The silver can be put into a codar tab, as silver becomes with metal, then cover it with hot water in which a tenspoonful of horax has been dissolved. It must be taken out immediately and laid on a soft linen cloth and each piece rubbed quickly with a dry chamois sam. It will look like new silver .-Sarah H. Henton in Stockman and Farmer. GOOD BREAD COMES

Useful Cooking Appliance,

An ancient kitchen utensil recently revived is the salamander tron, which may be made one of the most useful of fancy appliances. The salamander is a round disk of iron, quite thin and flat, and fastened to a wooden handle. When thoroughly heated over coals, the iron is held close to pastry and meringues, coloring them a beautiful brown. A delicious dish of spaghet-I to is made by boiling the paste in salted water, seasoning and sprinkling thoroughly with parmesan cheese. At the last moment hold the salamander close to the cheese long enough to scorch it slightly There is a piquancy about spaghetti gotten by those who once taste it.

Where Sponges Are Useful.

Sponges are really useless for bathing purposes and are articles which it is almost impossible to keep clean; still they should be kept on hand for all purposes where a sub-stance which will not leave traces any kind of black or derk goods, for washing windows, mirrors and glassware of all kinds, a sponge is best for this reason. When shoes and rubbers become muddy and must and Granite Company. be washed, a sponge is very useful, for it absorbs the dust and leaves no lint. Many different treatments are Swamp-Root, the great address remedy in soon realized. It stands the highest for its wonderful cures of the most distressing cases. "He and family did all the work, we wonderful cures of the most distressing cases "He and family did all the work, in clear cold water will remove any stain and leave the leather in good."

Dull Brass is Popular.

Dull brass has at present the high hand of popularity over the brass line with a highly shining surface. Most of the newest things are lusterless in finish, a decided relief after the long reign of the bright and glaring things in this line.
