With the July 4 mark passed, mafor league ball fans are centering their optics on the pennant races in the National and American leagues, As a rule the teams that head the packs in the American and National leagues on July 4 are bang up favorites to win the pennant.

This is only partly true today for the reason that both races are two club affairs. The champion Cleveland Indians are barely holding their own with the heavy hitting Yankees stepping on their heels. The surprisingly chipper Pittsburgh Pirates have managed to keep paces ahead of John McGraw's pennant hungry Giants in the National League.

Pays His Fight Bet In Pennies

One jitney driver on the Paradise Green line won a lot of money on the fight. He is Steve Shoemaker. At least he thought he had won a lot, when he felt the weight of the bundle. "Tricky Jimmy" was the cheerful loser. He paid his bet with a hundred pennies, which is a big bunch of coin to transport on a jitney bus. Latest reports are that Shoemaker was temporarily peeved.

The fate of the Yankees may hang on what they can do in the west. The same may be said of the Pirates, playing in the east. And neither team is going to have an easy row to hoe. The coming series, there fore, will leave the Indians and Glants with everything in their fa vor for building up percentage and if they are to keep in the scramble they will have to take advantage of it.

Tris Speaker's team so far this season has shown the best fight-ing spirit of any club in either league. Time after time the In-dians have overcome leads by dians have overcome leads by their opponents, coming from be-hind to win with a rush in the last few innings. They have this to thank for the fact that they are leading their league today.

In the case of the Pirates the situation has not changed in more than a month. It is the same old question of whether or not Money Gibson's pitchers will be able to hold out. If they crack the Glants will pass them sure, and once in the van McGraws team will be about as easy to catch as a handful of wild eels. to catch as a handful of wild eels.

Some of the more rabid fans at the conclusion of the game vented their feelings by hurting stones at the arbiters. Some lively doings in the national pastime realm can be expected at Newfield Park today and tomorrow when Waterbury will be the opponents of the speedy Brown Derby aggregation. Flushed with two wins in the Brass City the McCann outfit is set to make a clean sweep in the series. With the best twirling staff in the league and the B. Brassco Pair Fined.

It was a scrappy affair and Umpire McLaughlin had a busy session in dispensing justice to the obstreperous Waterbury team. The league treasury was enriched by \$35, as a result of a \$10 fine levied on Joe Cosgrove and a \$25 punishment meted out to Leo Dowd, the Brass City second sacker.

Fast fielding asserted itself in the seventh round when House faltered by passing the first three batters. It was a signal for the Brass City rooters to "cut loose" and they whooped things up in noisy style, but all to no avail. House pulled himself together and the next three batters went out via the infield route. It was a golden opportunity for Waterbury.
