

McQUILLAN AND DENNIS MASTER BRANTS IN TEN

Baseball in One Game Than Ever Seen in Rock Island—Islanders Win Battle of Wits.

By Bruce Copeland.

George McQuillan, mound master, came within an ace of shutting out the Rox yesterday afternoon at Douglas park because the long arm of circumatance pulled a battery error of omission that opened the gate for Rockford.

First and only run of the 10-inning encounter that the Islanders captured, 2-1.

McQuillan, for seven innings, had been pitching with invincible change of pace; mowing down the Rox almost as soon as they stepped to the plate. Too many pitchout for Leyne in the third gave the Rox outfielder the only free ducat George issued during the day. A sacrifice hit put the runner on second, where he perished when the side was retired. Leyne was the only Rox batter to get on base until the eighth.

Fluke Spills Fame.

The big Islander pitching ace lost his chance to enter the hall of baseball fame with Catcher Rigby, first to bat in the eighth. Before the fluke, Rigby had two strikes and a ball. He had swung wild at the second strike. In his first attempt in the second inning he had been an easy victim. In the eighth it looked as if George would fan him again.

Rigby swung wild and missed a ball on the outside. There had been an error of omission between McQuillan and Dixon as to the pitch. Somehow, Dixon was crossed the ball slipped through his hands, striking him right abeam and rolling into the diamond. Before McQuillan could field it, Rigby had reached first base.

Rox Score Bat One.

Strong advanced Riggs on a heat sacrifice to Purpura. Kid Hawk, the peppery Rox third sacker, chopped a long drive that too hard hit for Hubert Dennis to get under and the ball rolled to the fence in left center for a double, Rigby scoring the Rox' one and only run. Things looked grim when Leyne smacked a single to left that sent Hawk to third, but the aspect brightened when Foelsch hit into a double play, Benson to Murphy to Gloekson. It was Benson's agility that made the play possible.

With the exception of the fifth, when the Islanders touched Lefty Anderson for stuff enough to break the scoreless tie, the Rox pitcher had them eating from his hand. The score might have been different had Anderson displayed a change of pace.

What Might Have Been.

Lefty had been slow-balling the Islanders to death; moreover, with excellent control. If the Athletics cut-off had mixed his slow ball with a good fast one, the Islanders might have been helpless, despite McQuillan's grand work in the box. Hubert Dennis, playing in left field, carried away the batting honors for the day, getting three hits, including a triple, in four trips. Dennis also scored both runs. He led off in the fifth with a hard smash to left center. That strong misjudged the ball rolling past the flagpole. Dennis stopping at third. McQuillan cracked one safe to right, Dennis Coring. Murphy sacrificed George along and he went to third on Purpura's infield out. Pearce threw out Benson, retiring the side.

Benson's Great Work.

Another fine piece of baseball strategy by Elmer Benson saved the game in the ninth. Murphy crouched on Anderson's slow roller through the box, overthrowing first base when badly hampered by a sprained thumb from a throwing hand. Pearce fanned on the third double strike. Brennan hit a fast one to Elmer, whose deft stop and toss to Murphy, forced Anderson at second and clinched a double play.

Dennis' rare judgment in tossing the ball to McInerney for the relay was accountable for cutting off the run. Dennis knew he couldn't serve the purpose with his pitching arm at stake. His old gray matter saved another game. Dennis is becoming more and more effective each day, both in the box and in the field. He is in there always thinking—thinking; and that is what wins ball games.

Dennis' Repeat.

It was Dennis who started things

on the way to victory in the tenth. He cracked the first ball for a clean single to left. McQuillan dropped one of the nearest sacrifices ever seen on Douglas.

Benson came up with sacks loaded and the fans yelling for a win. The hit-and-run signal was flashed. Elmer fouled one off and then came two wide balls. On the next pitch, all the runners started with Anderson's windup. Benson swung and hit to Hank. Dennis had such a good lead off third that he crossed the plate before Hawk stopped the drive. It was the winning run and Hawk made no attempt to throw.

ARGUS DEFEATS CITY EMPLOYES BY 10-1 SCORE

Six Innings All the Cops and Others Can Stand—Postoffice Men Win, 11 to 2.

