Mrs. Hazel Rounds Tells How Cuticura Healed Pimples

"I was troubled with pimples on my face and arms which would itch and burn terribly, and sometimes I could not sleep nights. They were festering and scaled over, and I could not wear long sleeved dresses because the cloth aggravated them and made them worse."

"I tried several different remedies without any results. Seeing an advertisement for Cuticura Soap and Ointment I sent for a free sample and was relieved so much I bought more. In less than a month I was completely healed and I only used one cake of Cuticura Soap and half a box of Cuticura Ointment." (Signed) Mrs. Hazel Rounds, Freedom, New Hampshire.

NEW YORK HAS STRONG LEAD

By Defeating Cleveland in Thrilling Game By 8 to 7 Score

GIANTS ALSO FIRM IN NATIONAL SET

Yankees Are 15 Points Ahead of the Clevelanders

New York, Sept. 27.—Father Knickerbocker's two major league baseball clubs, Yankees and Giants, breathed easier to-day than they have for quite a spell. They could look back at their nearest rivals, the Cleveland Indians and the Pittsburgh Pirates, respectively, without seeing them so close at their heels.

The Yankees were 15 steps ahead of the world's champions from Ohio and their senior fellow-citizens had a lead of 25 points over the western Pennsylvanians.

Two more victories out of four games for the Giants, and the pennant will be theirs even though the Pirates be successful in all their remaining games. If the Yankees win three of five games left on their schedule, they will be the American league champions despite a possible clean sweep by Cleveland in their final four-game game series with the Chicago White Sox. The Yankees may not find the going so easy to-day with St. Louis as their opponents, especially if Urban Stocker, their old jinx, twists against them. Stocker, a former Yankee, who has beaten them several times this season, was at the Polo grounds yesterday and served notice on Manager Huggins' men that he means to pitch to-day and beat them.

The 8 to 7 victory for New York over Cleveland yesterday made it three out of four in the "little world's series." Featuring the final thrilling battle was Ruth's batting, Miller's spectacular fielding and Mays pitching. Ruth hit two homers and a double, Miller saved the game for the Yankees in the eighth by a shoestring catch off Speaker's bat, with two runners on base. Mays, who won Sunday's game, relieved Hoyt in the eighth and kept the Indians from scoring. Burns, Cleveland's first baseman, made the most hits of the game, four, one a triple in five times at bat.

The Philadelphia Nationals' first Pittsburgh victory this year, came just as the New York Nationals were defeating St. Louis, pitcher Nehf holding the clouting Cardinals to five hits. Thus the distance between the Giants and Pirates was widened.

The Philadelphia Athletics also defeated the Chicago White Sox, although a homer by centerfielder Johnson was ruled out. The ball went over leftfielder Strunk's head into the bleachers and he protested that the fans there had interfered with his judging the ball. Umpire Morarity allowed the protest.

PRESCRIPTION WAS WRITTEN 65 YEARS AGO

The True History of Father John's Medicine

One of the interesting places in Lowell, Mass., is the old apothecary shop on Merrimack street, established in 1827. This location is still a drug store, although, of course, modernized in many departments. The old prescription books, however, have been preserved and form an interesting record covering nearly a century.

Perhaps one of the most interesting books is that of the year 1855. On one of the pages of this book, that dated June 9, 1855, is written the original prescription for Father John's Medicine. This prescription was compounded for the Reverend Father John O'Brien at the old drug store on that date, and was so successful in treating Father John's ailment, which was a severe cold and throat trouble, that he recommended the medicine to his friends and parishioners. In going to the drug store and calling for the medicine, they always asked for Father John's Medicine, and in this way the medicine got its name and was advertised.

Father John's Medicine is a safe family medicine for colds, coughs, throat troubles, and as a tonic and body builder, because it does not contain opium, morphine, chloroform, and any other poisonous drugs, or alcohol, but is all pure, wholesome nourishment.—Adv.

TWIN ENDS ON BOWDOIN.
Opposing Teams Likely to Be Perplexed by Similarity.
Brunswick, Me., Sept. 27.—Opponents of the Bowdoin college football team this fall probably will conclude that they are opposed by the fastest end ever or that they are seeing double. Bowdoin has twin brothers playing the opposing flanks on its eleven. They are Charles Hildreth and Horace Hildreth of Gardiner, Me., and they look so much alike that Coach Fred Ostergren has been unable so far to tell them apart.

The coach is not certain yet whether one or the other of the brothers is very good. Opposing players starting for one end of the line to find a man cutting in on him and who turns to the other end for escape will be perplexed to find apparently the same man awaiting him.

CROWN TROOPS TAKE POSITION

TWO MEN HURT BY BULLETS

During Scattered Shooting Affrays Throughout the City

Belfast, Sept. 27.—Two men were wounded during scattered shooting affrays here last night, but in the eastern section of the city, where serious riots occurred yesterday, the night passed quietly. Crown troops to-day occupied strategic points in the disturbed area.

