ANNOUNCEMENTS

**MAN OF ARAN TILLS HIS SOIL.**  
Blow wind, bend your great bow  
Blow this sea  
And twang your green arrows against  
The land.  
Blow wind, scatter your foam-feathered  
arrows along this shore  
And charge with black spears that  
And bend but brand  
These cliffs with scars. Your doubled  
hand  
Has smitten, marred this coast;  
But hold, for all the power you boast,  
Your breath is but a bellows that will  
fan  
The live coal cupped in the palm of  
man.  
Blow bellows, bellows of the sea,  
For the wild fire, the kindled grain  
Sown in this rocky land, quickened  
with rain.  
Will suck the meager earth and  
burst with bloom.  
A thousand years this fire has flick-  
ered and defied  
The charge of wind and the sea's  
black doom.

**U. D. C. Members At**  
**District Meeting**

A number of members of the Vance  
County Chapter U. D. C. attended the  
district meeting of United Daughters  
of the Confederacy in Oxford yester-  
day along with other chapters in the  
district, Oxford, Louisburg, Raleigh  
and Warrenton.

The session was held in the Ox-  
ford Orphanage chapel with Mrs. C.  
K. Proctor district director, presid-  
ing.

Mrs. W. S. Bernard, of Chapel Hill,  
State president, was present and out-  
lined the year's activities of the or-  
ganization.  
A two course luncheon was served  
the group, and Mrs. John H. Ander-  
son, of Raleigh, brought an inspiring  
message at the afternoon session. The  
school children of the orphanage pre-  
sented a historical pageant.

Reports were heard from chapters  
over the district, all showing activity.  
Warrenton was chosen as the meet-  
ing place for 1936.

**Royal Ambassadors**  
**In Meeting Monday**

The Royal Ambassadors of the First  
Baptist church met Monday after-  
noon with Clyde Register on Harrell  
street with twenty boys and four new  
members present.

The meeting opened with the sing-  
ing of the R. A. hymn, "The King's  
Business followed with scripture read-  
ing by Billy Neathery, Hunter Dunn  
and N. E. Clopton, with remarks by  
the counselor, Mrs. L. E. Cansler.

An interesting program was given  
by the following boys, Robert Spruill,  
Clyde Register, Harry Patterson, and  
Virgil Elliott.  
During the business session, re-  
port of progress in the ranking sys-  
tem of which the boys are very much  
interested in was given. Also plans  
were made to send a box of school  
supplies to one of the mountain  
schools in Western North Carolina.  
The boys were pleased to have their  
W. M. U. president, Mrs. R. B.  
Green, as their guest. Mrs. S. P.  
Patterson closed the meeting with a  
poem and prayer.

The host and his mother served de-  
licious refreshments to those present.

**Sans Souci Club**  
**With Mrs. Candler**

The program committee of the Sans  
Souci Literary Club delightfully en-  
tertained the club members in the home  
of Mrs. H. L. Candler Tuesday after-  
noon.

The lovely arrangement of spring  
flowers throughout the home made a  
beautiful setting for this gathering.  
In the business session, Mrs. D. P.  
McDuffee was elected president; Mrs.  
H. L. Candler, vice president; Mrs. R.  
G. Young, secretary and Mrs. Elroy  
Nanny, treasurer and reporter.

After the period for business was  
completed the informal program was  
given. Each member contributed  
either an interesting fact, a poem, a  
piano solo, song or reading. These  
were enjoyed immensely by all. An-  
other attractive addition to the meet-  
ing was a contest gotten up by the  
program committee entitled "Say It  
With Magazines." This was a short  
story in which blank spaces were to  
be filled in by names of magazines.  
This furnished those present much  
merriment, and at the conclusion,  
Mrs. H. A. Newell won the prize, hav-  
ing the most correct.

The hostesses, Mrs. H. L. Candler,  
Mrs. W. H. Blackburn and Mrs. E. A.  
Latta, assisted by Miss Jean Candler,  
served a delicious sandwich plate  
with tea, cake and mints.

**Mrs. George Ross**  
**Has Tuesday Club**

Mrs. George A. Rose, Sr., entertain-  
ed the members of the Woman's Tues-  
day Club at their regular meeting  
Tuesday afternoon at her home on  
North Garnett street.

