

# 18,694 VOTES WERE CAST AT TUESDAY'S SPECIAL ELECTION

CANVASSING BOARD COMPLETES  
WORK—ESTIMATES MADE ON  
TURN OUT PRIOR TO TUESDAY  
PROVE FAIRLY ACCURATE.

Practically no change was made in the returns of Tuesday's election from the unofficial returns which were received over the phone from the seventy-five precinct polling places on Tuesday night and Wednesday morning. The official canvass showed that 2,733 votes were cast in the county in favor of the proposed constitution and that 15,895 votes were cast against it.

The canvass was completed last night by the board, composed of County Clerk Ferguson and Justices of the Peace Koenig and Ankney. The abstract of the votes has already been sent out by the county clerk to the secretary of state. The canvassing board found the tally sheets of every precinct in excellent shape this time and encountered none of the irregularities and difficulties they found at the Nov. 7 election.

In all a total of 18,694 votes were cast. Only thirty-six of these were defective in any manner and could not be counted. This was an extremely small number of defective votes, averaging less than one-half of one ballot to a precinct polling place.

The highest vote in the county was cast in the sixth precinct in Ottawa, where 735 ballots were voted. South Ottawa came second with a vote of 671.

The total number of votes was just about half of the number cast at the Nov. 7 election.

The number of votes cast in each precinct were:

## GIBBONS WINS EASILY FROM BILLY MISKE

St. Paul, Minn., Dec. 16.—Nearly 6,000 fight fans who saw Tommy Gibbons pummel his way to an easy victory over Billy Miske here last night, were convinced today that Gibbons is a logical contender for Jack Dempsey's world's heavyweight boxing crown. Tommy demonstrated in a no doubt manner that he was the master of Billy. Gibbons' punches to the stomach and kidneys had Miske in distress and at the finish, the latter was graggy. Tommy's only mark of the battle was a closed left eye, inflicted in the sixth round.

## 500 Conversions the Goal

Fairfield Business Men's Gospel Team.

After six weeks of evangelistic effort on the part of the Fairfield gospel team and hundreds of local people, the tabernacle meeting will come to a close Sunday night. It has been a great meeting, and with the conversions numbering 457 up to Saturday noon it looks to the committee that the number would reach over 500 by Sunday night.

Seldom in the history of Ottawa has there been a better meeting or a more thorough evangelistic campaign. There have been others where the number of conversions reported were larger,

but there have been few more thorough campaigns than that which will come to a close Sunday night.

All the churches will join in the morning meeting at the "wooden temple" tomorrow morning at 11 o'clock and again at 3 o'clock, at which time the Ottawa business men's gospel team will be organized.

The young people of the city will meet in the choir loft of the tabernacle for a union service at 6:30, then at 7:30 there will be a song service in the main auditorium.

from every state in the union except Delaware and Vermont. Registration cards show a total expenditure by tourists stopping at the camp of \$51,601.63. They think it is a good thing.

Traffic bureau—We are now prepared to offer a service to merchants and manufacturers that should prove of interest and profit to them.

We have made arrangements whereby members may have their freight bills audited for a very reasonable charge of twenty-five per cent of the amount of overcharge detected and refunded. We are also in a position to render valuable assistance to manufacturers and business men in the matter of rates, routes, claims, delivery schedules, etc.

This is the last 1922 bulletin so we wish you a merry Christmas and a happy New Year.

## WOOL POOL PROVES SUCCESS; FARMERS EARN BIG PROFITS

REPORT ON SALES ISSUED BY  
FARM BUREAU OFFICE SHOWS  
MONEY WAS MADE BY CREAT-  
ING SALES CENTER TO DISPOSE  
OF SUPPLY.

The farmers who pooled their wool this year, through the La Salle County Farm Bureau, have received their money and seem to be well pleased with the prices received, says a report issued today by the farm advisor.

Continuing the report says:

"The wool sold at an average price of 40.76 cents per pound for all in the La Salle County pool. The total marketing expense, including freight, cartage, grading, commission, and everything, amounted to an average of 3.95c per pound; thus netting the consignors an average of 36.81c per pound.

"The different grades sold as follows:

1/2 Blood Staple	51.9c
3/4 Blood Staple	50.0c
1/2 Blood Staple	46.0c
3/4 Blood Staple	45.9c
1/2 Blood Staple	42.9c
3/4 Blood Staple	40.9c
1/2 Blood Staple	39.6c
3/4 Blood Staple	34.6c
Medium Black	34.6c
Medium Black	33.9c
Low 1/2	29.6c
Dead	29.6c
Tags	18.9c

"The local buyers paid from 23c to 35c for wool this year, but the most of the wool they purchased at an average price of about 26c per pound.

"The extra money which the pool netted the farmers paid them well for waiting on their money, and it returned this extra money to the farmer who fed the sheep and produced the wool, instead of putting it into the pocket of the transient wool buyer."
