ENNIS STAR BOMB SUSPECT ARRESTED

Error Cuts Small's Lead to Danger Point

SES 6,463 Y MISTAKE N RETURNS

lesby Gains and Thompsonite's Loss Tightens Race for Honors.

Chicago, Sept. 17.—Returns from precincts out of 5,737, in Illinois, for governor, give: Republican: Cook county: 2,205 precincts, Oglesby, 110,194; Small, 191,645. Downstate: 2,977 precincts, Oglesby, 125,932; Small, 147,476. Grand total: 5,182 precincts, give Oglesby, 236,126; Small, 339,121.

Returns from 5,173 precincts, for United States senator, give: Republican: Cook county: 2,205 precincts, McKinley, 116,667; Smith, 184,674. Downstate: 2,968 precincts, McKinley, 215,290; Smith, 137,802. Grand total: 5,173 precincts, McKinley, 331,957; Smith, 322,476.

Chicago, Sept. 17.—With 5,078 out of 5,737 precincts in Illinois heard from Len Small's lead over John G. Oglesby in the Republican race for the gubernatorial nomination, has been reduced to 5,429 votes.

An error of 6,463 in the city news bureau's figures for the 32nd ward of Chicago reduced Small's plurality by that amount.

A clerical error in Peoria county, due to confusion in tabulating the men's and women's votes with ballots, caused an error in the primary count announced by county officials there. Its discovery today restored McKinley's vote for the senatorial nomination by 2,208.

The 5,077 precincts reporting vote for governor:

Cook county—2,194 precincts, Oglesby, 108,447; Small, 191,374.

Downstate—2,884 precincts, Oglesby, 220,582; Small, 143,084.

Grand total—5,078 precincts, Oglesby, 329,029; Small, 334,458.

The vote in 5,077 out of 5,737 precincts in the United States senatorial races gives:

Cook County—2,194 precincts, McKinley, 114,897; Smith, 184,375.

Downstate—2,883 precincts, McKinley, 213,545; Smith, 136,438.

Grand total—5,077 precincts, McKinley, 328,442; Smith, 320,813.

Chicago, Sept. 17.—Efforts were continued today to complete the unofficial count of Wednesday's primary ballot in the closely contested Republican gubernatorial and senatorial nominations and the Democratic senatorial race. With 668 out of the 5,737 precincts in the state missing, of which 279 were in Chicago, Len Small of Kankakee, supported by Mayor Thompson of Chicago, for the gubernatorial nomination appeared to have been the victor over Lieutenant Governor John G. Oglesby, Lowden candidate, by a plurality of about 6,470 in a total vote of nearly 667,962.

Congressman William B. McKinley, Lowden candidate for senator, appeared to have deefated Frank L. Smith supported by Mayor Thompson, by a plurality somewhat smaller than that which decided the gubernatorial contest. Rectification of a clerical error in the tabulation of the Chicago vote put McKinley in the lead by about 4,000 votes. Further downstate reports adding to the gains, McKinley's vote, with 697 precincts outside Cook county to reports 321,884. Smith had 317,-

VOTE FOR PREST. NEXT THURSDAY

Paris, Sept. 17.—(United Press.)—Leon Bourgeois, president of the French senate, today convoked the senate for next Thursday at the Versailles palace to choose a successor to President Deschanel.

CHAIRMAN HAYS ON ARTICLE TEN

Chicago, Sept. 17.—(United Press.)—Will H. Hays, Republican national committee chairman, speaking here today declared "it is just as impossible for a man to believe in the constitution and in article 10 of the League of Nations covenant, as it would have been to believe in slavery and emancipation in Lincoln's time."

Hays addressed a gathering of Republican workers at the national headquarters, held in connection with the constitution day celebra-

CONGRESSMEN CHOSEN BY STATE VOTERS

Cannon and Wheeler Roll Up Big Pluralities—Major Leads in 19th.

Chicago, Sept. 17.—Final revision of returns on the Republican ballots in the congressional primaries outside of Cook county, today showed no changes from the returns previously indicated. The successful aspirants were as follows:

Tenth district—Carl R. Chindbloom.

Eleventh district—Ira C. Copley.

