

MILK FOR HEALTH CONTEST IS ENDED

State Board of Health Offices Swamped With Last-Minute Entries

The essay, poster and rhyme contests conducted by the State Board of Health in connection with the recent Milk-for-Health Campaign closed at noon on April 25. There was a last minute rush of entries, and the offices of the State Board were reported literally "swamped" Monday morning with packages containing posters and essays. The response to this campaign far exceeded the fondest expectations of its most enthusiastic sponsors both in number of entries and their particularly excellent quality, it is learned. The judges' task of selecting the winners is going to be a tremendous job, and for that reason it is uncertain when an announcement of the final awards can be made.

The prizes in the contest are six silver cups given by Governor Gardner. Dr. J. M. Parrot, Dr. A. T. Allen and Dr. E. C. Brooks. Governor Gardner's cups are to be awarded, one to the graded school pupil and the other to a high school pupil writing the best essay on milk as a health food. Dr. Parrot's cups are to go to the graded school boy or girl and the high school boy and girl making the best poster portraying milk as an essential health food; and Dr. Allen's and Dr. Brooks' cups are to go, one to the graded school pupil and the other to the high school pupil who composes the most forceful and "catchy" rhyme on the subject of milk. A number of entries were sent from Vance county, in both the high school and elementary classifications, some of which attracted high commendation from those here who saw them before they were forwarded to Raleigh.

TOWNSVILLE GRANGE TALKS ABOUT TAXES

Committee Named to Cooperate With Other Groups of Grange

A meeting of the Townsville Grange was held Friday night, April 22, in the high school building with R. B. Taylor, master, presiding. Possible ways of co-operating with the other orders of the Grange of the county in their efforts to bring about a program of tax relief and readjustment of the farmers' burden was discussed at great length. The discussion ended with a decision to appoint a committee to work in an advisory capacity with similar committees of the other orders of the Grange constituting a county order. Miss Reba Hill, of the school faculty, impressed the audience with her presentation of the "Desert Song." She was accompanied at the piano by Miss Isabel Tarry. Miss Dorothy Kimball gave a reading entitled "High Culture in Dixie," in her usual charming manner. The next meeting will be held Friday night May 6. Reported.

Three Pounds of Lime Required In Bordeaux Mixture

In the article about the Bordeaux mixture for use against blue mold in tobacco, which appeared in the Daily Dispatch yesterday, the formula should have stated that three pounds of lime was necessary. Instead of only two pounds, as stated. Farmers interested in using this mixture are asked to bear this in mind when making up their mixture. Three pounds of lime should be used instead of two pounds. J. W. Sanders, county agent, called attention to the error, made the correction.

For a modern civilized power to be victorious in a great war is only a little less unprofitable than to be defeated.

YACHT USED BY SEARCHERS FOR LINDBERGH'S SON

Further mystery is added to the negotiations for the return of the Lindbergh baby by the secrecy surrounding the maneuverings, out of Norfolk, Va., of the yacht, Maroon, above, owned by Col. Charles H. Consolvo, eastern hotel magnate. Colonel Consolvo has placed the yacht at the disposal of John Hughes Curtis and Edwin Bruce, both attempting to make contact with the kidnapers.

VANCE IS 23RD IN VOLUME OF RETAIL

Amounted to \$221.98 Per Capita in 1929, or Total of \$6,060,000

Vance county ranked 23rd among the 100 counties in North Carolina in the per capita volume of retail trade in 1929, according to a compilation in the current issue of the University News Letter, copies of which have just been received here. The per capita amount of retail trade in the county that year, that is, the average amount spent by each individual, was \$221.98. The aggregate amount of retail trade in the county for that year is given in round figures as \$6,060,000. The highest per capita was in Pasquotank, with \$437.23, although the aggregate there was \$8,370,000. The highest gross volume of retail trade was \$51,910,000 in Mecklenburg county, of which Charlotte is the county seat. The lowest per capita was \$55 in Brunswick county, where the aggregate total was \$870,000. Warren county ranked 44th in the State, with a per capita figure of \$160.07, and a total of \$3,740,000. Granville was 48th with a per capita of \$151.79 and a total of \$4,360,000, while Franklin ranked 59th, with a per capita figure of \$130.20 and a total of \$3,850,000.

What men thought of women as thinkers is well illustrated by the saying of Lessing 100 years ago that "The woman who thinks is, like the man who puts on rouge, ridiculous."

