

## MANCHURIA

Rumor That Russia Will  
Defy Powers Who  
Object

## NOT BLUFFED

The Effect of the Remonstrance Will  
be That She Will Not Seize Three  
Provinces—China Picks Up Courage  
Enough to Refuse Russia's Demands—Officials at Washington in a  
State of Suspended Uncertainty.  
Nothing Heard from Our Minister  
at St. Petersburg.

Tokio, Japan, April 28.—A newspaper  
here today published a dispatch from  
Peking in which its correspondent quoted  
the Russian minister as saying that the  
effect of the remonstrances of Japan  
and the other powers would be that  
the statesmen now paramount at  
St. Petersburg would decide to incor-  
porate the three provinces of Man-  
churia in the Russian empire.

## CHINA REFUSES THE DEMANDS.

Peking, April 28.—China has given  
Russia what the officials describe as  
a final and definite refusal to accept  
her demands regarding Manchuria.

## NOTHING DEFINITE FROM RUSSIA.

Washington, April 28.—No response  
has come to the state department as  
yet from either Ambassador McCormick  
at St. Petersburg or Minister Con-  
gler at Peking to the inquiries re-  
specting Russia's demands in con-  
nection with Manchuria. The officials are  
in a state of suspense and uncertainty  
in view of the conflict in the semi-  
official dispatches from the Russian  
and Chinese capitals. In the absence  
of official statements of Russia's pur-  
poses the opinion prevails here that  
these Russian demands were really put  
out in a tentative form last week and  
not in regular official shape. There is  
good reason to believe that the Chinese  
government itself felt the demands leak  
out in order to secure the support of  
the powers in its refusal of the Rus-  
sian demands.

Noting the intense public sentiment  
over the proposition, the Russian gov-  
ernment, it is surmised, took steps  
through the statement issued in St.  
Petersburg yesterday to abandon sev-  
eral of the original demands. It is not  
doubted that such reduction of the  
maximum demands was fully within  
contemplation when the tentative  
statement was thrown out.

If this assumption, general in official  
circles here, is well founded, then Rus-  
sia will not further interfere with the  
consumption of the United States  
trade treaty with China, including as  
it does the new ports of Moukden and  
Taku-San on the other hand, the  
fourth demand, characterized by the  
St. Petersburg statements "as unim-  
portant" is not so regarded here, for  
it amounts to an indefinite continuance  
under Russian direction of present con-  
ditions in Manchuria, which will stop  
all reform movements.

## AMERICAN WARSHIPS AT TOKIO.

London, April 28.—In a dispatch from  
Tokio, the correspondent of the Daily  
Mail says:

The Russian charge d'affaires at  
Peking told a Japanese journalist that  
the Japanese, English and American  
came to Manchuria with a political ob-  
ject and that Russia's attempt to ex-  
clude them was an act of self-defense.  
The Russian charge failed to under-  
stand why Japan was not satisfied with  
her acquisition of Korea and stretched  
out her hand toward Manchuria.

American war vessels are assembling  
at Yokohama, continues the report, sup-  
posedly in connection with the Man-  
churia situation.

The Japanese and British ministers at  
Peking have formally warned China  
against the acceptance of the Russian  
demands.

In conclusion the report of the Daily  
Mail says that the Russian authorities  
are buying large quantities of provisions  
at Tokio.

Newspaper Fake Reporter Dis-  
charged.

Washington, April 28.—Colonel Mills  
of the inspector general's department  
who went to Denver to investigate the  
interview, said to have been given by  
General Baldwin, in which the latter  
spoke in an improper manner of the  
Filipino and negro soldiers, has reported  
to Secretary Root that the inter-  
view never took place, and that the  
man who reported it has been dis-  
charged from the paper. It appears  
from Colonel Mills' report that General  
Baldwin did have an interview when he  
first arrived at Denver, and it was this  
interview to which he referred when he  
was subsequently stated that he was  
misunderstood if he was interpreted as  
saying anything reflecting upon the  
Filipino or colored soldiers. Colonel  
Mills' report is supported by a great  
many affidavits and much testimony,  
which has been presented to the sec-  
retary of war.

of the bank, and was for some time a

## CROPS IN THE UNITED STATES.

Bad Showing Made by the Weather  
Bureau's Weekly Crop Report Yes-  
terday.

