LINCOLN PARK TO GET NEW CHURCH

Catholic Parish to Be Established Under Direction of Venerable Missionary.

[Special to the Evening Star.] MOUNTAIN VIEW, April 4.—A new Catholic parish will soon be added to the diocese of Newark as the outcome of a mission established at Lincoln Park, near here, some months ago by the Franciscan Fathers of Butler, Ala. The movement has resolved itself into the incorporation of "St. Mary's Catholic Church, Lincoln Park, N. J.," and title to the eight lots as a site for the new church will pass shortly.

Bishop O'Connor has commissioned the Rev. Francis Koch, O. F. M., the veteran church builder and head of the Catholic Church Extension Society of this diocese, to supervise the construction of the Lincoln Park edifice. The work will be started without delay, so that the building will be ready in time for the summer of 1914. In the fall the congregation will return to the present temporary chapel in the neighborhood of Madison.

Young women in Russia are not at all averse from long engagements, and use all sorts of artifices to defer the wedding day as long as possible; while in Siam, where old maids are unknown, as all girls marry, the recognized length of an engagement is one month. If an engaged man in the Argentine Republic dandles beyond a reasonable time in leading his fiancée to the altar he is heavily fined; and if a resident of the republic should fail to marry he is taxed until he reaches the age of eighty.