Style Whimsies If you haven't a garden pea, may grow sweet peas in a deep pot, training them up bamboo poles, as pictured here.

TWO DAYS YET TO SEEK FARM LOANS

Few Have Been Applied for at Any Time Recently In This County

Two days are yet left in which applications for farm loans may be made to the Federal government. The final date for filing is April 30, under the rules of the U. S. Department of Agriculture. It is not expected there will be many more applications in this county. Already there have been about 600 or more, but the rush was over several weeks ago, and since that time only now and then have growers appeared to ask for government credit. It is expected that total applications for these seed loans will aggregate \$80,000 in Vance county alone, and the total may run even above that figure. The main cause of recent wars is imperialism, and the main contribution to future peace is internalism.

COOKING SCHOOL IS ENDED WEDNESDAY

Under Auspices of Henderson Woman's Club and Well Attended

The cooking school held under the auspices of the Henderson Woman's Club for two days this week came to a close Wednesday afternoon. The American Home department of the club was directly in charge, although the actual cooking part was in charge of Mrs. Vivian Bushong, demonstrator for the Carolina Power and Light Company. Mrs. Plummer said today two good meetings were held, with seven to eight delicious foods prepared and cooked each day. She said the women who attended thoroughly enjoyed it, and those who registered drew the lucky numbers and the articles contributed by outside people, as well as the prepared dishes. Contributors to the cooking school were announced by Mrs. Plummer. I. J. Young gave the use of the building. Carolina Power and Light Company furnished all the cooking equipment and assisted in getting Mrs. Bushong, besides giving away a table stove on Wednesday. The Vance Mills gave flour to demonstrate with, and prizes included Wesson oil and Snowdrift, given by the district manager. Bridgers the florist furnished the decorations and gave one potted plant. Brookside Dairy furnished the milk and cream for the demonstrations and Henderson Furniture Company and Hughes-Smaw Furniture Company put in the chairs. Mrs. Plummer said the club wished to thank all who assisted in any way.

This meeting was the regular monthly meeting of the American Home department of the Woman's club, and Mrs. Plummer was assisted by Mrs. W. R. MacNair. After the demonstration on Wednesday, Mrs. J. F. Mills, president of the Woman's Club, held a short business session. At that time Mrs. E. C. Flannagan and Mrs. L. D. Wall were elected as delegates to the State Federation of Women's Clubs convention in High Point early in May. All departments of the club were urged to get in their yearly reports in time for the club's May meeting.

No More Safety Pins!

Baby Charles Underwood, one-year-old son of Mr. and Mrs. Garnett Underwood of Louisville, Ky., has had his fill of safety pins. He has just had an open pin removed from his throat after it had remained there four months. All little Charles suffered was a slight scratch.

Earnhardt Gives Sermon Wednesday At Revival Meet

Rev. D. E. Earnhardt, pastor of the First Methodist church, preached last night in the revival meeting at West End Baptist church, and the pastor, Rev. E. F. Nelson, said today there was a large congregation and much interest. The preacher's subject was "The Providence of God," taken from the eighth Psalm. Tonight Rev. W. C. Cumming, pastor of the First Presbyterian church,

will preach, and tomorrow evening the revival will close with a sermon by Rev. R. A. Whitten, pastor of the First Christian church. There have been some professions and a number of re-dedications, Rev. Mr. Nelson said today.

PLAY TWO NIGHTS ZEB VANCE SCHOOL

"Cool Knights" is to be given Friday and Saturday nights at Zeb Vance high school at 8 o'clock, it was announced today. There are over 100 people in the cast, which is given under the direction of Mr. Relsley, of the Triangle Producing Company. A number of attractive choruses will be given and other specialties, it was said.

STATE IS TO HAVE DEMOCRATIC CLUB

Raleigh, April 28—Plans are now on foot at State College for the organization of a permanent Democratic Club for students. The movement is being sponsored by the Young Men's Democratic Clubs of North Carolina, through acting chairman, J. Dewey Dorsett.

MR. LOUGHLIN BURNED BY GASOLINE STOVE

The injuries received by Charles C. Loughlin, who was seriously burned on a houseboat near Columbia, N. C., last week were caused by the explosion of a high pressure gasoline cook stove and not an oil cook stove as was stated in this paper at the time of the injury. Mr. Loughlin was painfully burned in the explosion and has since been confined here in Maria Parham hospital, where it is reported he is recovering satisfactorily.