Washington, April 28.—The weather  
bureau's weekly crop report says:  
The drought in Florida and in the  
central and west gulf states, especially  
in the last mentioned sections, has  
grown more serious, and over large  
areas the ground is too dry for ger-  
mination of seed.

As in the previous week corn plant-  
ing has made slow progress, more  
particularly over the central and  
eastern portions of the corn belt and  
in the middle Atlantic states, but better  
progress has been made in Kansas and  
Nebraska, and preparations for plant-  
ing have been vigorously carried on in  
Iowa and portions of Illinois. In the  
southern states corn has suffered from  
low temperatures, and in the central  
and west gulf districts from drought  
also.

East of the Mississippi early cotton  
has been injured by cold and much re-  
planting will be necessary. Planting in  
this part of cotton belt has progressed  
rapidly except in Mississippi, where as in  
the districts west of the Mississippi  
planting, although well advanced, has  
been largely suspended during the past  
week on account of drought. Warmth  
is generally needed throughout the cot-  
ton belt and the central and western  
districts are in urgent need of rain.

Tobacco plants continue plentiful and  
healthy, though backward in Ken-  
tucky. No transplanting has yet been  
done except in the Carolinas, but plants  
are ready for setting in Tennessee.

In North Carolina the plants are not  
starting well and in South Carolina  
stands are being impaired by worms  
and injury has been caused by hail  
storms.

## ANGRY STRIKERS.

Mob of Six Hundred Captured a  
Force of Militia Who Were Pro-  
tecting Non-Union Men.

Montreal, April 28.—Tonight 600 milita-  
men are stationed at the harbor front  
guarding property and protecting non-  
union men who can be secured to work  
on the five ocean liners loading at the  
docks. During the afternoon an angry  
mob of 600 strikers overpowered the  
small force of city policemen doing  
duty at the wharves, and went on  
board the steamers where non-union  
men were working and chased them  
down the stairs and out of the docks.  
In one of the disturbances Joseph La-  
voie, a French Canadian striker, was  
shot in the leg by Stevedore William  
Quinn who was attacked by the man  
whom he wounded. A furious mob  
chased Quinn but he escaped. Later he  
was arrested.

Before the troops reached the  
wharves tonight the strikers set fire to  
the cargo of the Leland Liner Alexan-  
drian, lying at the Canadian Pacific  
docks which were endangered by the  
blaze. The fire was extinguished be-  
fore it made much headway. Several ar-  
rests were made in connection with the  
disturbance.

## ANTI-FOREIGN.

Decree Issued in Venezuela That Has  
Greatly Exasperated People from  
Other Countries.

(Correspondence of Associated Press.)

Caracas, April 17.—The decree just  
issued by the government defining the  
duties and rights of foreigners in Ven-  
ezuela is most drastic in its character  
and excites great exasperation among  
all foreign residents. It is believed  
that it will effectively end all immedi-  
ate immigration or the introduction of  
any foreign capital. It provides that  
all foreigners shall register with the  
proper authorities on pain of expulsion  
from the republic. Foreigners who  
violate any of the provisions of the  
decree may be expelled also.

The decree declares that foreigners  
cannot belong to political societies,  
edit political newspapers, or write  
about the politics of the country in  
any newspaper. It prohibits the em-  
ployment or deliver speeches on polit-  
ics. It provides that neither foreign-  
ers or Venezuelans can bring any  
claims against the government of Ven-  
ezuela for losses sustained by revolu-  
tionary agents or armed bands.