Fourteenth district—William J. Graham.

Sixteenth district—Clifford Ireland.

Seventeenth district—Frank H. Funk.

Eighteenth district—Joseph G. Cannon.

Nineteenth district — Allen F. Moore.

Twenty-first district—Loren E. Wheeler.

Twenty-second district—William A. Rodenberg.

In the Eleventh and Fourteenth districts, the Democratic party has made no nominations for the November election, leaving Representatives Copley and Graham opposed by Socialist candidates only.

Close Contest in Seventeenth.

The closest contest was in the Seventeenth district, but with only five Woodford county precincts out of the 185 in the district, Mr. Funk had 13,277 to 10,292 for Arthur C. Fort.

Representatives Cannon and Wheeler rolled up big pluralities, the former leading E. B. Cooley by better than 7,600 votes and the latter being about 9,000 ahead of William J. Butler.

Of the five Democratic contests for congressional nominations only one, that in the Tenth district, was definitely settled today. John H. Haderling was selected to oppose Representative Chindbloom in November.

Major Has Safe Lead.

In the Nineteenth district, J. Earl Major had an apparently safe lead of 1,015 votes over Thomas L. Jarrett, with 43 precincts missing, most of the places still to be heard from being in counties which favored Mr. Major.

Incomplete returns gave leads to Edward F. Poorman in the Nineteenth district, R. V. Gustin in the Twenty-second, and Allen H. Gravenhorst in the Twenty-third. Only two of the 10 counties in Gravenhorst's district had reported.

CLAIM THAT COX CANNOT WIN OREGON

State Will Go to Republicans by Larger Majority Than 4 Years Ago.

BY DAVID LAWRENCE.
(Special to The Argus).

Portland, Ore., Sept. 17.—Governor Cox has been and gone and has left in his wake a trail of admirers but not enough to carry the state of Oregon. For this state will go Republican by a much larger majority than it did four years ago, when President Wilson lost the state by 5,000 votes. That was a close election. This year it is not even a good contest. Democrats privately admit the situation is hopeless unless by some eleventh hour miracle or development, the whole aspect of the campaign shall be changed nationally.

Estimates as to the size of the majority which Harding will get are varied. Some venturing the opinion that it will be as big as Maine's. But conservative observers who know the state and are not swayed by hopes of partisan desires, look for at least 20,000 majority. Oregon is a rock ribbed Republican state on presidential matters.

It even went Republican in 1896 when the western wave of Bryanism was sweeping the land. It stood staunchly in the Republican column when the cry of "He kept us out of war" won the electoral votes of California on the south, Idaho on the east and Washington on the north.

Cox Will Cut Majority.

Governor Cox was warmly received. Unquestionably he cut down what might otherwise have been an overwhelming majority. Indeed, he won back many of those Democrats who had strayed from the fold. On the other hand he failed to satisfy either wets or drys by his statement that the liquor issue is dead. Most everybody in the cities knows it is not dead and that attempts to weaken the enforcement laws will be constantly made and will be presented to the next president of the United States for consideration. And the folks in the country know it is not dead chiefly because the prohibition agitators will not let them believe it dead.

"Demmies" for "Dry" Man.

Then there is another straw that shows the way the wind blows. The western Democrats didn't bring about the nomination of Governor Cox. They were for McAdoo be-

CABINET JOB TO DE LA HUERTA

General Obregon Gives Retiring President Foreign Portfolio.

San Antonio, Texas, Sept. 17.—(United Press.)—President de la Huerta, who will retire from the presidency of Mexico when General Alvaro Obregan assumes the administrative office in January, may be given a cabinet position by Obregon, according to unofficial reports here.

It is said he will be offered either the portfolio of gobernacion or foreign relations. Either would give Huerta great influence in the additional reconstruction work planned by the incoming administration, the report declared.

CHICAGO VOTE NOT AVAILABLE

Chicago, Sept. 17.—For the first time in an important election in recent years, complete Chicago returns on the state primaries of Wednesday are not available to newspapers for an official count. More than two hundred fifty precincts are missing until the official count is made next Tuesday.

