

AURORA OUTWEIGHS, OUTPLAYS OTTAWA IN SEASON'S OPENER

FAST UPSTATE HIGH SCHOOL SQUAD PROVES TOO STIFF A PROPOSITION FOR GREEN YOUNGSTER REPRESENTING O. H. S.

Outplayed and outweighed, the Red and White were defeated Saturday afternoon by a better team by a score of 33 to 0 when Coach Ralph Fletcher's huskies of West Aurora high crossed the Red and White goal line for five touch downs.

Though the boxscore shows a defeat for the local school Coach Newberg stated last night, "It is a big victory for Ottawa as I learned yesterday who could play football, who had the material to make a player and what kind of nerve my men possessed and I believe that we will win the majority of our games."

Captain Farrell of Ottawa won the toss and chose to receive and defend the west goal. Cigrand kicked off to Farrell, who carried the ball ten yards. Ottawa then lost the ball on downs but Aurora fumbled and Calkins recovered. Ottawa punted. Aurora then marched up the field for their first touchdown, which came when Nelson broke through Ottawa's line and ran twelve yards across the goal line and S. Flemming then kicked goal, making the score stand 7 to 0. Aurora then kicked off again and Ottawa received and was forced to punt and the ball was in Aurora's possession and another march up the field started. Clancy made nine and Robotham made first down. Aurora was penalized twice, once for backfield in motion five yards and the same for offside. But penalties could not stop them and they made twenty yards in two plays. Ottawa called time out and on the next play after time out Vonckx was penalized fifteen yards for holding. This put the ball on the Ottawa ten yards line and Robotham took it over in three plays. This ended the first quarter with the score standing 13 to 0 as Flemming failed to kick.

Farrell kicked to Cigrand, who was downed in his tracks, to begin the second quarter. Cigrand ran thirty-five yards and was tackled by Farrell and West and Clancy made another first down. Aurora then went over, but fumbled and Damman recovered and the ball was placed on the twenty yard line. Ottawa then made first down but was forced to kick next down and the kick was blocked. A series of plays put the ball within scoring distance and then Nelson took it over and Flemming failed to kick goal making the score 19 to 0 which was the score for the first half as the half ended soon after the kick off.

Both coaches changed their lineups for the second half. Newberg sent Antram to tackle and Vonckx to guard. Griffiths remained at the other guard and Calkins stayed at tackle. West went to fullback and Logan to quarter while Damman and Farrell stayed at the half and the Dekreon brothers were sent to the ends and Koenig returned to center. Fletcher also made several changes. Stayer kicked off and Antram received. P. Dekreon punted when no gain could be made through the line and Essig broke away for twenty yards and several passes were completed and Palmer went over and Hunter kicked goal, making the score stand 28 to 0. Both teams opened up and Honz Dekreon made the longest run of the day when he ran fifty yards but failed to score. In the fourth quarter West Aurora made their final score when Flemming ran a pass to the ten yard line and Clancy took it over and kicked the goal, making the score stand 33 to 0 as the final verdict.

One thing that showed up well in the game was the fitness of the players as not one man was knocked out or taken from the field because of inability to stand the game.

Four members of the Ottawa squad played a game that might be called football. Farmer Antram and Sonny Calkins were stars and their work was the outstanding feature of the game. Red West and Fritz Damman were

the other two men who played football. Jobst was yanked early in the game.

The girls of the Ottawa high school should be especially complimented on the way they turned out and cheered and backed the team even when away behind. School spirit as shown by the girls is what makes the team fight and win. If the boys build up a system of cheering like that of the girls it will be safe to say that Ottawa high will have one of the best schools in school spirit in the state.

A defeat Saturday will have no effect on tonight's practice as nobody was hurt and everybody will be out besides a few more new aspirants for positions the best looking of the new candidates being Art Johnson, who will report tonight. Art has played before and is expected to develop into a likely backfield man and maybe a good fullback.

Only four practices are available for the high school mentor to rebuild his team in preparation for the Morris game and the boys from Grundy county are especially strong this year and are looking upon Friday's game as their big game of the season. A practice game is scheduled for Wednesday with a team organized by the coach and composed of all stars from about town. It was announced Saturday that the high school second team will play Pleasant View Luther college Saturday on King field.

DRISCOLL'S TOE WINS MILWAUKEE GAME

Chicago, Oct. 2.—The education of Chicago, Oct. 2.—The education of ed to be the winning factor in a 3 to 0 football game between the Chicago Cardinals and the Milwaukee football team at Normal park, yesterday. The former Northwestern star booted a place kick directly over the goal post in the first quarter and it proved to be the deciding and only score of the game.

Where Marines Landed to Guard Americans' Lives

City and harbor of Smyrna, rich Asia Minor seaport center, where United States marines have landed and where American warships are being sent to protect our nationals. Turkish forces are within 20 miles of the city following the disastrous rout of the Greek Army and thousands of refugees are entering the city daily, bringing famine and pestilence. Inset, Rear Admiral Mark L. Bristol, United States high commissioner at Constantinople, in charge of American interests in the Near East.

Yes, We're Going To Be Dry - - But It Won't Be Until 1947, Prohibition Leader Says

By EDWARD M. THIERRY.
New York, Sept. 25.—How long do prohibition leaders think it will take to make America dry?

"Twenty-five years," says William H. Anderson, state superintendent of the Anti-Saloon League.

Anderson, though a state leader, is the most militant prohibitionist in the country and he admits he has the hardest job in the wettest state in what he calls "liquor's black belt"—New York, Rhode Island, Connecticut, New Jersey and Pennsylvania.

W. H. ANDERSON.

In an interview with NEA Service he made these predictions:

"Within five or six years we will have broken the political backbone of booze and checked all serious efforts to change the dry law.