## The Smallpox Germ Discovery.

Boston, Mass., April 28.—The an-  
nouncement of the discovery of the  
cause of smallpox was made tonight by  
Dr. William T. Councilman, professor  
of pathology in the Harvard Medical  
School at a meeting of the Boston So-  
ciety of Medical Science. The announce-  
ment is the outcome of the investiga-  
tions conducted by Dr. Councilman, Dr.  
George Burgess McGrath, and Dr. Wal-  
ter Remsen Princeps with the co-  
operation of the Boston board of health,  
during the recent epidemic of small-  
pox in this city. It has been deter-  
mined that smallpox is caused by a  
micro-organism representative of the  
lowest form of animal life. This fact  
served to show a relation between  
smallpox and such diseases as malaria  
and to distinguish it from many other  
infectious diseases caused by bacteria.

## Terms of the Venezuelan Protocol.

Washington, April 28.—Venezuela  
and the allies have agreed upon the  
terms of the protocol submitting to the  
Hague tribunal the question of prefer-  
ential treatment, and this convention  
will be signed next Monday upon the  
return of Signor Mayer des Planches,  
the Italian ambassador, from St. Louis.  
This was decided upon at a joint con-  
ference at the British embassy today  
between Mr. Bowen, Venezuela's plen-  
ipotentiary, the Italian and British  
ambassadors, and the German minister.

## KISSED BABIES

the Farmers About What the Re-  
publican Party is Doing to Carry  
Out its Pledges to Prevent Corpora-  
tions from Oppressing the People.  
Gave Taffy to Hephburn and Hull—To  
Arrive in St. Louis Today—He Will  
be There Till Thursday

Osceola, Iowa, April 28.—President  
Roosevelt in his address here paid a  
compliment to Congressman Hephburn  
and the other members of the Iowa  
delegation in congress saying:

"I wish to state my sense of obliga-  
tion to him and to all the Iowa dele-  
gation for the aid they gave me last  
year—the invaluable aid in bringing  
about certain bits of legislation, non-  
partisan in character, which I deemed  
of the utmost importance, such as wise  
supervision and regulation of certain  
great corporations, of the type popu-  
larly known as trusts, notably of those  
engaged in doing an inter-state busi-  
ness, or legislation which I deemed in-  
valuable not only because of its cour-  
age, but because of its sanity and be-  
cause it does not pretend to do anything  
that it does not do. A promise should  
be kept on the stump just as much as  
off the stump. The worth of any prom-  
ise lies in its fulfillment by action and  
it was, thanks to Colonel Hephburn,  
thanks to the congress, to the members  
of both senate and the house from Iowa  
and their fellows, that I am able to  
come before you, feeling that what I  
had been said by us as to the need of  
such regulation has been made good in  
fact. Improvements upon the law have  
been made, better legislation has been  
put on the statute books and the legis-  
lation upon the statute books has been  
enforced with honesty and with fear-  
lessness."

Ottumwa, Iowa, April 28.—President  
Roosevelt dashed across the state of  
Iowa today and was everywhere met  
by large and enthusiastic crowds.  
His speech-making began at 7 o'clock  
this morning, when he made a brief  
stop at Shenandoah, and his last speech  
was delivered here shortly after 4  
o'clock tonight before thousands of peo-  
ple. His subject tonight was the good  
work Secretary Wilson has done in the  
field of agriculture.

The president has had his guests  
today Governor Cummins, Secretary  
Haw, and for a part of the day, Con-  
gressmen Hull and Hephburn. At ev-  
ery stop the night here, leaving tomorrow  
for Keokuk and will arrive at St. Louis  
tomorrow afternoon shortly after 4  
o'clock.

One of the largest crowds that has  
greeted the president since his trip be-  
gan, was waiting for him at Des  
Moines this afternoon. He was driven  
to the capitol where he made an ex-  
tended address on good citizenship, his  
policy in paying a tribute to Congress-  
man Hull for his efforts in securing a  
new militia law. At Des Moines the  
president kissed a number of babies.  
During the drive four mothers, each  
with a baby in her arms, approached  
the president and handed him bouquets  
of flowers. They then held the babies  
up to be kissed and the president did  
not disappoint them.

One of the features of the day was  
the large number of school children,  
that greeted the president at every  
place he stopped and at many places  
where the train did not stop the little  
people were congregated, waving small  
American flags. This feature pleased  
the president very much and he refer-  
red to the children several times during  
the day.