Heretofore Chicago newspapers have obtained the unofficial returns from the police. This year Chief of Police Garrity ordered these returns sent direct to the city hall, where they were given out by city officials, but not tabulated. Election officials ordered a special copy of the returns in each precinct for the newspaper count. In many precincts the ballot boxes were sealed before this special copy had been taken and these are the missing precincts.

BAKER CLAIMS LEAGUE PACT SAVED ONE WAR

Secretary Discusses Treaty and League in Waterloo Speech.

Waterloo, Iowa, Sept. 17.—There will be no peace in Europe until the burden of armament is lifted and the fear of war destroyed, Secretary Baker declared here today in a speech devoted wholly to discussion of the treaty of Versailles and the League of Nations covenant.

Challenging a statement from Senator Harding's speech accepting the Republican presidential nomination that the league was "so utterly impotent to prevent wars that it has not even been tried," Secretary Baker declared the league's operation "has already saved one war, though Senator Harding did not know it."

He recited the submission to the league council by Sweden and Finland of the Aland Island dispute.

"Under the old order," Mr. Baker said, "Finland would instantly have occupied the Aland islands with her military forces."

The secretary also took issue with what he described as Senator Harding's assertion that some such international court as The Hague Tribunal with "teeth" in it, was the sole agency necessary for the presentation of world peace.

"All of which sounds very simple," Mr. Baker continued, "but whose teeth is the senator going to put into The Hague Tribunal? His criticism of the covenant of the League of Nations is that it may require the use of the armed forces of the United States. Now our armed forces are our teeth, if The Hague Tribunal is to have teeth, it is to have force and the only kind of force which operates among nations is armed force."

U. S. CAN DECIDE SAYS HARDING

Between the Constitution and the Covenant—Discusses Rape of Haiti.

Marion, Ohio, Sept. 17.—Pronouncing the League of Nations covenant irreconcilible with the American constitution, Senator Harding declared in a "Constitutional Day" address here today that the time had come for the United States to decide whether it would preserve or abandon the charter under which it achieved nationality.

"The constitution or the covenant, that is the paramount issue," he said. "The two are irreconcilible. We cannot be governed from both Geneva and Washington. We cannot follow our present chief magistrate without forsaking the Father of our Country."

The Republican nominee also assailed the administration's policy toward the smaller nations of the western hemisphere, asserting that the executive had usurped congressional powers to carry on an unconstitutional war with Hayti and San Domingo.

The speech, delivered from the front porch to delegations from several Ohio counties, reviewed the circumstances surrounding the making of the constitution and outlined the candidate's conception of the balanced powers of the executive, legislative and judicial branches of the government. Only by preserving that balance, he said, could the United States fulfill its greatest destiny.

The United States is now waging undeclared war with "little, helpless republics of our own hemisphere," the senator declared. He quoted Mr. Roosevelt as saying:

"The fact is that I wrote Hayti's constitution myself. Until last week I had two votes in the league assembly; now Secretary Daniels has them."

"To the best of my information this is the first official admission of the rape of Hayti and San Domingo by the present administration," continued Senator Harding.

He also charged that "thousands of native Haytians have been killed by American marines."

MAUCKER LOSES HENDERSON BUT LOOKS WINNER

Werts Creeps Up In Demo Race for Legislature—McCaskrin, Abbey Retain Lead.

William C. Maucker, according to late returns received from Henderson county, will undoubtedly maintain his lead in the Thirty-third district race for the Democratic nomination to the general assembly.

McCaskrin and Abbey retain their lead in the Republican race, although a complete count of the Mercer county ballots gave Wells a substantial but insufficient boost.

Complete returns from Henderson county show that Maucker received 177½ votes. Although Werts, his nearest rival in the balloting of Rock Island county, was accorded 529½ votes in his home county, possibility of his renomination by the Demos of the district fade in the shadow of the overwhelming victory of Maucker in Rock Island county.

Maucker Gets 1,762 in R. I.

A total of 1,762 votes were thrown to Maucker from this county, 10 precincts of Moline yet missing in the unofficial count. Werts received 706 at the same polls. In the two counties, Maucker has a fairly safe margin of 704 votes.

