GIANTS WIN AND LOSE TO REDLEGS

Cincy Team Takes First Game 2-1, But Giants Capture Second by 4-1.

Cincinnati, July 18.—Although the Giants outbatted the Reds by 24 hits to 16 in two games yesterday afternoon, scored a total of 5 runs to 3 by the locals, outfielded them and outran them on the bases, yet they only won one of the contests. The Reds took the first by 2 to 1 and the Giants the second by 4 to 1.

Failure to bunch their hits explains the defeat of the Giants in the opening game. They collected 12 solid thumps off the delivery of Pete Schneider, but got only one runner across the plate. Every time the Giants got men on bases they either hit into double plays or else filed out.

It was in the fifth also that Perritt had his one bad inning and in which the Reds entered off with the game. The Giants had chances to score in the seventh, eighth and ninth frames, but failed to take advantage of their opportunities to bat in runs.

Red Causey, who appears to have developed into the main salience of the Giants on the mound, came to the rescue in the second game and held the Reds down close and safe. A double by Groh at the beginning of the eighth session, followed by two outs at first, gave the Reds one run and saved them from a shut out.

TY COBB TO PLAY WITH COLONIALS AGAINST MURLINS

New Haven, July 18.—It was announced last night that Ty Cobb, premier batsman of the American League, is to play first base for the Colonials against the New Haven Eastern leaguers in the first game of their series at the Lighthouse Point grounds Sunday.

It was only a few weeks ago that Cobb was batting considerably less than .300, far below his form of past years, and fans had begun to think that his star was on the wane. Then he started a terrific hitting streak, and each day saw him pass one or more of the players who stood between him and the top rung of the ladder.

The fans had surely got to hand it to George Weiss for bringing to this city the best baseball talent available, for he has earned for himself a reputation as a going tough with what he attempted. He has brought practically every big league club here at different times in the past few years, and pitted them against his famous Colonials, who are now recognized as one of the strongest baseball teams in the country.

Not content with getting the great Georgian for the coming game, Weiss also says he will probably pitch Ray Fisher, which will be another attraction worth going miles to see. Ever since Fisher pitched that great game against the White Sox a couple of weeks ago fans have been clamoring for his return, and as Bender has not yet been restored to good standing with the National Commission the former Yankee twirler will be secured if such a thing is possible.

ZBYSZKO AGAIN OLIN'S MASTER

Latter Receives Injury After 30 Minutes Wrestling and Zbyszko Wins.

Hartford, July 18.—A large crowd turned out last night to witness the long promised Olin-Zbyszko wrestling bout at the Grand theatre. Zbyszko was given the decision after Olin suffered a severe hurt after a half hour of wrestling.

The men took the mat at 10 minutes of 10. Referee Livingston announced the rules to govern, the main point being the barring of the toe hold and rather surprised the house by including the barring of the strangle. The men then came to grips and the crowd settled back for what looked like a long session, for Olin showed plainly that he was absolutely his equal at every turn of the game, and the weather being rather muggy they worked slowly.

After 30 minutes of wrestling, Olin locked his arms about Zbyszko's body while both were on the floor. Wladek somehow disengaged his arms and brought them around so that they were behind him and formed sort of a back full Nelson on Olin. Still in that position he got to his feet carrying Olin with him and with Olin clear of the floor, flung him over his head and landed with his entire weight full on Olin's head.

Zbyszko afterwards spoke to the crowd and thanked them for their donation to the White Cross and then gave a short talk in Polish for the people of the race that were present.

Dempsey's Physician Says Injury to Foot Will Not Delay His Training.

New York, July 18.—It was definitely decided yesterday at a meeting between the managers of Fred Fulton and Jack Dempsey that the pair would meet at Harrison Field, Harrison, N. J., on Saturday afternoon, July 27. The bout will be held under the direction of the Hudson County Sportsman's Club of Harrison, of which Jack Curley is matchmaker and manager.

For a time it did not seem that it would be possible to hold the bout on the day first selected, owing to the injury to Dempsey's ankle. The big fellow turned his left foot in training for the bout that he was to have fought with Billy Miske at Madison Square Garden Tuesday night. Dr. James Thompson examined the ankle yesterday and told Dempsey that he would be able to resume training by Saturday next.

On this assurance Dempsey's manager, Jack Kearns, agreed on July 27 as the day. Fulton will arrive in New York today and after a preliminary workout at Billy Grupp's gymnasium he will repair to Douglaston Inn on Long Island to finish his conditioning. Dempsey has selected Long Branch as his training quarters.
