A Regular Graduate of three medical colleges, has been longer engaged in the treatment of Chronic, Nervous, Skin and Hiood Discasses, than any other Physician in St. Louis, as city papers show and all eld residents know. Consultation at office, or by mail, free and invited. A friendly talk or opinion costs nothing. Medichnes sent by mail or express everywhere, securely packed, free from observation. Curable cases guaranteed; where doubt exists it is frankly stated.

Normus Prostration Dobility North

Nervous Prostration, Debility, Mental and Physical Weakness, arising from Inand Physical Weakness, arising from Indiscretion, Excess or Indulgence, producing some of the following effects: Nervousness, Debility, Dinness of Sight, Perverted Vision, Defective Memory, Fimples on the Face, Aversion to Society of Females, Want of Pleasures in Life, Want of Ambition, Undiness to Marry, Melancholy, Dyspepsia, Stunted Development, Loss of Power, Pains in the Back, etc., are treated with unparalleled success. Safely, privately.

A PERMANENT CURE GUARANTEED.

Blood Impurities and Poisoning, Mercurial and other Affections of Throat, Skin and Bones, Blotches, Eruptions, Old Sores, Ulcers, Painful Swellings, from whatever cause, positively and forever driven from the system, by means of SAFE, TIME-TESTED REMEDIES. STIFF AND SWOLLEN JOINTS AND RHEUMATISM, the result of Blood poison, positively cared.

Unnatural Discharges Promptly Cured. Catarrh, Throat, Nose, Lung Diseases, Constitutional and Acquired Weak-ness of both Sexes treated successfully; also Piles.

It is self-evident that a physician paying particular attention to a class of cases attains great skill. In this oldest house in America every known help is respred to, and the PROVED GOOD RESULDIES of all ages and countries are user. Charges are as low as can be made, using only the best. Avoid cheap promised cure-alis—they are useless and often dangerous. Every case requires specially prepared treatment. All are treated with skill in a respectful manner; and, knowing what to do, NO EXPERIMENTS ARE MADE. On account of the great number of cases analying the absence of the great number of cases analying the absence of the great number of cases analying the absence of the great number of cases analying the absence of the great number of the gre

Four justices of the peace.
Four constables.
The election precincts are described and bounded as follows:
First precinct—All of township 92 and 93, range 54. Fleeti-in to be held at the public scholhouse in the village of Gayville.
Becond precinct—All of township 93, of range 55, except sections 6, 7 and 18 in said township.
Fleetion to be held at Von Ins bouse in section 9, township 93, range 55.
Third precinct—Pownship 94, range 54 and that part of township 94, range 55, lying east of the Dakotariver. Election to be held at the public school house in school district No. 49.
Fourth precinct—Township 95, range 54.
Election at the school house in district No. 49.
Fif h precinct—Township 96, range 54. Election to be held at the house of John K. Rye in said township. BERLIN, Oct. 16 .- Prof. Virchow said he had read every line of Mackenzie's defense, but it was with great reluctance that he finally consented to touch upon a subject that in his opinion has been already more than sufficiently discussed. "In regard to the death of the Emperor Frederick," he began, "there is no doubt that he died from the after-effects of an inflammation of the lungs, brought about by the inspiration of gangrenous particles detached from the gangrenous surface of the trachea. This inflamma-tion could not have been caused by the Fif h precinct—Township 96, range 54. Election to be held at the hone of John K. Bye in said township.

Think precinct—That part of township 95, range 55, lying east of the Dakota river. Election to be held at the public school house near John McCabe's.

Seventh precinct—Township 96, range 55.

Election to be held at the school house in district number 36, township 96, range 55.

Eighth precinct—All of township 95, range 57.

Election to be held at the school house in district number 41.

Ninth precinct—All of township 95, range 57, and sections 1 to 5, both mousive, in township 94, range 57. Election to be held in the school house in district number 57, at Lesterville.

Ten h precinct—All of townships 93 and 94, range 57, except sections 1 to 6, both inclusive, in township 94, range 57. Election to be held in school house in district number 13.