Schwartz, running poorly in both Rock Island and Henderson counties is hopelessly out of the race, although it is thought that he will make a stronger showing in Mercer county. If the vote lives up to expectations, it even enhances the lead chances of nomination of the Rock Island candidate.

Wells Takes Mercer.

In the complete returns from Mercer county, Wells, candidate for the Republican nomination for state legislature against McCaskrin, Abbey and Ball, received his expected plurality, although the showing made by McCaskrin in the lower end of the district continued to be surprising.

Wells received 3,338, but McCaskrin gained 1,558. Abbey ran well, getting 2,878½.

The total count for the district gives McCaskrin an overwhelming lead with 20,169, Abbey second place and also nomination, with 13,288, Wells being third and out of the race, with 11,376.

GREAT VICTORY SEEN BY LABOR

In Italian Premier's Decision Which Embodies the Workers' Demands.

Milan, Italy, Sept. 16.—Leaders of the Confederation of Labor, and workers generally, seem to believe they have won a great victory in the decision of Premier Giolitti to appoint a commission to submit concrete proposals respecting participation by workmen in the technical, financial and disciplinary management of factories, which was announced at Turin today. This commission's report will be made the basis for a bill which will embody many of the demands made by metal workers since they have occupied industrial plants throughout the country.

London, Sept. 17.—Lord Mayor Terence MacSwiney of Cork, who today began the 36th day of his hunger strike at Brixton prison, passed a somewhat better night and had a little sleep, said a bulletin issued at 10 o'clock this morning by the Irish Self-Determination league.

London, Sept. 17.—(United Press)—Terence MacSwiney, hunger striking lord mayor of Cork, was exceedingly weak at last reports to the Irish Self-Determination league today.

Mrs. MacSwiney's strength deserted her and she was relieved in her bedside vigil by relatives. MacSwiney has taken no food since Aug. 12.

Helena, Mont., Sept. 17.—Montana wool growers, through their organization perfected at a meeting held here last night, will deliver finished blankets and cloth for men's and women's clothing, made from virgin wool, from Montana, to the consumer, at a price which will eliminate the profits which now prevail between the grower and the consumer, it was announced, after the meeting.

A contract has already been agreed upon between the association and independent woolen mills, making possible the undertaking.

WARNING NOTE TO N. Y. FRIEND

Edward Fischer Leaves Toronto After Mailing Mysterious Postal.

Toronto, Sept. 17. — Edward Fischer, described as a member of an old New York family, who was staying at a hotel here early this week, left suddenly after he is alleged to have mailed a postal to George Ketchledge, an employe of a New York brokerage firm, warning him to "get out of Wall street as soon as the gong strikes at 3 o'clock Wednesday, the 15th."

U. S. OFFICALS AWAIT REPORTS

Secret Service Operatives Begin Investigation of New York Explosion.

Washington, Sept. 17.—Government officials here today were awaiting reports from their agents as to the cause of yesterday's explosion in the New York financial district.

Investigation was begun immediately by secret office operatives of the treasury, department of justice agents, inspectors of the postoffice department, and department of agriculture experts. Extra precautions were taken also to guard government property here, particularly the treasury building, as a result of reports from New York that the explosion was the result of a bomb plot.

NO CREDIT EXTENSION.

Washington, Sept. 17.—Extension of credit by the government does not seem warranted by present conditions, Secretary Houston stated today, attributing much of the popular clamor for more credit to persons desiring to hold their goods for higher prices.

EDWARD P. FISCHER HELD BY CANADIAN OFFICIALS; PREDICTED N. Y. BLAST

Warned Friend by Postal to 'Get Out of Wall St. When Gong Strikes.'

Hamilton, Ont., Sept. 17.—(United Press.)—Edward P. Fischer, suspected of complicity in the bomb outrage in Wall street yesterday, was arrested in the Bank of Hamilton building here this morning by the Hamilton police on a charge of insanity.

Washington, Sept. 2—Reports from William J. Flynn, chief of the bureau of investigation of the department of justice, received here today, point conclusively to the fact that the explosion in New York was caused by an anarchist bomb, it was announced today at the justice department.

New York, Sept. 17.—Another "lead" was furnished the authorities by George F. Ketchledge, an employe of B. F. Schwartz & Co., who said he received a postcard two days ago from Edward Fischer, formerly employed by the French high commission.

