Two Serious Accidents at First Annual Society Event Mar Tournament.

## OLD BALLOON DOES WELL

Professor Mack, of Bridgeport, in Only Successful Flight—Motor Cycle Races Exciting.

New York, Nov. 3.—Two accidents of a serious nature marred the first annual tournament of the Aeronaute society, held today at Morris Park, in the presence of a crowd of several thousand spectators. Lawrence J. Lash, of Montreal, the record holder for towed flights in a glider, dropped a distance of forty feet, sustaining a fracture of his right leg, and Fred Young, an eight-year-old boy, was struck by a motor cycle and badly lacerated. The only successful flight was that of Professor John Mack of Bridgeport, who ascended 5,000 feet in an old fashioned hot air balloon.

The more modern airships were either unable to rise or else met with accidents when they did leave the ground.

The motor cycle portion of the program, however, furnished many exciting finishes.

### 25 PUG IN DREAMLAND.

Battling Nelson Has Fought Eighty-one Fights of 600 Rounds.

Advanced proofs on the "Life of Battling Nelson," a book which will chronicle the biography of the light-weight champion, have been received by the publisher.

In the statistical end it shows that Nelson, engaged in eighty-one fights of 600 rounds. Forty-six of these battles were victories, twelve of them defeats and twenty-three of them draws. He knocked out opponents twenty-eight times.

"To be truthful about this matter," said Nelson, "these fights have netted me over \$30,000, and I have taken down over a third more in that time. All this is soundly invested, and when I retire I will be independently rich."

In Nelson's book the champion will tell of his first fight in Hogewash, Ill., on September 3, 1900. He knocked out the "star" of the Wallace circus, who was taking on all comers. For this he received \$1. When he went to look for his coat he found that it was missing, and at the same time a pay envelope containing a week's salary, \$5.50, and a Waterbury watch were gone.

"That \$5.50 looked mighty big to me then," says Nelson. "But now it is different. I was paid \$1,200 at the Trocadero theater in Chicago showing with the pictures."

### PEOPLE "SCARED TO DEATH"

That is "Fling" Connors' Explanation for Loss of Kings.

New York, Nov. 3.—At democratic state headquarters there was the feeling of security for the state ticket throughout the early evening and hope for the election as governor of the present lieutenant governor, Lewis S. Chanler, was not abandoned at 10 o'clock. At that hour State Chairman Connors said:

"It is still a horse race. I figured on 150,000 in Kings. The people were scared to death. They were not to think what was not true. I really did all that I could. It looks as though Hughes would come down to the Bronx with 100,000 plurality."

### \$30,000 FOR BURNS.

Heavyweight Champion to Receive That Price for Fighting Johnson.

Chicago, Nov. 3.—Tommy Burns likes Australia, according to a letter received in Chicago from the heavyweight champion, but, what is of more importance, he tells about his battle with Jack Johnson for the title which will take place December 26 at Sydney.

"You know that I have signed to meet Johnson," Burns says. "But you may not know that I am getting my price—as I always said I would, \$30,000 (\$30,000), and it is all up in the referee's office in London. Johnson gets \$1,000 (\$5,000) win or lose, and an extra \$100 (\$500) for his end of the moving pictures and three round trip tickets from London."

### ROW AMONG CUBS.

Chance and Murphy Disagree Over Proposed Trades.

Chicago, Nov. 3.—Verification of the report that President Charles Webb Murphy and Frank Leroy Chance had a disagreement which may result in a split in the ranks of the world baseball champion Chicago Cubs is at hand. Chance stated just before leaving for his California home that he had taken his stand in the case, and that unless Mr. Murphy could put forth an argument that would show him that he (Chance) was wrong he would not give in in any way. He said that money had not been the cause of the disagreement, but intimated that he would not stand for any deals or trades with any other clubs. He says that if he and Murphy cannot reach an agreement the best plan would be to trade him to Cincinnati for Lobert, Hobbitt and a cash consideration. Murphy stated that the row had been caused by a trivial matter and could easily be settled.

### MOTOR CYCLE RACE.

New York, Nov. 3.—The five-mile championship race for motor cyclists held at Morris Park this afternoon under the auspices of the Federation of Motor Cyclists was won by Walter Goerke, of the National Athletic club of Brooklyn; Fred Huch, of Chicago, second, and A. G. Chapple, of the New York Motor Cycle club, third. The time was 5 minutes 22.5 seconds. Huch held the championship the past year.

