Accountant Tells Commissioners De-  
posits Exceed Surety Put Up  
by Local Banks; Board to  
Renew Two Notes

Tax collections and credits for De-  
cember, reported by Sheriff J. E.  
Hamlett to the Vance Board of Coun-  
ty Commissioners at their monthly  
meeting yesterday, amounted to \$13-  
211.31, of which \$3,021.11 was actual  
cash taken in on tax accounts. Re-  
ceipts for the salary fund were given  
as \$61; from licenses, \$57.47; from  
paying assessments, \$57.08; credits for  
rebates, \$10.17 and credit for dis-  
counts, \$4.48.

Total collections to date on 1932  
tax accounts amount to approximat-  
ely 35 percent of the total turned over  
to the sheriff for collection, it was  
stated.

The commissioners also passed a  
resolution to renew a \$6,250 note and  
interest, due December 27, and an-  
other for \$10,000 plus interest, due  
January 27 both at the Citizens Bank  
and Trust Company. Both items were  
for debt service account.

G. W. Adams, county accountant,  
also advised the board that deposits  
in local banks were in excess of col-  
lateral that had been posted by the  
banks to cover such deposits.

## CITY SCHOOLS WILL RESUME TOMORROW

Class Work To Begin After  
Long Holiday for Christ-  
mas-New Year

White and Negro schools of Hen-  
derson will resume class room work  
tomorrow after a suspension since De-  
cember 16 for the Christmas-New  
Year holidays. A week's earlier clos-  
ing was made necessary by the heavy  
snow of December 15-17, and a fur-  
ther postponement from last Monday  
to Thursday of this week was later  
ordered on account of the condition  
of rural highways, hindering move-  
ments of the school buses.

County schools will be closed until  
next Monday, when they will resume  
operations.

## Fragments Of Evidence In McCain Search Sent

Bloody Handkerchief Found Near Hagerstown, And  
Linthicum Wires of Unidentified Youth Killed Near  
Washington, Having Been Shot Four Times

Fragments of evidence continued to  
trickle in to local authorities today  
in the relentless search for R. S. Mc-  
Coin, missing Henderson attorney and  
business man, who has been mys-  
teriously absent from his home here  
since December 22, or two weeks to-  
morrow.

The latest advices today to Al B.  
Wester, business associate of McCain  
in the Henderson Loan and Real Es-  
tate Company, were in a telegram  
from E. D. Linthicum, nephew of  
Mrs. McCain, who is still in Hager-  
stown, Md., pressing the hunt for the  
body, believed buried in that vicinity  
by a group of four men who an  
anonymous letter from Chicago last  
week intimated had been held up and  
robbed and then slain on the high-  
way between Petersburg and Rich-  
mond.

Linthicum wired that an unident-  
ified young man had been shot four  
times and killed near Washington,

and suggested that fingerprints on  
the McCain automobile, discovered  
last week in a Columbus, Ohio, gar-  
age be compared with fingerprints of  
the dead man. A possible connection  
was seen with the writer of the  
anonymous letter and the dead youth,  
who, the theory is, may have been  
slain by the other three men in the  
alleged hold-up party.

Press dispatches from Hagerstown  
told of the finding by searchers near  
there yesterday of a bloody handker-  
chief, a piece of a blue coat and an  
old coat, which it was thought may  
have been McCain's.

There were no other advices here  
today and no further new develop-  
ments. The \$500 reward posted by the  
family and a similar amount by the  
Supreme Lodge Knights of Pythias  
of the United States, in which McCain  
was prominent for ten years, still  
stood, offered as a reward for the lo-  
cation and identification of the body.

Mrs. Claiborne had been in failing  
health for sometime, having suffered

had been confined to her bed for the  
past several months, becoming criti-  
cally ill a short while ago, and her  
death was not unexpected.

## PROPERTY OWNERS WILL BE NOTIFIED

### TEST ROLLINS' SUIT

Commissioners To Let Supreme Court  
Rule on Authority of County  
Board on Items In Budget  
for Schools

Property owners who have not list-  
ed their holdings for 1932 taxes, some  
250 or more of whom were reported  
to the Vance Board of County Com-  
missioners yesterday by G. W. Adams,  
county accountant, were ordered noti-  
fied by the board to come in at once  
and list their property. Mr. Adams  
advised the board that property in-  
volved, and which has not been put on  
the books, aggregated more than \$42-  
000.

The board also decided to carry to  
the State Supreme Court for a ruling  
the action brought by E. M. Rollins,  
city-county superintendent of schools  
for inclusion in the budget of \$600  
salary voted to him by the education  
boards as his salary for the current  
year as superintendent of the city  
schools. G. W. Khott, chairman of  
the city school board, and J. H.  
Bridgers, attorney for the superintend-  
ent, appeared before the board in the  
interest of having the item included  
for payment, and were informed of  
the board's action.

Last year a \$900 item for the city  
salary was included in the budget and  
was resisted by the commissioners,  
who lost in an appeal to the State  
Supreme Court. The commissioners, it  
is understood, hold this time that  
they never did approve the \$900 item  
for this year, and that it never has  
been placed in the budget by their  
approval. On that ground they are  
seeking a further ruling.

K. P. Davis, county jailer, reported  
to the commissioners there were 625  
jail days during December, and that  
during that time there were 53 pris-  
oners in the jail at one time or an-  
other. He reported 28 in the jail at  
the end of the month.