## Liquor Men on Their Ear.

New York, April 28.—A campaign of  
retribution for the enactment of the  
new law increasing the excise licenses,  
is contemplated in a circular issued to-  
day to every member of the wine, liquor  
and beer dealers central association by  
President Fritz Lindinger. The presi-  
dent calls upon the liquor men to ally  
themselves with other trades whose in-  
terests are identical and "strike a blow  
at our enemies." He suggests a move-  
ment to induce all dealers, including  
grocerymen to refrain from the use of  
New York state products, including  
cheese, and hops and to stay away from  
New York state summer resorts.

The association met and passed resolu-  
tions to abolish free lunches of every  
description and also to raise the price  
of what is called a pint of beer or ale  
from 10 to 15 cents beginning May 1st.

## Cleveland to Speak at St. Louis.

Princeton, N. J., April 28.—Former  
President Cleveland left here today for  
St. Louis accompanied by Oscar S.  
Straus and E. C. Benedict. He will de-  
liver the dedicatory address at the  
opening of the St. Louis exposition on  
Thursday and while in St. Louis will  
be the guest of Dr. Francis, president  
of the exposition. Mr. Cleveland will  
leave St. Louis at the conclusion of the  
ceremonies, reaching home on Satur-  
day.

Cumberland, Md., April 28.—Former  
President Grover Cleveland, en route  
to St. Louis, was greeted at the Balti-  
more and Ohio railroad station here to-  
night by a thousand persons. Mr.  
Cleveland addressed the gathering from  
the platform of his car. He was en-  
thusiastically cheered by the crowd.

## THREE SUICIDES.

A North Carolinian and Two Others  
Took Their Lives at Washington  
Yesterday.

Washington, April 28.—Three persons  
committed suicide in this city today.  
All used carbolic acid as a means of  
ending life. The three suicides were  
Leonard H. Mangum, a former clerk in  
the census office, Guy F. Padgett, a  
real estate and insurance agent, and  
Mrs. Sadie Plummer, a young woman  
whose husband keeps a lunch room on  
Pennsylvania avenue.

Mr. Mangum was a native of North  
Carolina but lived for many years in  
Arkansas. It is said that he at one  
time was wealthy but lost his money  
and was compelled to come to this city  
to seek employment. He lost his posi-  
tion in the census office last July and  
since then has been unemployed. His  
body was found beneath a tree in the  
reservation south of the White house  
grounds.

The cause of Padgett's death is un-  
known but it is thought he had become  
despondent. He was a member of the  
Maccabees and Old Fellows. Last  
night after leaving a lodge room he  
mailed his wife a brief note enclosing  
\$100 in cash and asking her forgiveness.  
Then he went home and his wife today  
found his dead body in the bath room.

Mrs. Plummer was found unconscious  
lying across a bed in her room and died  
soon after being taken to the hospital.  
She is said to have attempted suicide  
once before.

## ADMIRAL DEWEY.

The Hero of Manila Sails for Cape  
Henry to Inspect the Squadron.

Washington, April 28.—Flying the  
four star flag of the admiral of the  
navy, the Mayflower sailed today from  
the Washington navy yard for the  
southern drill grounds off Cape Henry  
where Admiral Dewey will inspect the  
North Atlantic fleet under command of  
Rear Admiral Higginson.

In addition to Admiral Dewey, the  
Mayflower carries the following officers  
of his staff: Rear Admiral Henry C.  
Taylor, chief of the bureau of naviga-  
tion; Captains Swift and Pillsbury  
and Commander Sargent of the general  
board, and Lieutenant Marble.

At the conclusion of the inspection  
and review of the fleet, which consists  
of the battleships Kearsarge, Alabama,  
Indiana, Illinois and Iowa and the  
cruiser Olympia, Rear Admiral Barker  
will relieve Rear Admiral Higginson of  
the command.

Admiral Dewey and his staff will re-  
turn to Washington next Sunday.

