## (POLITICAL ADVERTISING.)

To whom it may concern: I earnestly invite all voters—ladies and gentlemen—to attend my meeting on Market square, in Rock Island, this Saturday evening, Aug. 28, at 8 p. m.

I wish to tell you about the way your representatives have enabled the public utilities commission to raise your street car fare; your electric light and gas bills; your telephone rates and all public utilities charges.

I wish to tell you what your representatives did to force upon you the state tax commission and the way it raises your taxes, your house rent, your grocery bill, your board and the cost of living.

I wish to tell you how the department of public works and buildings has taxed the people of Illinois out of one hundred million dollars and gave you nothing in return.

I will prove to you that my opponents have done nothing for you while they have helped to take thousands of dollars out of your pockets.

Mr. Wells missed 260 roll calls in the last session.

The public utilities corporations, the corporation tax dodgers and the state official gratters may get their rich sisters and other paid tools to try to tool you into their net. Do not be deceived, misled, or prejudiced by dead or false issues.

HARRY M. M'ASKRIN, Republican candidate for member of the general assembly—for representative.

## BEST PART YEARS

Services Afloat Celebrate 76th Anniversary.

The largest representation at the services held Wednesday and Thursday in observing the 76th anniversary of the First Methodist church of Moline, was recorded at the meeting held last night at the church. The church was crowded to its capacity, while 200 members and friends were served at 6 o'clock.

The regular services the following day were held by the church choir, and the Rev. M. E. Weisenberger, pastor, read letters and telegrams from former pastors and church members, who were unable to be present at the celebration.

Rev. F. A. Brown gave an address instead of Rev. J. B. Rutter, who was unable to come.

Rev. J. B. Bartle, pastor of Cannon, Ill., and pastor of the Milan church from 1900 to 1902, addressed the congregation. Selections were given by the old church choir, composed of Mesdames Eva Foote, W. H. Heath, H. Brown, Jennie White, E. Little, Emma Martin, H. F. Gagnang, William Cannam, Calvin Thompson and the Messrs. Albert Johnson, H. Brown, R. E. Little and Arvess Brown of Kankakee.

The afternoon program was attended by a good-sized crowd. Rev. M. E. Weisenberger of Rock Island led in the prayer. Miss Florence Hull and Mrs. E. E. Weisenberger gave a duet, and Mrs. T. A. G. Johnston gave a reading, "A May Fair Thirty Years Ago."

Rev. Van Pelt Speaks.

Rev. Weisenberger extended greetings from former pastors. Rev. Samuel Van Pelt of the First Methodist church of this city, brought greetings from the Rock Island Methodist churches; Rev. O. B. Enslin, pastor of the Second church of Moline, from the Methodist churches in Moline and vicinity; and Rev. M. V. Crumbaker, pastor of the Presbyterian church, from the Methodist churches of the country about Milan.

The addresses in the afternoon were given by Rev. J. L. Palmer and Rev. R. V. Van Alstyne of Waterbury church, and pastor of the Milan church from 1917-1919. The entire celebration was very successful and brought many together who had not seen each other in years.

## MOLINE DAY AT FAIR ATTRACTS CROWD OF 6,000

(Special to The Argus).

Joelin, Aug. 27.—Moline day drew a crowd estimated at 6,000 to the Rock Island county fair grounds, a special train this morning carried 350 from the city. The Moline community band was on hand to furnish the music.

In conjunction with Moline day, the fair was also the second of the Rock Island days at the fair. The speaking program in front of the grandstand was started at 12:30.

William Johnson of Moline, Republican candidate for state auditor, and William H. Miller of Champlain, candidate on the Republican ticket for lieutenant governor, spoke in behalf of their respective candidates. William Hale Thompson, mayor of Chicago, failed to arrive in person, but his place on the program was filled by Roger Fabry, one of his co-workers. Mr. Fabry spoke in behalf of the candidacy of Lea Small for governor.

The stock parade in front of the grandstand was staged at 11 o'clock. Announcement of the winners will be made later.

The women of the Republican club reported a total registration of 499 thus far.

## Pure Butter Is Not Expensive

Compare the present price of butter with the price of meat. Compare the prices of the same two items as they were four years ago. Meat has increased nearly 300%, butter about 100%. Use more butter for economical reasons—you'll be healthier, too. Nothing can equal the delicious appetizing flavor of butter. Nothing can equal the health giving qualities of butter. It contains the valuable substance known as "Vitamines" obtainable only in genuine butter and other dairy products. Our butter is made from fresh, rich cream. Churned every day.
