CARD OF THANKS

We wish to thank all of our neighbors and friends for the kindnesses shown us during the sickness and death of our daughter.

Mr. and Mrs. J. H. Hines

Celebrated Violinist at Junior-Senior High School

Skovgaard, the Danish Violinist, who will appear in the High School Auditorium on Saturday night, February 11th, under the auspices of the High School, is an extremely large man, weighing nearly three hundred pounds and measuring six feet and three inches in height. Physically he is a worthy descendant of that powerful race of Vikings whose commanding statues caused a feeling of awe even to the sturdy Romans of Caesar's time. Conforming to the proverbial good nature of most large people, Skovgaard is also a most likable man and makes friends wherever he goes. But within his powerful frame is secreted a more potent force than any which the exercise of muscle alone could produce. It is the power to interpret the soul of music, and from the first stroke of the bow on the strings of his matchless Stradivarius violin, all sense of form and size gradually give way to a delightful sense of rhythm, melody, music. Standing on the stage this colossal Dane is only music. Each movement of the body, while he is playing, is nothing but music, and the expression on his face tells you plainly that he is far away from you deep in "the land of tunes." Skovgaard comes to you not as a musical novice. His training under the greatest masters of Europe stamp him as "a consummate musician, the finished, polished, purposeful." Moreover, Skovgaard is an artist whose power has had time to mature and to gain those finer qualities of balance and resource of interpretation which can come in no other way than by the steady development of the musician himself in devotion to his inborn and chosen art. His repertoire is practically unlimited and years of experience on the concert platform has made him an adept in arranging his programs to suit the various requirements to be reckoned with in touring the United States, the most versatile of all countries. Skovgaard carries with him an able pianist and accompanist, and a delightful singer.

"LISTEN IRENE"

George E. Wintz producer of "Going Up", "Betty Be Good", "Cheer Up Mabel" and other high class musical comedies will offer the patrons of the Peoples Theatre on Tuesday, February 14th, his latest and greatest effort "Listen Irene." This production is regarded as the leader of its kind in the class of stupendous musical shows. The company numbers 35 players comprising such principals as Nyra Brown, John G. Getz, Helen Janis, Bill Barbee, Betty Earl, Seymour Sisters, Tom Moran and the Elks Quartette. From a fashion viewpoint "Listen Irene" is declared to be a real pace maker. In the Fashion Girl number it is said that the model will wear \$10,000 worth of gowns. The piece is in 3 acts and 13 scenes staged in a gorgeous manner, characteristic of Geo. E. Wintz offerings in other seasons. A lively chorus of Broadway Blondes, Brunettes and Titian haired beauties in feminine finery dance and prance on a gorgeous illuminated jeweled flirtation walk which extends back 20 rows into the audience.

Young Isaac E. Green Drowns in Roanoke

Boat Capsized With Green and Young Daniel. Death Due to Exposure

YOUNGEST SON OF DR. I. E. GREEN

On Saturday afternoon the 4th inst., an accident occurred at Weldon, that has cast a gloom over and saddened the whole community. The two boys, the sons of men who have been and are widely known, Isaac E. Green, the son of that beloved physician, the late Dr. Isaac E. Green, and his friend, Walter E. Daniel, Jr., the son of Mr. Walter E. Daniel, were overturned in a canoe in Roanoke river near the Atlantic Coast Line Railroad bridge. They were thrown in the ice cold waters of the river which had become greatly swollen by reason of the melting snows.

Both clung to the boat for sometime, and when it was about fifty yards from the Northampton side of the river young Daniel succeeded in swimming to the bank. Isaac told him to walk on down the bank that he would catch a tree. It is supposed that he was trying to save his canoe. This was the last time that the friends spoke to each other. The one reached the bank by swimming from tree to tree, and went on down the bank expecting his friend to either join him, or seek a place of safety in a tree. Isaac reached a tree, and spoke to two small boys who were on or near the bridge, Frank Cole and Arthur House, telling them to go to Weldon and get help and a boat. Young Daniel then went to a house of a colored man on the hill near the river, expecting Isaac to come at any moment. It required such a long time to go to Weldon that it was supposed that Isaac must have become numb by the cold and slipped back into the water. When found by those who came to rescue him his sweater had become entangled in a raft and nearly his whole body was submerged. Dr. Morehead and Suiter worked untrudgingly and heroically in an attempt to resuscitate him for more than two hours, but it was of no avail. It is understood that life was extinct when his body was first taken from the water.—Roanoke News.

Girl Scout Happenings

The eighth annual convention of the National Council of Girl Scouts met in Savannah, Georgia, during the last week in January.

Mrs. Warren G. Harding will serve as Commander-in-chief. The new president elected was Mrs. Herbert Hoover, who stands to the whole world as an ideal American woman, an ideal representative of America.

The following are a few titles of the many interesting talks given: Educational Value of Scouting, Carleton B. Gibson, Supt. of Schools of Chatham County; Girl Scout Camps, Mrs. Frederick Edey; 10,000 Captains for Girl Scouts Needed, Mrs. Hoover; Report on International Meeting Held Last October in England, Mrs. Juliette Law. Founder of Girl Scouting in America; Character Building in Girl Scout Work, Mrs. Arthur O. Choate, retiring president.

Despite the heavy snow storm on Sunday, January the 28th, the Girl Scouts attended services at the Episcopal church. Scouting was presented in a new way to many. Each girl went away with an individual message, which she had received from the appropriate sermon which Rev. Taylor gave in his usual simple direct manner. The talk was based upon the first Girl Scout promise—"I will try to do my duty to God and to my Country."

Mrs. F. M. Brown and the girls are hard at work learning how to bandage, give first aid, and making up beds. We feel very fortunate in having Mrs. Brown who had a great deal of experience in this line, gives us so much of her time and assistance.

The result of the Contest for the first month are:
Troop percentage—Pine Cone 81.2, Goldenrod—84.5, Red Rose, 45.5.

Highest Patrol—1st patrol Pine Cone troop, 1107, 6th patrol Goldenrod troop, 1154, 1st patrol Red Rose troop, 538.

Parent-Teacher Association

The Parent-Teacher Association of the Central School held its regular meeting Monday afternoon. In the absence of the president, Mrs. W. L. Long, the vice president, Mrs. Charlie Emry presided. The program was in the hands of the School Improvement Committee. After a short, interesting program by the children Mrs. Emry led a discussion on school improvement. She reported that sixteen trees had been planted on the school grounds, and that some window boards had been placed in the room to improve the ventilation.

Realizing the need of a play room on rainy days the committee proposes to raise funds to put a concrete floor in the basement. To raise this money they are going to begin by having a silver tea at the home of Mrs. S. F. Patterson on March 18th. Any citizen interested in this project and wishing to make a contribution toward it may see Mrs. Charlie Emry, Mrs. S. F. Patterson or Miss Hearne. We hope that many will respond to this need. If sufficient funds can be obtained they want to extend the concrete walk around the entire building.

For the better training and development of the children the committee is going to request the Board of Education to incorporate in their next building program plans for a gymnasium and a well equipped industrial art room for the Central School.