## Millionaire Newspaper Man Married.

elect William Randolph Hearst, prop-  
rietor of the New York American,

licent Wilson, daughter of George H.  
Wilson, president of the Advance Music  
Company, of this city. The ceremony  
was performed in the chantry of Grace  
church, Bishop Potter officiating. A  
number of the personal friends of the  
couple were present. Mr. Hearst's best  
man was Orrin Peck, of San Francisco,  
and the witnesses were S. S. Carvalho  
and P. J. McArthur. The newly married  
couple will sail by the steamer Kaiser  
Wilhelm II. this afternoon for Europe.

Governor Willard, General Fitzhugh  
Lee and W. W. Baker, of Chesterfield,  
left today for St. Louis to be present  
at the dedication of the exposition  
buildings next Thursday. Captain  
Willard represents Governor Montague,  
who found it impossible to make the  
trip.

General Lee is president of the  
Jamestown Exposition company.  
will pick up the "pointers." Mr.  
Baker is one of the Virginia assistant  
commissioners. Commissioners Bow-  
man, Patton and Koerner and Assis-  
tant Commissioner Murrell left several  
days ago to attend the dedicatory ex-  
ercises.

## Ten Thousand Dollars Damages.

(Special to The Messenger.)

Raleigh, N. C., April 28.—In the su-  
preme court here the jury tonight gave  
\$10,000 damages against the Seaboard  
Air Line for killing Engineer James  
Watson last June. The railroad admit-  
ted negligence and the only question for  
the jury was as to the amount of dam-  
ages to award.

Superintendent Joyner received a  
telegram from his brother-in-law, N. J.  
Rouse, saying burglars last night had  
broken into the bank of Rouse Bros.  
at LaGrange and escaped with \$3,500.  
The bank had burglar insurance.

William B. Ellis to be Examined for  
Insanity.

New York, April 28.—Supreme Court  
Justice Gleicher today refused an ap-  
plication to dismiss the proceedings  
against William B. Ellis, the North  
Carolina publisher, whose sanity is  
questioned. The examination to deter-  
mine whether or not Ellis is insane will  
be continued.

## THE STATE CAPITAL.

Opening of Bids for the New Issue  
of \$300,000 of State Bonds—Raney-  
Denson Nuptials—Sale of State  
Lands—Inspection of the State  
Guard Begins Next Friday—Bishop  
Haid to go to Rome—Bitter Muni-  
cipal Canvass at Asheville.

Messenger Bureau,  
Raleigh, N. C., April 28.

Today at noon is the time appointed  
for opening the bids on the \$300,000  
North Carolina thirty year four per  
cent bonds. Half a dozen northern  
lawyers, from New York, Baltimore,  
Cincinnati, Columbus and Chicago are  
here representing bidders. Besides  
these C. A. Webb, of Asheville, F. H.  
Fries and T. L. Vaughn, of Winston-  
Salem, are also here on this matter.  
However, State Treasurer B. R. Lacy  
has been at Roper in Beaufort some  
days and has not returned. He was  
expected back last night or early this  
morning but did not arrive and it  
looks now like the opening will have  
to be deferred.

The marriage of Mr. Richard Beverly  
Raney and Miss Kate Whiting Den-  
son was solemnized this afternoon at 6  
o'clock in Christ Episcopal church,  
Rev. Dr. M. Marshall officiating. The  
bride was accompanied to the altar by  
her sister, Miss Mary A. B. Denson as  
maid of honor and by her cousin,  
Miss Sarah R. Lamb, of Norfolk, Va.  
The bridesmaids were Miss Lily H.  
Cowan, of Durham, Miss Lily Hicks,  
Miss Jane H. Pescud, Miss Margaret  
Susan Marshall and Miss Annie Taylor.  
The groom was attended by his best  
man, Mr. Frank B. Dancy, of Atlanta,  
Ga. The groomsmen were Messrs. John  
Van B. Metts, of Wilmington, Robert  
L. Holt, of Burlington, B. Sylvan Jer-  
man, Frank P. Haywood, John A.  
Duncan and Claude B. Denson. After  
the ceremony the entire bridal party  
went to Southern Pines, where supper  
was served at the Carolina Inn and the  
night was spent there. Mr. Raney is  
one of the wealthiest and best known  
men in the state. He is proprietor and  
lessee of the Yarbrough House and  
state manager of the Prudential Life  
Insurance Company. He built and pre-  
sented to the city a magnificent public  
library at a cost of nearly \$50,000. He  
is now completing one of the most  
sumptuous residences in the south, op-  
posite the capitol square on Hillsboro  
street. He and his bride will occupy this  
house next fall. They will leave Southern  
Pines tonight immediately after the  
supper to the bridal party for a north-  
ern trip, while the bridesmaids and  
groomsmen will return to Raleigh to-  
morrow. The bride is the daughter of  
the late Captain C. B. Denson, a gal-  
lant confederate soldier, of rare grace,  
and has been an active factor in every  
good work here.