The Argus baseballists dropped of the police and city hall employees at Douglas park Saturday afternoon in short and sweet style.

The score at the end of six innings of pastime showed the Argus 10 and opponents 1. The game was called before the completion of seven innings to prevent further unnecessary slaughter.

"Sparks" McNealy had something on the ball in the early rounds that puzzled the Argus' batsmen, but he weakened in a couple of innings and the game became a rout for the custodians of the city's welfare.

"Yamp" Shannon pulled the star play of the day for his club. An Argus man had slammed out a double and Shannon fielded the ball when it was thrown into the diamond. The runner made a break for third and Earl pulled a Brodie in the act of making the throw to the base. This caused the runner to exhibit violent signs of convulsiveness and his power of locomotion gave out. Consequently he was an easy victim when Earl recovered the ball. Score:

Postoffice Wins.

Getting to Ed Hausse consistently for the first time of the game in the seventh inning, The Argus pounded in six runs to tie an 8-3 score. In the extra frame, the clerks and carriers managed to push across three runs, while the newsmen garnered but one, and lost, 11 to 2.

Hausse is the box for Uncle Sam's men was invincible in six innings, striking out 17 men in eight innings of pastime. Undaunted by their defeat, The Argus team is anxious to take the postal men on for a second fista.

Rockford: McQuillan also retired the next three in order. Layme fanned. Foelsch grounded out to Gloekson. Purpura threw out Anderson. No runs, no hits, no errors.

ROCK ISLAND: Anderson regained control and began to display wonderful stuff. Gloekson swung hard, but the ball struck dead in front of the plate. Anderson throwing him out. Dixon popped to Brant. McInerney lined out to Brennan. No runs, no hits, no errors.

SEVENTH INNING.

Rockford: Pearce popped out to Murphy on the first ball pitched. Brennan fanned. Murphy threw out Brant. Up to this time McQuillan had not allowed a single hit and the fans began to predict a no-run, no-hit for the big ace. No runs, no hits, no errors.

ROCK ISLAND: Reed fanned. Dennis scratched a hit to Brant. It was a peculiar test of judgment. The ball was hit over second base. Brant fielded it cleanly, but a perfect throw could not have retired Dennis. Brant overthrew first base, Dennis scooping at second. Brant threw out McInerney. Brennan got Murphy's fly. No runs, one hit, one error.

EIGHTH INNING.

Rockford: The Rox finally broke their hitless streak and got to McQuillan for a run by one of the strangest of flukes. Rigby fanned, but a battery error of omission put the batter on first. The pitch got through Dixon's grasp, the ball striking his shinguard and rolling into the diamond. Strong sacrificed. Purpura to Benson, covering first. Hank doubled past Dennis, scoring Rigby through the midway. Layme singled to left. Hawk stopping at third. Foelsch hit into a double play, Benson to Murphy to Gloekson. Benson's thrilling stop sent him inside the play possible. One run, two hits, no errors.

ROCK ISLAND: Anderson was plugging just as cleverly. His snappy control and effectiveness seemed perfect. Purpura went out on a hunt to Foelsch. Anderson knocked down Benson's terrific drive through the box and threw him out. Pearce threw out Gloekson.

NINTH INNING.

Rockford: Murphy was signaling the first game, 8-2, in 11 innings.

The Sportscope By Bruce Copeland.

President C. W. Hoeller of the Islanders announced this morning that the free hit to Douglas park will be suspended for Tuesday day, scheduled for Wednesday afternoon, when the Islanders meet Frank Boyle's Cedar Rapids Bantams in a double-header.

EVERY MAN, woman and child with a dollar to spare and an afternoon off on Wednesday, should grace the boards at Douglas park as part of the admiring throng of Islander fans, who have appreciated the splendid work of the club during the last three weeks.

Remember, the Islanders have won more than they have lost since returning from Bloomington about a month ago with 50 games still to be played. At this rate the club should have been around third or fourth place had it not been for early season reverses. As they stand now, the Islanders are one of the league's most formidable teams, despite the fact that they are in last place.

The last chance to show your appreciation as a unit pulling for a fighting team to win will come Wednesday, and a capacity attendance is all that will do it.

