

SLUMP IS REGISTERED IN BUILDING WORK

Home Built This Year and Nearly Any Work Under Construction.

Number decided slump in the building of homes is announced by some dealers of Rock Island. Although it is nearing the close of the building season, in other parts there has been considerable work under way in the fall. Today it is said there is 35 per cent less building in the course of construction than there was a year ago. The high price of material and the inability of banks and loan associations to get enough money to give are given as the reasons for the slow season. Only one out of a thousand is getting any consideration from the loan associations because of the shortage of money. E. B. Reidy, secretary of the Rock Island Building & Loan association, said:

E. B. Reidy, president of the Rock Island Real Estate board, attributes the entire situation to the high price of building material. In normal years there are from 300 to 400 new homes built annually. Mr. Reidy said, as compared to this year, when there were less than fifty erected. This is the worst year Rock Island has ever experienced, is the general consensus of men interested in building and real estate. There is practically an increase of \$600 in the cost to build one room today over five years ago. However, there is an optimistic outlook for next spring, when it is expected conditions in general will have improved and that building operations will be started on a large scale.

MARINES HONOR ROCK ISLANDER

Mark Dixon, Through His Skill With Rifle, Qualifies As a Sharpshooter.

By shooting with a keen eye, a strong hold and unerring skill, Mark Dixon, son of Mrs. Euphrasia Lawrence, Thirty-ninth street and Nineteenth avenue, Rock Island, has qualified as a sharpshooter with the U. S. Marines, according to an official report from Marine corps headquarters at Washington, D. C. Shooting is always attractive and shooting the Marine corps way is doubly so.

The Marine corps way is nothing more or less than hitting the target. Every effort is made to qualify men on the rifle range, which not only gives them increased pay but makes them more valuable to themselves and to the service.

The showing made by the Marines in all prize and championship shoots speaks well of the coaching

TO THE DEMOCRATIC VOTERS OF THE FOURTEENTH CONGRESSIONAL DISTRICT.

I take this opportunity to solicit your earnest support for my candidacy for the Democratic nomination for Congressman and pledge you in event of my nomination and election, that I will give you, the people, honest and efficient service while in office.

I was born in Rock Island county and have resided here nearly all of my life. I have been employed in the different factories of Moline, East Moline and Silvis, with the exception of a few years in business and I believe that I have secured the respect and confidence of my fellow workers, and the people as a whole.

I was elected a Justice of the Peace two years ago and my record in that capacity speaks for itself.

If I did not feel that I had the ability and experience to fill this office with credit to myself and the public, I would not aspire to it, but I personally know the requirements of the office and my ability to fill them.

I ask this opportunity to serve you and to show by my official conduct my appreciation of your confidence and support.

Respectfully,

WILLIAM C. MAUCKER FOR THE LEGISLATURE

I wish to announce myself a candidate for minority representative from the 33rd senatorial district, to the next general assembly. I desire to call attention of the Democratic voters to the fact that at the present time Rock Island county (with more than twice the population, and more than ten times the factory and commercial interests of the other two counties in this district) is without representation at Springfield, and the only way to secure representation is to vote for a Rock Island county candidate at the primary election, to be held Wednesday, Sept. 15. Having represented this district two terms at Springfield, I believe that I have the ability to properly represent you and protect the interests of the people.

CAPITOL TO MAKE TRIP ON SUNDAY, THEN GOES SOUTH

After the farewell trip of the season Sunday night, the big excursion steamer Capitol will commence its journey to New Orleans, where it will operate day and night during the entire winter. Stops will be made at all of the principal cities enroute and one excursion will be taken from each town, thereby affording the residents an opportunity of seeing the Capitol.

The Capitol was in northern waters and returned to the tri-cities this morning for a two days' stay. Moonlight excursion dances will be given tonight and Sunday night, and there will also be a morning and afternoon trip tomorrow. Passengers on the morning trip will be permitted to remain for the afternoon trip without extra charge.

TO THE DEMOCRATIC VOTERS OF ROCK ISLAND, MERCER AND HENDERSON COUNTIES:

A few reasons why you should vote for John P. Schwartz, of North Henderson, Ill., for Representative in the General Assembly, Thirty-third senatorial district:

1. He was a locomotive fireman for six years and understands the problems of the laboring man.
2. He has been a practical farmer for 25 years and is thoroughly conversant with the needs of the farmer, and is actively engaged in various organizations for the promotion of agricultural interests.
3. He is a man whose ability and integrity of character is unquestioned, and who would, if nominated and elected, devote his best efforts to serving the people of this district.
4. He is not connected with any group or faction, does not claim to be a politician but is a business man. (Mr. Schwartz is now serving as chairman of the board of supervisors of Mercer county, which indicates the esteem in which he is held by the members of that body).
5. He has consistently upheld the principles of the Democratic party, and supported their candidates.
6. He has the unqualified endorsement of the Mercer County Democratic Central committee.

VOTE FOR JULIUS JOHNSON

Of Moline
Republican Candidate for State Auditor

Rock Island County's Only Candidate for State Office on the Republican Ticket

Rock Island county has never been honored with a nominee for state office by the Republican party. Considering its large population and the big Republican majorities given the party in the past, is it not about time that Rock Island county should be thus recognized?

Mr. Johnson is by training and experience well fitted for the office of State Auditor. He will conduct it with honesty and efficiency. Help get out a big vote for him in his home county next Wednesday, Sept. 15, at the Primary election.

Mr. Johnson was given the unanimous endorsement of the Rock Island County Republican Central committee.

"If I am nominated and elected State Auditor I promise to conduct and administer the affairs of that office with such efficiency and honesty, that my administration will reflect credit to my friends as well as to myself."

The Housewives Burden

When a woman is almost distracted from overwork, her home is in disorder, crying children, and on top of all is suffering from backache, bearing down pains, or some other form of feminine ills, then she should remember that hundreds of women in just her condition have been restored to health and regained their youthful strength by taking Lydia E. Pinkham's Vegetable Compound and not rest until she has given it a fair trial.

Proof that it Restored the Health of These Two Women

Cairo, Ill.—"Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."—Mrs. J. R. MATTHEWS, 3311 Sycamore Street, Cairo, Ill.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the ill effect which so often develops at such times. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy, fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women 'take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIRBURN, 608 Orchard Knob Ave., Chattanooga, Tenn.