The subject of the program for the  
afternoon was "Architecture," and  
Mrs. A. J. Davis opened the program  
with a most interesting paper on  
"Why Is This Style Called Modern."  
She was followed on the program by  
two very interesting talks, one by  
Mrs. M. F. Legg on "Keeping Your  
House Young," and the other by Mrs.  
W. B. Waddill on "Home Sweet-  
er Home."

Art was also discussed by the club  
during the session with the club  
members telling of some recent ex-  
hibitions that they had attended, the  
subject being "Sidelights of the Mod-

ern Exhibitions." The members  
brought in many interesting and in-  
structive sidelights.

At the conclusion of the program,  
Mrs. Rose served delicious refresh-  
ments to the following members and  
guests: Mesdames I. W. Hughes, A.  
J. Davis, M. F. Legg, W. B. Daddill,  
Kate Watkins, S. T. Peace, W. B.  
Parham, J. T. Alderman, B. G. Allen  
and J. M. Peace, members, and guests  
were Mrs. George A. Rose, Jr., Miss  
Margaret Harris, Mrs. Sam Watkins,  
Miss Billie Rose and Mrs. Herbert  
Jackson.

**M. P. Auxiliary Ends**  
**Missionary Year**

The Woman's Auxiliary of the First  
Methodist Protestant church held its  
last meeting of the missionary year  
at the church Monday evening.

Miss Gertha Trogden conducted the  
devotionals.

The business session was presid-  
ed over by the president, Mrs. Clyde  
Finch. Reports of the year's work  
were given by all officers, standing  
and special committees which were  
most gratifying. The auxiliary treas-  
urer reported all pledges paid and  
sufficient money promised to com-  
plete the year's budget in full. Special  
committees reported new rugs and  
curtains purchased for the parson-  
age, more dishes for the church  
kitchen, new shades and curtains in  
the various class rooms and twenty  
five dollars raised to apply on a new  
floor covering for the Sunday school  
auditorium.

The auxiliary voted to send a copy  
of the M. P. Herald to the local san-  
atorium for the patients there.

The pastor urged the ladies to come  
with their families prepared to help  
observe the Fifth Sunday Rally, which  
will be held in the church Sunday,  
March 31. This service will begin at  
11 o'clock and lunch will be served  
in the basement at 12:30 o'clock. At  
4 o'clock, the A Capella Choir from  
High Point College will present a  
musical program at the Stevenson  
theatre. The public is cordially in-  
vited to attend.

The nominating committee gave  
their report of officers for the new  
year, which was accepted as follows:  
President, Mrs. Walter Grissom, vice  
president, Mrs. J. M. Baily, secretary,  
Mrs. L. R. Gooch, auxiliary treasurer,  
Mrs. S. R. Watson, local treasurer,  
Mrs. R. W. Dixon, Rev. L. R. Med-  
lin dismissed the meeting with pray-  
er.

**School Control Is**

the House, is slightly different than  
at first planned, since it provides for  
the retention of all of the eleven mem-  
bers of the commission, one from  
each congressional district. But it  
would add all of the members of the  
State Board of Education to the com-  
mission as ex-officio members and  
thus increase the membership of the  
commission to 18 members. It had  
originally been planned to decrease  
the number of appointive members  
from eleven to five and then add all  
the members of State School Board.  
This, according to the school leaders  
sponsoring the bill, would have given  
the school forces control of the com-  
mission, since they figured they could  
control a majority of the members of  
th school board as well as a majority  
of the five members to be appointed  
by the governor. They also believed

**TRY THIS NEW**  
**FOOT REMEDY**

Costs Little and Makes Feet Feel Fine

Foot sufferers rather round: get  
right up close and listen. Here's good  
news for you.

The real "Corn Killer" is here at  
last. Ice-Mint, the New Discovery is  
said to quickly and foot misery.  
Hard corns, soft corns, or corns be-  
tween the toes, also toughened cal-  
louses, just shrivel up and lift off  
easy. It's wonderful. There is no  
pain or soreness when applying Ice-  
Mint or afterwards, and it doesn't  
even irritate the skin.

Think of it: just a touch or two of  
that cooling, soothing Ice-Mint, and  
real foot joy is yours.

Ice-Mint prevents foot-odors and  
keeps them sweet and comfortable.  
It is the real secret for fine, healthy  
feet, and keeps you free from foot  
troubles. Every person who has suf-  
fered with stubborn corns or tender  
feet can appreciate the cooling, sooth-  
ing comfort that it brings; especially  
women who wear high heeled shoes,  
and men who have to stand all day  
on their feet. Try it. Get a few cents  
worth of Ice-Mint from your druggist  
today and give your poor, tired, suf-  
fering, burning feet the treat of their  
lives. There is nothing better.—Adv

it would give them a distinct advan-  
tage to have the State superintendent  
of public instruction as chairman  
rather than the lieutenant governor.

