

# MAROONS, UTICA'S CRACK TEAM, VOTES TO CLOSE SEASON

**HARD LUCK AGGREGATION DECEIVES TO CLOSE SCHEDULE - CRIPPLES EARLY TEAM SERIOUS HANDICAP GIVEN IN THE SEASON.**

With the 1922 season the most unsuccessful they ever went through when they dropped six out of their seven starts the Utica Maroons football club has declared they have had enough football for the year. So after last Sunday's game which was a financial failure, and lost the Maroons disbanded and parked away the moleskins until next season. Injuries in the first few games of the season sadly depleted the ranks of the Maroons so it became necessary to secure substitutes to take

the place of those who had been hurt with the result the team was greatly handicapped. After last Sunday's game the team decided unanimously to disband.

## ILLINOI SLOGAN IS "BEAT OHIO" TOMORROW

Urbana, Ill., Nov. 24.—(Special).—"Beat Ohio" is the slogan in the Illinois camp, which is all agog over the impending battle with the Buckeyes.

Tonight Bob Zupke gave the Illinois a long practice on halting expected strategists. Zupke has had a hard task to keep his team keyed up to the pitch.

There is some question as to whether Cliff Hagoney will be able to play Saturday, but if there is any chance at all he will break into the fray. Chris Woodward with the advantage of this week's work, will be in shape. Bill Robinson, a strong defensive back, is also likely to figure prominently.

The Illinois line will be unchanged. Umrus Roberts, Oakey and Cooleged will be set into the game if any of the regulars feller or are injured in the game.

Zupke gave the Illinois a lighter workout than usual tonight. The Illinois will be camped at the Cham-

page country club to escape the storm's Saturday, which is "State day" and a "Kankakee day" on the Illinois side. Billed out are securing for tickets, but at present nothing left over at 2:00 general admission tickets to be sold Saturday.

Director Huff announced tonight that additional seats were being created and that more tickets would be sold tomorrow. Providing the demand is maintained tomorrow still more seats will be erected.

## HOPPE WILLING TO MEET CHALLENGER

New York, Nov. 24.—(Special).—Unworried by the kink in his stroke arm, which bothered him in the match with Hagenaicher, Willie Hoppe, crowned champion of the world at 15-2 billiards, announced Wednesday that he stood ready to defend his title in a challenge match within ninety days.

Jack Schaefer and Roger Conti, who finished second and third in the tournament, are qualified by the rules governing professional billiard competition to a playoff within sixty days, and the winner of this match then may challenge the champion, who is compelled either to relinquish or defend his title in the following thirty days.

Arrangements already have been

## LA SALLE TO CLASH WITH KANKAKEE

La Salle high school has a good stiff engagement for this Saturday when they journey to Kankakee, Ill., and take on the crack high school team of that city.

Kankakee was scheduled to play Streator in the Hardacreable village last week but because the down-staters would not consent to all of the terms the Streatorites declared the game was canceled by Streator at the last minute.

## HOPES TO SMOKE AFTER ELIS WIN OVER HARVARD

New Haven, Conn., Nov. 24.—Dr. William T. Bull, who has helped to coach Yale football team for years, hopes to have his first smoke for a year next Saturday afternoon about 4 o'clock.

## HARDING WOULD MAKE COAL MEN "COUGH UP"

Washington, Nov. 24.—Further legislation to broaden the authority of the federal coal commission in its investigation of coal production and distribution was suggested by President Harding today at a White House

conference with Chairman Borah, of the senate labor committee and Chairman Winslow of the house committee on commerce.

Upon the recommendation of members of the commission the president is understood to have urged that the law authorizing the commission be so amended that those who refuse to supply information asked for in the

investigation shall be subject to heavy penalties.

Attention, K. of C. Regular meeting tonight at 8 o'clock. Ottawa Electric company will give a radio concert. JOHN J. FARRELL, G. K.

# CHICAGO BUTCHERS MARKET

"THE CLEANEST MARKET IN OTTAWA"

for Economical Transportation

## Announcing 1923 SUPERIOR Models

Again Chevrolet Motor Company has emphasized its admitted leadership as producer of the World's Lowest Priced Quality Automobiles.

The 1923 SUPERIOR models—one of which is here illustrated—represent the most sensational values in modern, economical transportation ever established.

QUALITY has been still further improved by more artistic design and added equipment.

ECONOMY has been still further increased by engineering refinements and added facilities.

SERVICE is now offered on a flat rate basis by 10,000 dealers and service stations.

PRICES remain the same in spite of added equipment and more expensive construction, which have greatly increased value.

### Some Distinctive Features

Streamline body design with high hood; vacuum feed and rear gasoline tank on all models; drum type head lamps with legal lenses. Curtains open with doors of open models. Closed models have plate glass Ternstedt regulated windows, straight side cord tires, sun visor, windshield wiper and dash light. The Sedanette is equipped with auto trunk on rear.

### Prices f. o. b. Flint, Mich.

Five Passenger Touring	\$525
Two Passenger Roadster	510
Five Passenger Sedan	860
Four Passenger Sedanette	850
Two Passenger Utility Coupé	680
