Legislature is an act of tyranny.

According to the advice given the Governor, if the motion is made here and denied, mandatory process may then lie with the United States Su-

one, not even the judges themselves, had the slightest idea just what form of procedure would be followed. That a matter for the court itself to The biggest question to be decided was whether the session would be bublic or executive. The opinion was

that the testimony would be considered privately, but that the actual voting would be done in public.
Governor Sulzer today began his third day of seclusion. Last Saturday morning the announcement went forth that he would see no one until the yerdlet of his judges had been returned, and he has stood firmly by that decimion. As a result of this a rumor has been current now that the evidence is all in a break had come between the governor and his

the decision whether Sulzer will continue in office. If twenty vote for his cause, a two-thirds vote cannot be obtained against him, there being