Eleventh precinct—Township 96, range 56.

Election to be held in the school house in district number 21, at Jamesville.

Tweltth precinct—Township 95, range 56.

Election to be held at the school house in district number 48.

This electh precinct—Township 94, range 56. operation performed by Prof. Bergmann on April 12, as too long a time had elapsed since the operation. The inflammation, in my opinion, only antedated the emperor's death by a out one, or at most, two weeks. I can form no opinion as to what caused the gangrenous affection of the larynx, which already existed at San Remo. Whether this afterward descended into the trachea down to the artificial opening, I am not prepared to say. I can only say that what I have read of Sir Morell's defense does not speak of what he observed, but of what he thought and did. No one can form, from his defense, any opinion as to the nature and extent of the original

Twelfth precinct—Township 95, range 56.
Election to be held at the school house in district number 48.

Thit seemth precinct—All of township 95, range 56, west of Broadway street in the city of Yankton. Election to be held in the office of St. Croxx lumber company on Broadway.

Fourteenth precinct—All that part of the city of Yankton lying east of Broadway street and west of Donglas avenne. Election to be held at the country actions of Yankton lying east of Donglas avenne. Series 6, west of Broadway street in the city of Yankton. Seventee the precinct—All that part of the city of Yankton by Sange 55.

In a sham fight Great Britain is said to have proven to herself that the defenses of Halifax harbor are no good. The Harvard University cricket club has formally challenged Yale to play one or more games of cricket next spring, but as Yale has no club, and there is very little interest there in that sport, the challenge will probably be declined.

Joseph W. McCann, a compositor on the New York Mail and Express, has per formed the astonishing feat of setting 2,127 ems of solid nonpareil in one hour, on a wager of \$25 with Joseph Haley, of the Times, that no compositor in New York City could set 2,000 ems in an hour. The feat was performed in the Sun com posing room.

THE BURLINGTON STRIKE.

Report that Manager Stone and the

CHICAGO, Oct. 16 .- The statement is published that some time ago the local grievance committee of the Brotherhood of Locomotive Engineers held a secret meeting, at which General Stone was

meeting, at which General Stone was present, and it was by his request that the meeting was held, as he expressed a desire of conferring with the men.

Stone is said to have conceded all the points asked by the men, except the classification system. He also agreed to take back 500 out of the 1,700 that went they are the state of the state

classification system, and therefore no settlement was arrived at. A second conference was held, at which Stone promised to pay the men the standard wages, as paid on other roads, and to take back all the men who struck, but is still firm in not giving in to the classifi-cation system. He promised to think the matter over, but has not been heard

from since. This, it is said, was the state of affairs when the Chicago delegates to the Brotherhood convention, to be held in Richmond, Va., left for that city. At the offices of the company it was denied that Manager Stone had attended any meeting of the Brotherhood.

Symptoms of Catarrh.

A profuse and many times excessively of the note at times, impairment of the sense of smell and taste, watering or weak eyes, impaired hearing, irregular appetite, occasional nausea, pressure and pain over the eyes, and at times in the back of the head, occasional chilly sensations, cold feet, and feeling of lassitude and debility, are symp'ones which are ecmmon to catarrb, yet all of them are not present in every case. Dr. Sage's Catarrh Remely ones catarrh in its worst forms and stages. It is pleasant to use, and contains no poisonous or caustic drugs. Of druggist for 50 cents.

A curious bird, with the wings of an owl and the face of a monkey, was caught the other day down in Virginia, and will be sent to the Smithsonian institute for exhibition.

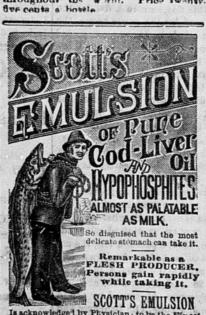

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We gives no description of the growth as it originally appeared, nor of its development during the summer of 1887. He chase price if estisfactory results do not hesitate to guarantee them every time, and we stand ready to refund the purchase price if estisfactory results do not chase price, if eatisfactory results do not their use. These remedies have follow won their great popularity purely on their merits. Purdy & Brecht, Druggists.