RUTH IS HEADED FOR 60 HOMERS

Has Already Hit 58 and Has Five More Games to Work In.

New York, Sept. 27.—With a total of 58 home runs hit this year, Babe Ruth of the New York Yankees today was pointing toward a mark of 60, which he hopes to attain before the season closes. He has five games in which to reach the threescore.

Ruth walloped the ball for two circuit clouts in the game against Cleveland yesterday. A two bagger gave him a perfect batting average. He also hit two homers in one day last year off Pitcher Kimmel of the Philadelphia Athletics on September 27. In the four games just finished against Cleveland, the president of the home run club averaged .727 w. o. t. bat, making eight hits for a total of 18 bases.

WATSON WILL TAKE PART In Final Match for Open Polo Championship of U. S.

Philadelphia, Sept. 27.—Rockaway and Great Neck will meet at the Philadelphia Country club late to-day in the final match for the open polo championship of the United States. Two of Great Neck's players, L. E. Stoddard and J. Watson Webb, were members of the All-American four, winners of the international title, while Thomas Hitchcock, another international, was in the Rockaway line up. To-day's match will bring to a close the national polo tournament, which has been in progress here two weeks.

NEW YORK IS CRAZY OVER BASEBALL

Attendance in Four Games Was 141,000, Not Including 1,500 "Dead-heads" Each Game.

New York, Sept. 27.—A total of 141,000 persons—a new attendance record for four consecutive baseball games—passed through the turnstiles to see the New York-Cleveland series just finished at the Polo grounds. The figures made public to-day by Ed Barrow, business manager of the Yankees, did not include 1,500 "deadheads" per day so that the number of persons who actually saw the games was 147,000.

Approximately 32,000 were present Friday, 38,000 Saturday, 41,000 Sunday and 30,000 yesterday. Thousands were turned away from the park Sunday.

The best world's series attendance record was in 1912 when 136,906 fans witnessed the first four games between the New York Giants and the Boston Red Sox.

MEADOW BROOK CHAMPION.

Charles Bissett Disposed of William McKenzie.

The finals in the Meadow Brook Golf club championship were played of Saturday. In the championship proper, 36 holes were played between Charles Bissett and William McKenzie and resulted in a win for Bissett by five up and four to play. This is the first time that Mr. Bissett has won the championship and the second time he has been in the final, being defeated the last time by A. W. Freeland.

Although beaten, Mr. McKenzie put up a stiff fight. It is only three seasons since he took up the game of golf, and to come from a novice to be playing in the final of the club championship in short a time is some record. Now that he has been in the final once, it is like the old saying, "He will be waiting back again."

The players in the finals this year are new to that honor which shows the interest that has been taken in the tournament this year.

The following are the other results: Second eight, first sixteen, D. McDonald beat Joe Fraser four up and three to play. Second sixteen, James Strachan beat George McLeod five up and four to play. Second eight, second sixteen, F. Gault beat A. Ingram four up and three to play.

The weekly tournament has four weeks to run, with five members in the running, which practically brings the season to a close, so far as competitions go.

BRAVES FAREWELL SERIES.

Mothers Used To Say

give me the good old fashion remedies made from roots and herbs in preference to the new fangled patent medicines on the market. I remember that when I had indigestion, was constipated, had a headache or my stomach was out of order, my mother would give me an old and reliable remedy called SEVEN BARKS and it would straighten me out in no time, so I always kept a bottle in the home for emergencies.

Colds and gripe frequently will leave you with weak kidneys and aching back. The kidneys get overworked fighting off a cold or a contagious disease. When the stomach is out of order, the kidneys and liver not working properly, a few doses of SEVEN BARKS will stimulate the liver and kidneys, regulate the flow of bile, expel distressing acids and dangerous poisons, and quickly restore you back to good digestion.

For nearly half of a century SEVEN BARKS has been recognized as one of the most reliable remedies for correcting and preventing disorders of the stomach, liver, kidneys and bowels. It is absolutely safe, made from the extracts of roots and herbs, scientifically blended.

If you have never tried SEVEN BARKS do not fail to do so, and watch the rapid and wonderful results. Your druggist keeps it, or will get it for you.—Adv.

Is Reverence Increased?

The following query that has come to us might really have been sent to our colleague, the "Normal." "How is it," asks W. R. M., "if this is an irreverent age, as people say, that we would not dream to-day of making our dead the subject of jests, as our forefathers did? Take this example from a cemetery in Edgartown, Mass.:

ELIZABETH PEASE
She shelled her food
And went to God.

This is only one of the hundreds of cemetery jests of a bygone day that could be quoted. Really, sir, doesn't it look as if we were growing in reverence instead of losing it?"—Boston Transcript.