But the fact that their original  
plans leaked out and were given pub-  
licity last week evidently caused them  
to change their plans with regard to  
reducing the number of appointive  
members of the commission, and to  
pin their hopes on the three new mem-  
bers of the commission that would be  
attorney general, the secretary of  
added under the McDonad bill—the  
state and the State auditor, all three of  
whom are members of the State board  
of Education. The other members of  
the board, namely the governor, the  
lieutenant governor, the State super-  
intendent of public instruction, and  
the State treasurer, are already ex-  
officio members of the State School  
Commission.

It has been conceded for years that  
the State Board of Education is more  
or less of a "rubber stamp" board  
that usually does whatever the State  
superintendent wants it to do, because  
its members are for the most part too  
busy with their regular duties as State  
officials to have any time to devote  
to school matters. Most of them ad-  
mit they know very little about school  
administration. About the only duty  
of the State Board of Education is to  
award the contract for textbooks pre-  
viously selected by the State Textbook  
commission.

By putting the six members of this  
board on the school commission with  
the State superintendent rather than  
the lieutenant governor as chairman,  
the expectation of the school forces  
evidently is, as they have confided to  
some members of the legislature, that  
they could control all the members  
of the State Board of Education and  
enough of the eleven appointive mem-  
bers to get control of the commission.  
For the belief is that the members of  
the State Board of Education would  
continue to give their "rubber stamp"  
approval to whatever the State su-  
perintendent control over the spending  
of the \$20,000,000 a year or more of  
State school money, which is regard-  
ed as the chief objective of this entire  
maneuver.

PATTERN 9335

If you're having to watch your po-  
tatoes and desserts these days, here's  
a quick way to a slender appearance!  
It won't make you lose weight, but it  
will make you look as if you had. The  
cape, of course, conceals any bulges  
of the upper arm, and makes the hips  
and waist appear slim. That diagonal  
closing—always a flattering line—is  
new when combined with a cape, and  
smooths the bodice to reduce the ef-  
fect of the bustline. Make this lovely  
dress in a fairly small patterned  
print—silk crepe, cotton or triple sheer  
—the shops are showing them in ex-  
quisite colors. And for a fatal bit of  
charm, add lace at the neck.

Pattern 9335 may be ordered only  
in sizes 36, 38, 40, 42, 44 and 46. Size  
36 requires 3 7/8 yards 39 inch fabric  
and 7-8 yard 2 1/2 inch lace.

Send FIFTEEN CENTS in coins or  
stands (coins preferred) for EACH  
MARIAN MARTIN pattern. Be sure  
to write plainly your NAME, AD-  
DRESS, the STYLE NUMBER and  
SIZE of each pattern.

Send your order to Daily Dispatch

**WAKE UP YOUR**  
**LIVER BILE—**  
**WITHOUT CALOMEL**  
And You'll Jump Out of Bed in  
the Morning Rarin' to Go

If you feel sour and sunk and the world  
looks punk, don't swallow a lot of salts, min-  
eral water, oil, laxative candy or chewing gum  
and expect them to make you suddenly sweet  
and buoyant and full of sunshine.  
For they can't do it. They only move the  
bowels and a mere movement doesn't get at  
the cause. The reason for your down-and-out  
feeling is your liver. It should pour out two  
pounds of liquid bile into your bowels daily.  
If this bile is not flowing freely, your food  
doesn't digest. It just decays in the bowels.  
Gas builds up your stomach. You have a  
thick, bad taste and your breath is foul.  
Skin often breaks out in blemishes. Your head  
aches and you feel down and out. Your whole  
system is poisoned.  
It takes those good, old CARTER'S  
LITTLE LIVER PILLS to get these two  
pounds of bile flowing freely and make you  
feel "up and up." They contain wonderful,  
harmless, gentle vegetable extracts, amazing  
when it comes to making the bile flow freely.  
But don't ask for liver pills. Ask for Carter's  
Little Liver Pills. Look for the name Carter's  
Little Liver Pills on the red label. Reagent a  
substitute. 25c at drugstores. ©1931 C. M. Co.