### REPRESENT LEAGUE.

Clarkson and O'Rourke Go West for Meeting of Baseball Clubs.

Manager James H. Clarkson, of the Hartford baseball club, said yesterday that he will leave Hartford Saturday for Chicago, where, with James H. O'Rourke, secretary of the Connecticut league, he will represent the league at the annual meeting of the National Association of Professional Baseball Clubs, which will be in session three days next week. After the meeting Mr. Clarkson will go to St. Louis, Louisville, Cincinnati, and possibly other cities in the middle west, in search of players for the Hartford team to make good the serious breaks which it has sustained by draft.

"There's no use in waiting for players to apply, nor in expecting some of the drafted players to be turned back," said Mr. Clarkson. "I'm going after them. I should not be surprised if more of the players which I have under reservation should be gobbled up before the drafting season ends, and if they are I would leave me in a bad hole. I've got some real money to take along with me, and calculate I can use it to good advantage."

### LANGDALE HAS WALKOVER.

Trims Cornell in City Pool Tournament by Score of 100 to 45.

Before the largest crowd of the season Arthur Langdale had no trouble in disposing of Bobby Cornell in the tournament for the city pool championship at the Eagle billiard academy last night by a score of 100 to 45.

Langdale started off like a whirlwind, making the highest run of the tournament up to date, 28 balls, and continued his excellent playing right through the game. The score:

Langdale—15, 13, 11, 6, 4, 12, 12, 9, 8, 8—100.  
Cornell—0, 2, 4, 9, 2, 3, 5, 7, 2—45.

Referee, Ford; high run, Langdale, 28.

To-night W. Ford will play Langdale, and to-morrow night the banner game between Wurtz and Cooper will take place.

The largest gain is in the law school, where the registration is 438 as compared with 389 last year. The total number of professors and other instructors is 402.

## Scenes At the National Horse Show, Madison Square Garden, New York

Despite reports that interest in the national horse show is on the wane by reason of the popularity of the automobile, the sale of seats for the event which opens in Madison Square Garden, New York, on November 9 has been unusually heavy. More out-of-town requests for tickets have been received this year than is customary. Delegations of society people from Chicago, St. Louis, New Orleans, San Francisco, Minneapolis, Kansas City and Denver will be in attendance. An innovation this year will be in the exhibiting of a carriage owned by General George Washington. The following are the judges: Thomas C. McDowell, James B. McClellan, Joseph E. Wilner, Senator C. W. Barnum, William Pollock, David M. Lock, Jay F. Carlisle, E. von der Horst Koch, Louis Halght, E. Vivian Goeck, Colin Campbell, S. Taber Willets, Charles E. Bunn and C. C. Runyon.

## NEWS OF THE STATE

First Accident on Woodbury-Waterbury Trolley Line Yesterday.

### FIRE IN THOMPSONVILLE

Body Found on Roof of Hartford House—Chaffeur Held in Big Bail.

Woodbury, Nov. 3.—The first collision on the new Woodbury-Waterbury trolley line may cost a life. It happened late this afternoon at a point about a mile from Woodbury, Main street, on a heavy grade. A trolley was coming into Woodbury from Waterbury when a gravel train which was behind it broke apart. One car on which there was no brakeman overtook the trolley and smashed into the rear platform. Conductor Scott and Samuel Clarke Harvey, the latter a Yale medical student, were on the platform. Scott was crushed and he was sent into the Waterbury hospital to save his life. Harvey had his right foot crushed. The other passengers in the car were badly shaken up but apparently none was hurt. The car was well battered by the force of the collision.

Mr. Harvey was on his way home, he belonging in this town.

### Thompsonville Threatened.

Thompsonville, Nov. 3.—The business section of this town was threatened by fire this evening which broke out in the William Bogg block, but after hard work of the firemen it was extinguished with \$5,000 loss. The fire was caused by the explosion of a lamp on the second floor which is used as a tenement.

### Body Found on Roof.

Hartford, Nov. 3.—The body of William O'Connell, about forty years old, was found early today on the roof of a building of the Acton Brewing company on Windsor street. Death was due to heart trouble and alcoholism. O'Connell was formerly employed at the brewery. It is thought that he climbed up on the roof to sleep and died there sometime during Sunday.

### Chaffeur Held.

Hartford, Nov. 3.—William H. Phair, the chaffeur who was driving the automobile which ran down and killed Robert C. Kerriman on Farmington avenue Saturday night, was arraigned on the charge of manslaughter in police court today. The charge being changed from reckless driving and evading responsibility following Merrill's death yesterday. The case was continued to Friday under a bond of \$5,000. Phair went to jail.