A score of Sunday school workers  
left Raleigh today for the state con-  
vention that meets at Kingston school.

The Soldiers' Home Association will  
meet with the state auditor. Ex-Gov-  
ernor T. J. Jarvis is unable to attend.

The state board of education expects  
a settlement today of the purchase of  
the state's interest in the Veder har-  
lands of about 250,000 acres in Jones  
and Onslow. J. T. Sheets, of Port Nor-  
folk, Va., has the option on the state's  
interest for \$225,000 and he has sold this  
option to a syndicate of which he is  
one of the officers. Unless the matter  
is now settled the trustees of the Veder  
heirs will hardly continue the option.

Inspector General T. H. Bain, of the  
state guard, has held a conference with  
Major J. A. Lumsden, of Port A. For-  
caswell, and arranged the details of  
the inspection of the state guard,  
which will begin next Friday.

The superintendent of public instruction  
expects to have a new set of school  
law printed next month and as soon as  
copies are obtained they will be sent  
out to all who are entitled to them.  
The issue will be 35,000, since 24,000 are  
necessary to supply committee men,  
\$800 for teachers and \$600 for county  
superintendents and boards of educa-  
tion.

Miss Mary Armistead Jones, of Ra-  
leigh, is named as sponsor for the  
United Sons of the Confederate Veter-  
ans here for the reunion at New Or-  
leans.

Representative W. C. Newland, of  
Lenoir, is here attending court.

State Senator C. A. Webb, of Ashe-  
ville, declares that the municipal fight  
between the democrats and the republi-  
cans and the fusion of the republicans  
and anti-saloon league is the bitterest  
contest he has witnessed. He thinks the  
democrats will pull through.

Arrangements are made for the ded-  
ication by Archbishop Leo Haid, of the  
church of the Roman Catholic orphan-  
age at Nazareth, a couple of miles  
from Raleigh. A year ago he laid the  
cornerstone one Sunday. Quite a num-  
ber of priests will be present at the  
ceremony. The date of the dedication  
is May 17. The church and the priest's  
house, the dormitories and the chapel form  
quite a group of buildings.

Archbishop Haid will leave for Rome  
May 23, and the clergy and laity of the  
vicariate of North Carolina are now  
raising funds to meet his expenses. He  
will make his decennial report to the  
Pope. Each ten years archbishops and  
bishops are required to submit re-  
ports. Archbishop Haid is a striking  
and attractive man. He is the only  
bishop in all the church who is also an  
abbot. In fact in Catholic history it  
is said that there are only two or three  
instances in which bishops have thus  
been abbots. He has therefore an  
unique distinction.

## In Trouble and Wanted to Die.

Staunton, Va., April 28.—H. H. Haas,  
assault surgeon to the United States  
surgeon general in the United States  
navy, attempted suicide at a hotel here  
today by shooting. The ball entered  
the right temple and lodged in the left  
near the surface, destroying both eyes.  
He was conscious when found and asked  
for his pistol to finish the job. He  
left several letters to friends, also a  
request to notify T. N. Haas, lawyer, of  
Harrisonburg, Va., that his brother was  
dead. His reason was "am in trouble,  
want to die." His condition is very  
critical. Haas was on furlough, his  
station being at Portsmouth, Va.
