

## THE GOLD LEAF.

ESTABLISHED 1881.

—BY—  
THAD R. MANNING.

THURSDAY, DEC. 16, 1909.

28 YEARS OLD.

With this issue the GOLD LEAF closes its 28th year.

There is much that might be written on an occasion of this kind—retrospective, introspective and prospective.

But why take up the time and space.

The past cannot be recalled even if we would improve upon it.

The present only is ours and the future we can only hope for.

It is well with us that it has not been worse—and we have much to be thankful for.

That the paper has survived as long as it has (under the guiding hand that launched it) is encouraging evidence at least that moving and acting in the sphere in which it conceived to be its mission it has not labored altogether in vain.

There have been dark days of trials and struggles to be sure, but these have been far outnumbered by the spaces along the path upon which no shadow was cast.

Upon the whole time has dealt kindly with the paper and again at this blessed Christmas tide—sacred season of "Peace on earth, good will to men,"—THE GOLD LEAF dedicates itself afresh to the duties which lie before it.

1881. December 1909.

PRESIDENT TAFT has nominated Judge Horace H. Linton of Tennessee, to be Associate Justice of the Supreme Court of the United States, to succeed the late Justice Peckham.

The State Tax Commission submits its annual report which shows that North Carolina's taxable values are \$576,115,170. Total taxes levied in the State amount to \$8,029,574.06. Individual tax payers pay 72 percent of taxes, public service and industrial corporations 25 per cent.

SEND a few copies of this issue of the GOLD LEAF where they will do most good in advertising the community and drawing capital and home seekers to this goodly town.

How do you like the getup of the GOLD LEAF this week? In size and appearance and subject matter it may be ever so good and creditable, but the thing that pleases us most is the possibility of far reaching influence and permanent value to the community, that such a publication may be.

TWENTY-EIGHT years of actual existence, about twice that number as experience counts—and then record for good measure—that is the record the GOLD LEAF holds out with this issue. December 15, 1881, the paper had its beginning, the present editor standing sponsor for its being. And he has taken all the blame and given all promissory notes incident to its publication since. There has been no change in the management but genius of a high order has been required at times to keep the management in change.

Those Charlotte folks have a way of doing things that attracts attention, and the result is that all the world may "Watch Charlotte Grow." The American Trust Company, one of the largest banking institutions of the "honest nest" city, has just completed a handsome building that on paper has much the appearance of a New York skyscraper office building, and formally opened it on the 15th. Beautifully lithographed invitations to the opening were sent out, and it was doubtless made a great occasion. The GOLD LEAF received an invitation which was appreciated although it could not be accepted.

Chamberlain's Cough Remedy never disappoints those who use it for obstinate coughs, colds and irritations of the throat and lungs. It stands unrivaled as a remedy for all throat and lung diseases. Sold by all dealers.

Madras Curried Apples. A dish to serve with pork chops is made of thin slices of apples and onions fried together in butter, with a sprinkling of curry powder as seasoning. A recipe similar to that just given is a foreign one called Madras curried apples. Peel and core four apples. Cut them in rings. Sprinkle with a little curry powder and fry till brown, adding as they cook a few shallots cut in thin slices. Cover the mixture and let it cook until done. Serve on a platter with boiled rice and a curry sauce.

For a curry sauce use a white sauce flavored with curry or a drawn butter or black butter sauce flavored in the same way and prepared from the drippings in the pan.—New York Tribune.

After exposure, and when you feel a cold coming on, take Foley's Honey and Tar the great throat and lung remedy. It stops the cough, relieves the congestion, and expels the cold from your system. Is mildly laxative. Sold by all Druggists.

A Roland For an Oliver. A young Baltimore man, who is quick to see a point and somewhat of a wit himself, walked into a shop the other day and asked for a comb.

"Do you want a narrow man's comb?" asked the attendant, all unconscious of his pun.

"No," said the customer gravely, "I want a comb for a stout man with rubber teeth."—Baltimore American.

## OUR ILLUSTRATED TRADE AND INDUSTRIAL EDITION.

The people of Henderson are to be congratulated on the showing made in the Illustrated Trade and Industrial Edition of the GOLD LEAF today.

The work of compiling and writing up the several firms and enterprises has been a laborious one, but the labor has been lessened by the hearty co-operation of our business men, to whom our thanks are extended.

Thousands of copies of this edition will be circulated and it is safe to say that this community will receive more publicity than has ever before been accorded Henderson, for illustrations, (made from photographs) tell their own story.

Herty, chairman of the athletic committee.

The University will be represented by student delegates at the International Student Volunteer Convention which meets in Rochester, N. Y., December 19th to January 2nd.

Chamberlain's Cough Remedy is a very valuable medicine for all kinds of lung troubles, quickly relieves and cures painful breathing and a dangerously sounding cough which indicates congested lungs. Sold by all dealers.

## RHEUMATISM.

Rheumatism—Indigestion.

