

## Painful Sores On Her Ankle

Healed By Hood Preparations.  
For two years I suffered greatly from the blue veins on my leg. They started with a little sore that grew worse, larger, more painful till it extended around my whole ankle.  
I decided to take Hood's Sarsaparilla to purify my blood, with Hood's Medicated Soap to wash the sore, and Hood's Olive Ointment to help heal it. It was soon apparent I was on the right course for as the result of faithfully taking the Sarsaparilla, the sore diminished and finally disappeared. I heartily recommended these remedies to all suffering from similar troubles. Mrs. John Peterson, Detroit Harbor, Wis.—adv.

## Stomach Upset, Gas, Gas, Gas —“Diapepsin”

“Pape's Diapepsin” ends indigestion, heartburn in five minutes. Sour, gassy, upset stomach, acidity, dyspepsia; when the food you eat ferments into gases and stubborn lumps; your head aches and you feel sick and miserable; that's when you realize the quick magic of Pape's Diapepsin. If your stomach is in a continuous revolt—if you can't get it regulated—try Pape's Diapepsin. It's so needless to have a bad stomach! Make your next meal a favorite food meal, then take a little Diapepsin. There will not be any distress—eat without fear. It's because Pape's Diapepsin “really does” regulate weak, out-of-order stomachs that gives it its millions of sales annually. Get a large sixty-cent case of Pape's Diapepsin from any drug store. It is the most efficient antacid known. It is scientific, harmless, and belongs in every home.—adv.

## An Unfailing Way To Banish Hairs

(Beauty Notes)

Ugly hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about 2 minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone.—adv.

## SPAULDING JOGGED ALONG

And Defeated Montpelier  
Seminary, 25 to 13,  
Last Night

MANY SUBSTITUTES  
GIVEN A CHANCE

During Latter Part of  
Game No Strenuous Effort  
Made to Score

Spaulding high school basketball teams were victorious twice Monday evening when they played the Montpelier seminary teams, although the second team game was close, the score being 12 to 11, while the score in the varsity team game was 25 to 13.  
Montpelier did but little in the first period of the varsity game, only getting three fouls and a basket while Spaulding was able to cage five baskets and six fouls, Slayton throwing them every time he had a chance. Montpelier seemed weak in the first period, the forwards playing a guard game for the most part. Gardyne seemed lost most of the time. The centers of the two teams fouled most every time that the ball was thrown up, there being nothing gained from it, as fouls were not called.  
Montpelier suffered once in this game and three times in the second game because someone fouled with the lights and then Montpelier suffered again when someone on the side lines whistled, stopping the playing for a few seconds, after which the foul was called.

The Spaulding varsity team tried out many men in the last period, there being so many changes that it that appeared in the line-up it would look like a checker board. During the last portion they played a defensive game. It looked as though they did not try to pile up a large score but rather to prevent their opponents from scoring; but Gardyne woke up in the last few minutes of playing and was able to throw two baskets.

Personal fouls were frequently called on each team and in some instances double fouls because of the opposing player interfering when a player was attempting to shoot a basket. Spaulding was not forced to play a strong game at any time, while Montpelier could not seem to get going.

The line-up was:  
Spaulding: Tierney, f.; Gardyne, c.; Watkins, f.; Slayton, g.; Ring, f.; McLean, c.; Slayton, g.; Bone, f.; O'Leary, c.; Woodcock, g.

Score: Spaulding 25, Montpelier 13; baskets, Burt 4, Slayton 3, Watkins, Tierney, Gardyne 2, McLean; from fouls, Slayton 7, Gardyne, Ring, McLean 2, Bone 1, referee, Finn.  
The second team game was a fairly well-played one, the score being close all the way. At the end of the first period the score was 6 to 5 in favor of Spaulding and at the end of the second period, Montpelier having thrown a basket after the period has expired, according to rules. This tied the score and a two-minute period was arranged for and played. During this Spaulding was able to throw a basket which broke the tie. Montpelier had a chance to score, Moore having been given a chance to throw a foul, which was called just before the whistle blew, but he failed this time and the game ended with the score 12 to 11 in favor of Spaulding. The line-up was:

Spaulding: Montpelier: Aime, f.; Baker, f.; Ingram, f.; Moore, Nelson, c.; Drenan, Ross, f.; Hoffman, Haley, Wiley, g.; Buchanan  
Score, Spaulding 12, Montpelier 11; baskets from the floor, Aime 2, Ross, Haley 1, Hoffman 2; from fouls, Aime 2, Nelson 1, Moore 2, Drenan 1; referee, Finn.

## Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrup, and saves about 8¢. Ready and quickly prepared.

If you combined the curative properties of every known “ready-made” cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.  
Get from any druggist 2½ ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.  
This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.  
A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.  
Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs.  
To avoid disappointment, ask your druggist for “2½ ounces of Pinex” with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

## BOXER'S SKULL WAS FRACTURED

Ambrose J. Melanson Died  
To-day After Bout in  
Boston

DID NOT REGAIN  
CONSCIOUSNESS

His Opponent, Joseph St.  
Hilaire, Is Held By  
Police

Boston, Jan. 24.—Ambrose J. (“Joe”) Melanson, former national amateur boxing champion at 135 pounds, who sustained a fractured skull last night in a professional bout with Joseph St. Hilaire of Somersworth, N. H., died at a local hospital early to-day without regaining consciousness.