Come on out and boost—for next year!

SATURDAY'S GAMES.

The box scores of the Islander-Rox double header at Rockford on Saturday went astray, it seems.

DAVENPORT HAS MOTOR CLASSIC FOR SATURDAY

Half a score of famous auto race drivers are scheduled to go to the track in the speed contests that will bring the Mississippi Valley fair to a climax Saturday afternoon, Aug. 21, exhibition officials announced today after checking up the list of entries.

Notice of the Davenport race meet was spread broadcast among registered dirt track drivers and inquiries have been pouring into the office of the fair board. Eight of the most prominent drivers in the country have already signed up to compete and several more are expected to add their names to the list within the next few days.

Race Stars Coming.

Among the drivers to come here will be Sig Haugdahl, dirt track champion, who has just returned from Edmonton, where he won the Rocky Mountain Sweepstakes and shattered the world's record for five miles and established four new Canadian track records for various distances.

Haugdahl is due to bring two cars to Davenport, his big Fiat Special, claimed to be the fastest racing car ever built, and his Essex machine for the light car events.

Burr Lampkin, English star, is also scheduled to be among the starters in the Davenport races and will probably meet Haugdahl in a match race.

too deep on Anderson's slow roller and overthrew first. Murphy was strikingly hampered by the injured thumb on his throwing hand, the heave allowing Anderson to stop at second. Pearce was out on the third bunted foul strike. Benson started another breathless double play, Benson to Murphy to Gloekson, with Brennan batting. No runs, no hits, no errors.

ROCK ISLAND: Dixon scratched a single to left. Brennan got his hands on the ball, but fell and lost it. Joe's left knee-cap was injured by the flop and the game was delayed several minutes. McInerney scratched. Anderson to Foelsch. Hawk hit the ball. Dixon broke for third, but was thrown out on a complete play. Foelsch to Hank, completing a double hitting. Rigby got Red's foul near the stand. No runs, one hit, no errors.

TENTH INNING.

Rockford: Benson threw out Brant, making a fine stop behind second and an off-balance throw to Gloekson. It was a dark. Rigby tripled past Dennis to the fence in left center, but was thrown out at the plate. Dennis to McInerney to Murphy to Dixon, trying to stretch the drive into a home run. It was Rockford's last chance and stupid base-running and coaching. Murphy threw out Strong. No runs, one hit, no errors.

ROCK ISLAND: Dennis opened the frame with his third safety—a single to deep left. McQuillan dropped a pretty sacrifice in front of the plate and was thrown out. Rigby to Foelsch. Murphy walked. Purpura scratched a hit to Foelsch. It was a slow hit ball that Pearce bobbed, but a perfect play could not have retired the batter. Benson came up with the bases cleared. All four runners started back. Hawk made no attempt to get with the ball. Benson hit to throw a runner around on a play with the winning run. One run, two hits, no errors. (One out when the winning run was scored).

Krueger, a recent addition to the Cardinals, held the Pirates safe and won the second game of a double header, 2-2. The Pirates took the first game, 4-2, in 11 innings.

Star Performers Injured in Tryptest at Antwerp. Chance—Yanks Show Well in Big Events.

BULLETIN.

Antwerp, Aug. 18.—(By Associated Press)—American athletes, running first, second, third and fourth in a field of six in the final of the 400 meter hurdles in the Olympic games, here today, scored 17 points for the United States.

Frank Loomis, of the Chicago A. A., the winner of the event, established a new world's record of 54 seconds flat for the distance, beating the old record by one second.

Antwerp, Aug. 18.—(United Press)—America's chance for victory in the long running races in the Olympic games took another slump today when Jole Ray, veteran distance runner of the Illinois Athletic club pulled his leg muscles while working on a grass track. Ray probably will be unable to participate in the contests.

Walker Smith, Chicago hurdler, also injured his leg muscle working out on the grass. Prospects were he would be back in condition in time to run during the Olympiad.

FINES GET JUMP.

The Finns won the first victory in the international contests when Myra established a new world record in the javelin throw at 65.78 meters. The Finns also took second, third and fourth places. The fifth went to an Estonian, the sixth to a Swede and the seventh to M. S. Angier, American, of the Chicago Athletic association.