I had been subject to rheumatism and indigestion for a number of years, and had one doctor's treatment after another for stomach trouble, until I was firmly convinced that doctors' medicine could not reach my case. It did not even relieve me. Whenever I would eat solid food, my stomach could not retain it, and I was constantly having vomiting spells after eating. My system became weakened and nervous. I was at that time County Treasurer. I became so nervous, and my hand became so shaky from it, that I could scarcely do the necessary writing. Finding I must change my treatment, I determined to try Mrs. Joe Person's Remedy. I bought three bottles of the Remedy, and by the time I took them I was better. Then I continued it, took it regularly over a year. Those vomiting spells would return for some time, but I stuck to the Remedy. Before I started on the Remedy, I was subject to severe attacks of rheumatism, and my legs and knees would swell so I could hardly turn in bed. I think that last, I have taken a hundred bottles of Remedy. It has made a perfect cure of my indigestion and rheumatism. It is the finest medicine I have ever found for breaking up colds. I have recommended it largely on my plantation to my tenants, and to my friends everywhere. It is a Remedy that never disappoints, and I cannot say too much in its praise. Would not take thousands of dollars for what it did for me. BERRY A. PARKS.

Aaron, Wayne Co., N. C., May 11, 1907.

Perfectly Unprejudiced.

Here the judge took a hand in examining the venereal.

"You don't seem to understand the questions addressed to you by the attorneys," he said. "What they want to know is whether you have formed or expressed any opinion in this case. That is to say, have you told anybody whether or not you believe the defendant guilty of the crime charged against him or have you said to anybody that you believe him innocent?"

"Course not, judge," answered the venerealman. "It ain't necessary for me to express no opinion about him. I've known him for thirty years, an' I know blame well he stole the cow."

"That will do, Mr. Skiles. You may stand aside."—Chicago Tribune.

The busiest and mightiest little thing that ever was made is Chamberlain's Stomach and Liver Tablets. They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one don't realize they have taken a purgative. Sold by all dealers.

With but one exception we do not believe there is another paper in the State that has been as long as 28 years under the same continuous editorial conduct. That exception is the Henderson Record, edited for more than a third of a century by Maj. Henry A. London, one of the best and truest men and one of the most conscientious editors in the State. The recent change in the management of the Wilmington Morning Star, that veteran editor, Maj. Bernard, retiring, and the death of our dear friend "Dolly" Thomas of the Louisville Times—left the GOLD LEAF in undisputed claim to the distinction mentioned if we are not mistaken.

## THEY INJURE CHILDREN.

Ordinary Cathartics and Pills and Harsh Physical Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night, do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Henderson only at our store—The Rexall Store. W. W. Parker, Druggist.

Perseverance.

"I remember," wrote Wesley, "hearing my father say to my mother, 'How could you have the patience to tell that blockhead the same thing twenty times over?' 'Why,' said she, 'if I had told him but nineteen times I should have lost all my labor!'"

## DIRE DISTRESS.

It Is Near at Hand to Hundreds of Henderson Readers.

Don't neglect an aching back. Backache is the kidneys' cry for help. Neglect hurry to the aid.

Means that urinary troubles follow quickly.

Dire distress, diabetes, Bright's disease. Profit by a Henderson citizen's experience.

J. P. Hayden, Garnett St., Henderson, N. C., says: "I am pleased to give a testimonial in favor of Doan's Kidney Pills as from personal experience, I know them to be worthy of praise. For a considerable length of time my kidneys were disordered and I was caused much annoyance by a frequent desire to pass the kidney secretions. I also had much pain through the small of my back and often after sitting in one position for some time, I was hardly able to arise. I used plasters and liniments but they only brought me slight relief and when I read about Doan's Kidney Pills, I concluded to try them. I procured a box at the Kerner-McNair Co.'s drug store and they soon drove away my trouble. Doan's Kidney Pills certainly proved of great benefit to me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Dollars for Doughnuts.

Contributed.

Last Saturday night just before his bed time my little son, 12 years old, looked down at his shoes and observed that they would need polishing before going to Sunday-school and church on Sunday morning. He requested me to bring him a box of shoe polish. I was going down town for the mail, a shoe and a shine, so I stopped at a store and obtained a box of "Mason's Challenge Blacking." As I looked at the picture of the dog who had seen his shadow in a book just polished by this splendid polish it waked a train of reflections in my memory. I recalled how in my childhood and youth I used to get shoes shined off the bark, carried to town and sold and I bought my first box of "Mason's Challenge Blacking." I was happy then.

The picture I tried to admire since in the great art galleries of the cities caused no such thrill of joy to me as did the dog, the two boys and the shadow in the book. But Edison when he saw it, showed an expression of sadness that was akin to pain. He expected me to bring him Whitmore's Two in One. But really, he prefers to have his shoes shined down town and sometimes does.

I think often of my father who owned a farm of nearly 500 acres, and was always free of debt, raising a family of 7 children to manhood and womanhood on what was raised on that farm by the labor of himself and children, and that his store account was only about \$150 a year. My father was a miser and a miser's son is a miser.