Hilaire was detained by the police pending investigation.  
Melanson, a stop-gap, who was called to the ring when another boxer failed to qualify, was felled in the fourth round of a scheduled eight-round preliminary bout. Regaining his feet he was knocked down with a right-hand blow to the jaw. In falling Melanson's head hit the canvas.

The fatality was the first that has occurred in this city since the state boxing commission assumed control of the sport. It was stated that Melanson had been examined before the bout by the club physician, an official licensed by the commission, and being submitted to the required tests declared in condition to compete.

Melanson was 25 years old. He had been boxing for five years.

## NORWICH MARKS MEN CAPTURED THREE MATCHES

In the Opening of the National Rifle  
Association Schedule Against  
Many Competitions.

The Norwich university rifle team, which has held the intercollegiate championship for the past two years, has started on the 1922 schedule by cleaning up in three of the four separate position matches of the National Rifle association schedule. The matches which were held during the month of December have been officially closed and the winners announced. There were twenty-five entries in the prone position match, eight of which were college teams—the other civilian or high school. Sheridan Rifle club of Sheridan, Wyo., won the match with a team score of 1,997.2,000; Shoshoni Rifle club nosed out the Norwich team for second place by turning in possible scores in the last two weeks of the match, finishing with a score of 1,920 while the Norwich team placed third with a 1,884.

More time and effort was given to practice in the positions where the so-called “snap shooting” was called into play and the results showed it. The kneeling match was won by Norwich with a team total of 1,904. The nearest team was the Rockford, Ill. Rifle club with 1,778. Georgetown, Del. and Columbia universities were entered in this match. In the sitting match the team score was 1,972 with Georgetown university next in line with 1,920. The offhand match, admittedly the hardest position known to “rifedom,” was another clean-up for the Norwich team, who turned in a total of 1,779 against the score of her nearest competitor, University of Pennsylvania, of 1,608.

What do the authorities think of the Norwich team's performance? Quoting the “Arms and the Man,” the official organ of the National Rifle association: “Match No. 6, No. 7 and No. 8 can be summed up in one word, Norwich. The boys at Northfield have paid more attention than usual to the more difficult positions, with the result that they ran away with these events. There is a sermon in this for those clubs who dislike to shoot in any position except prone, because they know they cannot make as good a showing.”

It is also noted in a column headed, “What They Used,” that the winners of the match used Winchester 5A telescopic sights; that the team in second place who nosed Norwich out by one point, used Stevens telescopes. “That Norwich used ‘iron sights,’ as issued. Under the same paragraph it is also noted that many, if not all, of the other competing teams used some form of telescopic sight. All this goes to show that the man behind the sight is the deciding factor and that the ability of the members of the Norwich team does not depend on ‘glass’ sights for precision.”

Among the competing teams are included: Janesville, Wisconsin Rifle club (two teams); Syracuse University Rifle club; Yale University Rifle club, and Dartmouth College Rifle club.

Your Parents and Grandparents as a rule, believed in doctoring with nature's remedy, the life giving extracts of leaves, roots and herbs, and you must admit that a very large majority of them lived to a ripe old age; the same treatment that kept them so well and vigorous will keep you the same.

SEVEN BARKS is made from the extracts of several different kinds of leaves, roots and herbs, and has for nearly 50 years been recognized as the most reliable remedy for correcting and preventing disturbances of the stomach, liver, kidneys and bowels. Get the stomach and bowels working right and most other ailments will vanish.

SEVEN BARKS restores a healthy, natural bowel action, in most cases it promotes appetite, and quickly puts the digestive organs in shape to assimilate food. It also acts on the liver and kidneys, failure of these to act properly allows the whole body to be poisoned, and brings about other complications.

The principal cause of backaches is the kidneys when they don't perform their duty, and if not flushed and the poisons thrown off, serious trouble will happen. SEVEN BARKS will not only relieve kidney troubles, but keeps your stomach in good condition and your liver active.

Ask your druggist for SEVEN BARKS. If he does not have it he will get for you.—Adv.

## PUT STOMACH IN FINE CONDITION

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by hyperacidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescent and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas and start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—adv.

## WELLS RIVER

Bradford Defeats Wells River, 32-19,  
and Wins League Cup.

In a game played at Bradford, the Bradford academy boys defeated the Wells River high school team, 32-19, which proved to be the deciding game in the present league race. By winning this game Bradford makes it impossible for Wells River to even tie and thus will remain the cup in the archives of Bradford academy for twelve months. The game itself was a hard, fierce fought affair in which Mexican rules prevailed. From the top of the ball at the start until the final whistle the Wells River never had a chance. Outplayed, out-ran, out-tackled, with no penalties for off-side play, they did well to score the sixteen points marked up against them. In a hall which had rafters even with the baskets, a floor space too small for play caused by the large crowd present, they played their deciding game and when the smoke had all cleared away, Bradford emerged the winner and to the victors we bow with reverence.

Bradford has one more game with the local boys, next Friday night. We hope to beat them. Let us show the boys from the village to the south that when on our own floor we can play good clean fast basketball, with team work and basket shooting that at Bradford was impossible. With Kirk holding the whistle, the game is sure to be fast, every decision will be made without partiality and there will be decisions. Let's go. The score:

Bradford	Wells River