The Americans showed well in the semi-finals of the 400-mtr hurdles. Frank Loomis and Angus Deach survived the seven heats and a win for the Americans in this event is assured. Deach beat George Andra, the veteran French runner, by a scant margin. Loomis took his race from Carl Christensen, the Swede, by a yard. The time for both Deach and Loomis was 55.5-5.

America, Denmark, Italy and Great Britain and France qualified for the finals in fencing.

12 In High Jump.

Twelve qualified for the finals in the high jump—four Americans, four Swedes, two Frenchmen, two Brits.

Four Americans triumphed in the 100 meter dash. Charlie Paddock won from Harry Edwards, the British champion. The time was 10 4-5.

The other Americans who took their heats were J. V. Scholz of the University of Missouri; Morris Kirksey of San Francisco and Lonon Murchison of the New York Athletic club.

The English had the 800 meter run trials their own way. Mountain, Rudd and Baker won three heats, the Frenchman, Gouilleaux, the fourth, and Lundgren, Swede, the fifth. Earl Ebby finished third behind Baker, A. B. Sprott of Los Angeles second behind Lundgren and Thomas Campbell second behind Gouilleaux.

Yankees Confident.

Perfect weather greeted the small crowd which gathered at the stadium today for the contests. The Americans were confident and hopeful, after the showings yesterday.

The semi-finals of the 100 meter dash was the first event. Edwards and Paddock were the winners. Edwards beat Scholz and Kirksey in 10 4-5 seconds. Alban De France finished second behind Paddock and Murchison third.

The Americans failed to make much showing in the trials for the 5,000 meter run. In the first heat C. Furnas of Purdue finished fourth, H. H. Brown of Boston third in the second heat and C. F. Hunter of San Francisco fifth in the third heat. I. C. Dresser of New York finished third in the fourth heat. Hunter was the first of the Americans eliminated when he finished fifth in his heat.

NUSS RUNS OUT OF FIGHT WITH 'BUM,' ALLEGED

Jimmy Won't Make Weight, Roy Mansfield Says.

"Rock Island, Ill., Aug. 16, 1933.—(By Associated Press)—Jimmy Nuss, former Rock Island fighter, is giving you this dope on the proposed Stochamer-Nuss fight after failing to get Nuss' name to a contract to box the "Sun." Even all appearance, it seems that Nuss is troubled with cold feet or "back fever." Have conceded everything he wanted to get him into the ring again with Stochamer, but as yet have not been successful, as he has the alibi that he has everything to lose and nothing to gain.

"At this time 'Bum' weighs 145 pounds. We tried to get Nuss to box him on a winner-take-all proposition if he would do 150 pounds at 3 p. m., but he refused, saying he did not care to make weight. He claims to be a welterweight, but cannot do 150 pounds.

"We then raised the weight to 135 and still 'nothing doing.' Finally I said 54 pounds on a straight proposition, which he agreed on and of course we thought the match was clinched.

WANTS 50 PER CENT.

"We then got together with the promoters and stated our terms. Nuss demanded 50 per cent of the gross receipts of the gate. This is just 5 per cent less than the world's champion, Pete Herman, wants to box in this city. Rather an unusual demand for a boxer, who claims to have had only five fights; however, I figure it is just another symptom of 'back fever.'

"There is one thing about this match, if put on, and that is the fans are bound to see some action as 'Bum' Stochamer will give any of these so-called tough boys a very busy evening. It is apparent he is not the most popular boxer in the world, but he never disappoints his audience. Some of his admirers say he has never beaten either Comiskey or Dolg. Maybe not, but you can ask either of these two boxers what they think of 'Bum' and you will hear he is considered no set-up for any of them. In fact, a home town boxer around these parts has to almost murder an opponent before he gets as much as a draw.

OFFER STILL OPEN.

"I am not writing this letter as an apology for 'Bum,' but I just want to let you in this vicinity to know why the Nuss-Stochamer bout fell through and that our proposition to Nuss stands for any time.

"All we ask is the first chance at Nuss as I am afraid some one will stop him before we get a chance.

"Your truly, J. M. MANSFIELD."
