

A Real Fire Sale!

U. G. Staton has purchased the entire stock of W. M. Hill recently damaged by fire. Mr. Staton will sell the entire stock of general merchandise, much of it absolutely uninjured by fire or water, for one-half price and less. Brown's Mule tobacco will be sold 2 for 15 cents; Duke's Mixture smoking tobacco, 2 for 5 cents, and so on. The fixtures of the store and the gasoline lighting apparatus are for sale. The sale begins Saturday morning at 7 o'clock and continues until the stock is disposed of. Cloth is almost given away, and the grocery stock is the same way. Mr. Staton bought the goods at his own price and intends selling them for almost nothing.

THE EDITORS LEAVE WELL-PLEASED

The members of the North Carolina Editorial Association, which closed its convention here last Thursday, left Hendersonville well pleased with this town, its people and their reception here.

They enjoyed and appreciated the many courtesies extended them by the public-spirited people of Hendersonville, and were loud in their praise of the mountain scenery surrounding the town.

Their trip to Osceola Lake and Mt. Hebron was one they will long remember, the hotel accommodations were fine and the resolution of thanks adopted by the convention testifies to their appreciation of the town's efforts to make them feel at home.

The Children's Day exercises at the Methodist church Sunday the 20th inst. was a decided success. A very large crowd attended as usual. The church was crowded. And a good many mothers stayed out with their babies. Quite a crowd of men folks had to stay out too, because there was not room enough for them.

The pastor Rev. Wesley Williams conducted the opening exercises and made a short address on "Following the Example of Christ." After which the Sunday School children carried out the splendid program without a single hitch and the Choir consisting mostly of the Corpenings and their family connections afforded splendid music. Among those in attendance we note: Mr. and Mrs. Thomas Patton from Pisgah Forest, Mrs. M. J. Orr, Miss Daisy Orr, Miss. Ara Lankford, Miss McLean, and others from Brevard; J. M. Rhodes and family, H. W. Allen, Bonnie Brooks and others from Hendersonville; J. O. Johnson and family, Horse Shoe.

Some of our farmers have the blues on account of the unfavorable weather. Many are trying to harvest their small grain. But the rain keeps coming. Some seem to think this is a bad crop year, but we don't see it that way. We have been living here most as long as the Israelites wandered in the wilderness and have not seen a bad year yet. They are all good and better.