"Within another five or six years the bootlegger will be so generally in jail or in terror that the Volstead act will not be broken any more than other laws are.

"After that it will take fifteen years for complete education of the people, especially those of foreign birth, as to the nature and effect of alcohol to the point where prohibition will not longer be either an issue or a problem."

Anderson thinks prohibition really will be here in '47. Perhaps earlier—but 1947 is his conservative estimate.

"Magazine straw votes don't bother us," he said. "Nor does the growing agitation for beer and light wine. There isn't one chance in 100 of the Volstead act being changed."

Qualifying he added: "But if it is changed—mark you, it will only be temporary."

Consumption of alcohol has dropped to 10 or 20 per cent compared with pre-prohibition days, Anderson esti-

alternative to enforcement and observance."

The Anti-Saloon League will be necessary, Anderson says, through most of—and perhaps all—of the twenty-five years necessary to make prohibition prohibitive.

"It will cost more, too," he said, "because we now have two jobs where we formerly had one. These are: First, to hold the law by electing dry congressmen and state legislators; and second, to enforce the law by organizing the public to get behind the regularly constituted local enforcement authorities—back up good officials, lock up the others."

"We are pushing a three-fold plan: First, compulsory enrollment for citizenship through the newly formed A. I. C. Citizens of America, Inc., forcing everyone to take a definite stand either for or against law and order; second, enacting an enforcement ordinance in every community; third, application in law, by cooperating with officials if they will enforce the law, or exposing publicly upon them if they won't."

Anderson says New York state already has 250,000 members of the A. I. C. Citizens of America, and the enrollment campaign is just beginning.

"When the light is turned on all decent people will come in," he said. "I haven't any illusions about congressmen and legislators," he said. "I know lots of those who vote dry are wet personally. They're honest if they vote according to the sentiment of their constituents."

"Politicians and the public generally will eventually get it through their heads that anarchy is the only

UTICA MAROONS LOSE FAST GAME TO LADD

The fast Utica Maroons were defeated by a 12 to 9 score yesterday by the Ladd Tigers in a game played in Ladd. The game was a rough affair and Bunny Callahan, captain of last year's track team, at La Salle had his collar bone fractured and had to be carried from the field and taken to a doctor's office for treatment. Besides losing their star player, by accident Utica also lost Roy Holzman, who suffered a severe gash in his right leg and had to be removed from the field. The Utica outfit is scheduled to play the Ottawa Terriers next Sunday in Utica.

CRAWFORD STAR OF DODGERS-IOWA GAME

The La Salle Dodgers took the Iowa national guard into camp yesterday by a 3 to 0 score. George Crawford, former Ottawa high school player, was the star of the game, scoring the Dodgers' only touchdown in the first quarter when on successive plays he carried the ball for a touchdown in the first eight minutes of play. Crawford performed at quarter. The Grand Ridge star was knocked out in the third quarter and was carried from the field with his right leg hurt. It is thought his knee was knocked out of joint. Hubler, Mendota player, made the other three points in the fourth quarter when he dropped kicked forty yards for the final tally. The guard on the Iowa team was knocked out and did not come to for fifteen minutes. Cohen, who played with La Salle high last year, was put out of the game for slugging. George Hoar, of La Salle, had the job of referee. La Salle has one classy team, but will have to secure faster running mates for Crawford as the former Ottawa star is so fast he runs away from his interference.

PEORIA MANUAL DEFEATS VALLEY 100 AND

Peoria Manual defeated Spring Valley high school by a big score in the contest between the two high school teams played at the Valley Saturday. It is reported that the score was so big that Peoria stopped counting some reports say the final score was in the neighborhood of 100 to 0.

OTTAWA WONDERS WIN 18 TO 0 FROM PANTHERS

The Ottawa Park Wonders defeated the Utica Panthers 18 to 0 in a football game played in Utica yesterday afternoon.

BRITISHER A GOOD CLAIMER FOR TITLES

New York, Oct. 2.—If Billy Matthews, an English featherweight, who recently arrived in this city, is as persistent in the ring as he is in claiming titles, he should achieve a fair measure of success.

Matthews has been introduced as the featherweight champion of Great Britain. The announcement was permitted by a deputy boxing commissioner on Matthews' assertion that he held the title. However, a Matthews was not satisfied with being acclaimed the champion of England. He stoutly maintained that he was the champion of Europe, despite the fact that the International Boxing Union which controls the sport in Europe, has officially declared Eugene Crigui of France holds the European title of the featherweights.

Regarding the English featherweight class, Matthews also appears to be in error. The British board of boxing control on Aug. 28 issued an official list of title holders of that country. The featherweight champion was not Billy Matthews, but Joe Fox. It is high time that foreign boxers who come here with championship claims should be made to furnish more convincing proof than their unsupported word.

DUTCH STERNAMAN PROVES PRO GAME STAR

Racine, Wis., Oct. 2.—(Special.)—Dutch Sternaman's two place kicks of twenty-five and forty-five yards in the first and third quarters respectively gave the Chicago Bears a 6 to 0 victory over the Horlick Rache Legion eleven in the opening game of the American Professional Football League here yesterday afternoon. A crowd of 5,000 attended. Gains on two forward passes gave Sternaman his position to boot. The ball on the second kick just cleared after hitting the cross bar.

Quick oats now— 3 to 5 minutes

If you want oats that are almost ready, ask for Instant Quaker Oats. This style cooks in 3 to 5 minutes. It is the quickest cooking oats in the world.

Just like regular Quaker Oats in that matchless quality. Flaked from queen grains only—just the rich, plump, flavory oats. They have the flavor which has won the world to Quaker.

But in Instant Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

Your grocer has both styles. The Instant style is marked "Instant" on the label.