Have You Any Idea What It Costs TO MAKE A CHICAGO DAILY NEWS?

You haven't? Well, let us give you just a glimpse into the business, perhaps it will

To begin with, the work of the paper is divided into Seventeen Different Departments. each under its own responsible Superintendent. Let us take them in order as they stand on the weekly pay-roll:-

editors, city editors, telegraph editors, exchange editors, editorial writers, special writers, and about thirty reporters. The DAILY News staff is admittedly without a superior in the West, and

2. The Telegraph Room.—To save time special wires are run into The Daily News building, and the paper's own operators take the messages and hand them immediately to the telegraph editor. The

the hands of the proper revising editor it goes to the type-setter. There are a good many of him in The Dally News office—on an average . . 73

4. The Linotype Room.—But the compositor doesn't do all the type-setting. The "Linotype" machine

"sets type" by casting a line-of-type, on somewhat the same principle as the type-founder casts a single type. Fourteen of these machines are in use in The Dally News office, and the number of persons required in this department is . . 5. The Artists' and Engravers' Department.-But the metropolitan daily now gives its readers not only reading matter, but also illustrations. By the aid

the best newspaper illustrations in America. This takes the best service of skilled workers to the 6. The Stereotype Foundry.—The matter—type and pictures—being now "locked up" in the "forms" the work is next transferred to the foundry. A metrowork is next transferred to the foundry. A metropolitan daily no longer prints from its type. In
order to print a large edition quickly it is necessary to multiply the printing surfaces, and this is
accomplished by casting duplicate stereotyped
plates, from which, after they have been fastened
the victoria is done. Of stereoand the pay roll runs from \$5,500 to \$6,000 per week, aggregating during the year \$300 000.

to the presses, the printing is done. Of stereo-typers The Daily News requires 8 7. The Press Room .- THE DAILY NEWS uses six double

I. The Editorial Department.—This includes managing 8. The Mailing and Delivery Department.—"The mailers and the delivery clerks handle over a million

papers a week. The force numbers 25 9. The Engine Room.—To supply the motive power requires three steam boilers of 175 horse-power capacity, and three engines with an aggregate of 270 horse-power. All departments are lighted by the Edison incan-descent system, which here comprises three dynamo machines and 500 lamps. The employes of this

manufactured article, and it is the business of this department to develop the market for it. The average number of workers is 16 out-of-town, whether of individual readers or whole-sale news agents, pass through this department, and

this department employs on the average . . . 17

12. The Business Office.—The general clerical work of the paper, such as receiving and caring for the advertise-ments—of which over fifteen hundred are received

13. The Care of Building requires the constant service of of good artists, zinc etchers and photography by electric light THE DAILY NEWS is now printing

15. The New York Office.—This engages the entire time of a general manager and assistant 2

The Washington Bureau.—In charge of its own special Washington staff correspondent . . .

Milwaukee Bureau .- To facilitate Northwestern

gating during the year \$300,000. there is even a larger annual expenditure for white paper, and telegraph and cable tolls sometimes run nearly a thousand dollars a week. Take it all together the expenditures of THE DAILY NEWS for the year 1888 will vary very little from \$900,000.

The foregoing takes no account of the special correspondents at bundreds of places throughout the country; of European correspondents; of fifteen hundred news agents throughout the Northwest who distribute The Daily News to its out of town readers; of two hundred city carriers; of forty-two wholesale city dealers with their horses and wagons; of one hundred and fifty branch advertisement offices throughout the city, all connected with the main office by telephone, nor of the about three thousand newsboys who make a living, in whole or in part, selling The Datly News in Chicago. This is what it costs the publisher to make a CHICAGO DAILY NEWS. It costs the reader to buy it one cent a day. Measured by the cost of its production, THE DAILY NEWS is worth its price, isn't it? The Chicago Daily News is sold by all newsdealers, or will be mailed, postage paid, for \$3.00 per year, or 25 cents per month. Address
VICTOR F. LAWSON, Publisher The Daily News; Chicago