## ASSAULT CHARGES DROPPED IN COURT

Charge against Clyde Faulkner,  
young white boy, of assaulting his  
mother were dropped in recorder's  
court today when his mother with-  
drew the warrant and paid the costs.  
The only other case tried was that of  
W. H. Brame, charged with giving  
a worthless check for \$160 to Boston  
Electric Shoe Shop, and he was re-  
quired to make the check good and  
pay a fine of \$1 and the costs.

## Narrow Escape Is Had When Store Is Burned

Mr. and Mrs. E. Y. Wilson Barely Leave South Hender-  
son Building In Time; Sandwich Shop In Heart of  
Business Section Also Damaged by Blaze

Mr. and Mrs. E. Y. Wilson barely  
escaped with their lives from their  
living quarters on the second floor  
when their store at South Henderson  
was destroyed by fire early today. The  
building and all the contents, includ-  
ing cash taken in from the day's busi-  
ness Tuesday, were a total loss, to-  
gether with an adjoining dwelling, oc-  
cupied by the families of Walter Mit-  
chell and Tollie Stevenson, though  
these two families saved all their  
household effects except a cookstove.

Another fire early today was that  
in the D. Y. Cooper building on Gar-  
nett street, opposite Breckenridge  
street, where Baongelos Konogianis,  
a Greek, conducted the business of  
the City Sandwich Shop, which he  
opened only a few weeks ago.

Mrs. Wilson said today she did not  
know how the fire originated, but  
that it started in the store on the  
first floor, underneath their living  
quarters. The flames had made good  
headway when discovered, and she  
and her husband made their escape

just before stairways were cut off.  
Nothing was saved. Fire Chief E. T.  
Shepherd, who investigated the fire,  
said Mrs. Wilson valued her house-  
hold furnishings at \$3,000, the stock  
of goods in the store at \$700, and the  
building at \$3,000, a total of \$6,700,  
which was partly insured.

The adjoining dwelling was owned  
by the Carolina Bagging Company,  
and was estimated to be worth \$1,000  
covered by insurance. Damage of \$50  
to another dwelling was placed at \$50  
also insured. The Mitchell and  
Stevens families had time, with the  
aid of friends, to save their house-  
hold belongings, except the cook stove.

The property was beyond the reach  
of firemen and no apparatus was sent.  
The sandwich shop on Garnett  
street had a loss estimated at \$700,  
which was not insured, it was stated.  
The building was damaged to the ex-  
tent of several hundred dollars, and  
is understood to have been insured.  
This blaze is believed to have started  
in the front near the coffee stand.

## NEW WAREHOUSE WORK IS STARTED

Site Being Cleared of Debris  
From 1931 Fire For To-  
bacco Structure

Work has started on the rebuilding  
of the Planters Warehouse, contract  
for which was let before the holidays.  
The warehouse has been in ashes  
since it was completely destroyed by  
fire two nights before Christmas in  
1931.

The Winston-Salem builder in  
charge of the work contracted for  
certain portions of it, with the ware-  
house owners furnishing all available  
brick that can be used from the walls  
of the old building, together with  
other materials that may be provided.  
The roofing work is to be done by  
C. P. Tanner, of Henderson.

The warehouse is owned by a cor-  
poration, and was originally built here  
in 1913, since which time it has been  
operated continuously until the time  
of the fire.

Its restoration to the tobacco facili-

ties of Henderson will give this mar-  
ket again five large warehouses for  
the handling to leaf tobacco sales.

Work now getting under way in  
the rebuilding is expected to be com-  
pleted in the late spring or early  
summer, well in advance of the open-  
ing of the selling season next fall.  
The new warehouse will be larger  
than the one that was burned. The  
structure will cover the entire lot,  
broadening it several feet. It will  
have modern lighting arrangements  
in the roof and other facilities to meet  
the requirements of a sales floor.

## UNION PRAYER MEET AT SOUTH HENDERSON

During the month of January, the  
pastors and congregations of White  
Memorial Methodist and the Baptist  
churches at South Henderson will  
unite each Wednesday evening in  
their prayer meeting services. To-  
night the services will be held at  
White Memorial, with the Baptist  
pastor, Rev. L. B. Reavis, in charge.  
It is hoped that these union services  
will stimulate much enthusiasm in  
the community. On next Wednesday  
evening the joint service will be held  
in the Baptist church, according to  
the plan.

## PLAN PROHIBITION CONFERENCE HERE

Dr. A. J. Barton To Be In-  
vited Here For Address  
at Early Date

Dr. A. J. Barton, pastor of the  
First Baptist church in Wilmington,  
and a member of the high council of  
the Anti-Saloon League of America,  
will be invited by the Henderson Min-  
isterial Association to come to Hen-  
derson for a speech at a prohibition  
rally at an early date. The regular  
monthly meeting of the ministerial  
group was held yesterday afternoon,  
and at that time Rev. D. E. Earn-  
hardt, pastor of the First Methodist  
church, was authorized to take up  
with Dr. Barton the possibility of an  
itinerary in Henderson, Oxford and  
other points in this section.

No date was suggested, that being  
a matter that will be left largely in  
the hands of Dr. Barton, to suit his  
convenience. But the preachers want  
him here and will arrange for his  
coming when he gives them an an-  
swer.

Rev. S. E. Madren, pastor of Lib-  
erty Christian church at Epsom, was  
received into the association as a new  
member and welcomed.

Rev. E. R. Nelson was designed  
as the ministerial visitor at the coun-  
ty hospital and Scott Parker Sanato-  
rium for the month of January. It  
will be his duty to make frequent vis-  
its there and notify the other pastors  
of members of their denominations  
who become patients in the two insti-  
tutions.
