

**The Battle of Bones**

**Expert Testimony on Bones**

In the case of the bones discovered near the site of the ancient settlement, Dr. Allport endured harsh cross-examinations. The defendant, Dr. Allport, was asked by the prosecution to identify the bones found at the site. He stated that the bones were those of a person who lived in the area during the period of the settlement.

**A Heated Campaign**

Against the Conservatives by the Liberal Party

"The people of this country are fed up with the Conservative Party," declared Mr. Allport. "They have been in power for too long, and it is time for a change."

**Think of the Difference**

between the nature of the control and the bility of a dog, and you have the difference between Conservatives and Labor. Conservatism is all about control and manipulation, while Labor is about compassion and unity.