The Berkeley Men's club will hold its weekly session this evening at the City Mission house, No. 201 Orange street. The speaker during the "social hour" from 8 to 9 o'clock will be the Rev. ### HEADQUARTERS CHEERFUL.

Hitchcock Confident from First of Polling 325 Electoral Votes.

New York, Nov. 3.—Nowhere, perhaps, in New York city was there a more cheerful spot to-night than republican national headquarters in the big tower overlooking Madison square. From the top of this tallest pinnacle in the city searchlights flashed signals of republican victory, and in the committee rooms below the men who had managed the campaign of Taft and Sherman were hourly receiving news that confirmed their confidence in the success of their labor.

Chairman Hitchcock of the republican national committee, was early at his office and, surrounded by his co-workers and others prominent in republican circles, eagerly read the returns, pausing only to reiterate the satisfaction of an anxious inquirer that he stood by his original claim of 325 votes in the electoral college.

### CELEBRATION AT AMOY.

American Fleet Joins in Tribute to Empress of China on 74th Birthday.

Amoy, China, Nov. 3.—The seventy-fourth anniversary of the birth of the dowager empress of China was celebrated to-day, and the event was made the greatest day of the festivities in honor of the visiting American battleships under Rear Admiral Emory. There was a reception on board the Chinese cruiser Hai Chi in the forenoon and another reception on shore at the Sun Pu Tou Miao temple at noon.

A national salute was fired at noon in honor of the empress' birthday by all the warships in the harbor, which total fourteen.

At the reception ground everybody drank a toast in champagne to the health of the dowager empress.

### ENTHUSIASM AT OPERA.

Small Audiences Burs; Frequently Into Applause at Hyperion.

The Iven Abramson Italian Grand Opera company finished its New Haven engagement yesterday, presenting the opera "Cavalleria Rusticana" and "Il Pagliaccio." In the afternoon and evening at both performances there was a small audience present, that of the afternoon doubtless being seriously affected by the New Haven Symphony's first concert of the season at Woolsey hall at the same time.

Both afternoon and evening the conductor of the orchestra was A. Fiorani, who put much life into the music. There were frequent bursts of applause and much enthusiasm.

### SMALL STORE FIRE.

The variety store of Max Shulim caught fire last night, and was gutted by the flames. It was a small store at 67 West street. The fire occurred about 11:30. The damage was about \$200.

## COMPLETE RECORDS

Show Captain Hollenback, of U. of P., Again Leader of Touchdown Producers.

### COY, OF YALE, IS SECOND

Balenti, of Indians, Premier Field Goal Kicker—Scarlett a Wonderful Toe Artist.

Captain Hollenback of Pennsylvania continues to head the list of touchdown producers with nine trips across the last chunk mark to his credit. Coy of Yale, however, aided by the "Assault" game, is a close second with eight touchdowns opposite his name. White of Harvard and Walder of Cornell press the leaders closely with seven scoring rushes apiece to their credit. Scarlett now holds the premier position of the goal from touchdown artists, having sent the ball between the posts seventeen times, for the extra point. Scarlett has developed wonderfully as goal kicker and has registered 77 per cent. of his attempts. Northcroft of the Navy is another proficient one-point artist, having fifteen successful attempts to his credit.

In striking contrast to the excellent booting of these two players is the mediocre work of Yale's toe artists. The New Haven kickers have registered exactly 50 per cent. of their one-point tries and goal kicking is evidently the weakest point of the Bulldog combination. A new star has jumped into the field goal limelight, namely Balenti of the Indians, who defeated the Navy on Saturday on four place kicks. With Thorpe and Balenti, the Carlisle eleven appears to be the most powerfully equipped combination in the country in the field goal department. Pennsylvania also showed the possession of a toe artist when Jack Means, the former Ohio State star, landed two pretty place kicks in Saturday's game with Carnegie's "Tech."

The following table gives the complete list of the touchdown goal from touchdown and field goal records of the leading teams of the east.

### FOUR PLAYERS AT PRACTICE

N. H. H. S. Athletes Busy Diminishing Deficiencies.

Four players, including the captured forward for High school practice turned afternoon at Yale field, Captain Davis seeing that nothing could be accomplished excused the three stars from practice. If the eight players are deficient in studies continue to show up for practice, the N. H. eleven will have to cut a few scheduled games, if not all, for nothing can be accomplished without the many disqualified veterans.
