# FEARS OF A RACE WAR

The New Orleans Strike Assumes a Serious Phase.

## THE GOVERNOR ARRIVES ON THE SCENE

He Holds a Long Conference With the Directors of the Cotton Exchange—It is Expected He Will Order Out the Militia.

NEW ORLEANS, October 31.—The strike situation in this city has assumed a serious phase, and a race war is threatened. Yesterday afternoon there was a good deal of excitement on the levee between Jackson and Sixth streets, the scene of Saturday's riot, caused by the report that a force of armed negroes was en route to the scene to avenge the action of the mob Saturday. In a moment every place of business in the locality was closed and work was suspended. Women and children ran into their houses for safety, expecting at any moment to hear the reports of shooting. Chief of Police Caster sent a large force to the scene of the alleged trouble. The moment the screwmen of the ships heard the report, they swarmed out flourishing their revolvers and rifles, but they could not find the enemy. Last night the men congregated in the neighborhood and the report is that both the negroes and whites are preparing for a fight today.

### The Governor on the Scene.

The governor arrived last night and held a long conference with the directors of the cotton exchange. It is expected that he will order out the militia to further complicate the situation, the white longshoremen struck against working with negroes. Charles Stoddard and company intend to load their ships today with negroes and this is expected to bring about a riot.

John Williams, a colored screwman was shot and mortally wounded yesterday afternoon by Michael Biri at Madison and Decatur streets. Biri is a seed merchant and is now at large. The men were heard to speak in a loud tone and Biri acted as if he was trying to bulldoze the negro.

### TENDER GREETING TO HILL.

Four Thousand People Throng the Great Hall to Extend a Welcome.

ALBANY, N. Y., October 31.—A mass-meeting, the proportion of which has never been paralleled in Albany was the result last night of the fusion of the two branches of the democracy to tender a greeting to Senator Hill, who is now a resident of this city. At least 4,000 people thronged the great hall and as many more listened to speakers who were on the outside and unable to get an admission. A noticeable feature of the affair was the presence, on the stage as a co-speaker with Senator Hill, of Congressman Charles Tracey, who is looked upon as a personal representative of President Cleveland. At least 1,500 men took part in the escort of Senator Hill to the hall, among whom was a body of grand jury men and two labor organizations. In the boxes at the hall were such Cleveland adherents as Judge Herrick, collector of the port, John Masterman, and General Farnsworth.

### THE REFORM PARTY ELEMENT.

The Supporters of Everett, When Held Their First Meeting in New York City.

NEW YORK, October 31.—The democratic party reform organization which heads its state ticket with Everett P. Wheeler for governor, held a mass meeting last night at Cooper Union. The big hall was crowded. It was the first meeting that the supporters of Mr. Wheeler for the governorship had held in New York city and the enthusiasm of the audience was unbounded. The chairman of the meeting was the Hon. Charles S. Fairchild. The speakers were Fairchild, Carl Schurz, Everett P. Wheeler, Wheeler N. Peckham and others.

### AN ATTEMPT TO WRECK.

The Timely Discovery of Engineer McKenna Saves the Train.

FRANKFORT, Ky., October 31.—The Louisville and Nashville officials have just reported a most dastardly attempt to wreck their express from Washington, arriving at 1:20 last night. Three miles east of Frankfort, in Dudley's cut, ties had been fastened on the track so that the train would have been wrecked but for the timely discovery of Folk McKenna, the engineer. As this is the third attempt recently at wrecking in that locality, a watch will be kept on the line.

### Bill Cook and His Gang Located.

FORT SMITH, October 31.—United States Marshal Crump received a telegram from Indian Agent Wisdom at Muskogee yesterday saying he had reliable information that Bill Cook and twenty-one of his gang are near Tallahassee, Mission, nine miles from Muskogee.

### Arrested on a Serious Charge.

BERMINGHAM, Ala., October 31.—Thos. W. Hooper was arrested at Eutaw upon a warrant issued charging him with rape and then assault. The story goes that Hooper ravished his own daughter and then brutally beat her nearly to death.

### Robbed the Safe of \$1,500.

CHARLESTON, S. C., October 31.—Burglars last night entered the store of J. Frank Pate, in Sumner, and robbed the safe of \$1,500 in cash. No clue. Thought to be the same gang that operated in Marion, Bennettsville and Florence.

### Speaks First at Schenectady.

ALBANY, N. Y., October 31.—Governor Flower set out yesterday upon his six days of political campaigning through the state. His first stop on the way westward to Buffalo was at Schenectady.

### Japanese Assembling at Hiroshima.

YOKOHAMA, October 31.—Another Japanese army, 24,000 strong, is assembling at Hiroshima.