The card, mailed in Toronto, Ont., Sept. 11, read:

"Greetings: Get out of Wall street as soon as the gong strikes at 3 o'clock Wednesday, 'the 15th.' Good luck."

Fischer is said also to have written a warning to Lieutenant Arnaud of the commission. It was contained in a plain white envelope and dropped into the mail receptacle of the commission.

Thomas Delahaunty, caretaker of tennis courts, said Fischer told him two weeks ago "Wall street will be blown up on the 15th."

"Fischer is a fine tennis player."

"Did he seem to be really in earnest when he warned you not to go to Wall street?" Delahaunty was asked.

"You bet your life he did," the caretaker replied. "He was a friend of mine for seven years, and he often told me that he was the friend of the under dog. He was serious, all right, and he didn't want to see me get hurt."

"When did you last see him?"

He never came back here again," Delahaunty replied. "He came here that morning apparently to warn me and I never have seen him since. When I heard of the explosion I recalled his warning."

"Fischer said: 'Tom, I want to tell you a secret,'" Delahaunty declared in an interview with the United Press. "'We are going to blow up Wall street on the 15th. We've got them where we want them. We're going to get England, too. We've got England where we want them, too.'

"Everybody around here thought he was kind of crazy. He always took sides with the bolsheviki and anarchists, but nobody took him seriously."

Toronto, Ont., Sept. 17.—(United Press.)—Edward Fischer, the man alleged to have sent "warning" of an explosion in Wall street, left the Queen's hotel Sept. 14 without paying his bill of $11. It was said here he had also stayed at the Queen's-Royal hotel at Niagara on the Lake previously, leaving a bill of $4.75.

During his stay at the Queen's he attracted much attention by his violent conversation. To one of the staff he said:

"There are four millionaires out there and I am worth more than all of them."

He is also said to have predicted to one of the servants there would be "an upheaval" in New York on Thursday.

Forest Hills, N. Y., Sept. 17.—(United Press.)—Mrs. Robert A. Pope, sister of Edward P. Fischer, former New York tennis star sought in connection with the Wall street explosion, said today she had not heard from him recently and she has no knowledge of his whereabouts. She declined to answer questions concerning her brother.

Philadelphia, Sept. 17.—(United Press.)—The United States mint, the stock exchange and the general financial district were guarded today as a precaution against bomb outrages. Department of justice agents said radicals were under surveillance.

Watch Chicago Trade Center.

Chicago, Sept. 17.—(By United Press.)—Plain clothes men were stationed around the Chicago board of trade and Rookery building today as a precaution against terrorism. Yesterday detectives patrolled Chicago's financial section. The Rookery building contains the offices of brokers.

New York, Sept. 17.—The financial centers of America's big cities from coast to coast are armed camps today, with police and private sentries posted to guard against repetition of the mysterious explosion that rocked "Wall

BIG BUSINESS IS FLAYED BY COX; PRAISES 'HIRAM'

Democratic Nominee Lauds Johnson For His Progressiveism.

Sacramento, Calif., Sept. 17.—In an address here today, opening his California campaign, Governor Cox of Ohio, Democratic presidential candidate, praised Senator Hiram Johnson, Republican, who resides here, as an exponent of progressiveism and again flayed "big business" and Republican leaders supporting Senator Harding.

Although they differ fundamentally on the League of Nations, Governor Cox said he admired Senator Johnson for frankness and lack of ambiguity or hypocrisy.

"He and I do not agree on international policies," said Governor Cox, at a noon meeting, "but I respect the man for his candor."

"I have looked with admiration on the fight which he has made throughout the years against reaction. * * * * *

"As an Ohioan, I give you the assurance that the observations made by a distinguished citizen of our state to the effect that Hiram Johnson was a blackguard and unfit to associate with decent men, is not the view of our people.

"If the reactionary senatorial oligarchy gains control of the government in this campaign, it will so manipulate the power of patronage that the progressive Republicans will either be compelled to join another party or to form one of their own."

Governor Cox then drew a parallel between the campaign of 1912 and 1920, saying that in each case progressivism, as championed by Roosevelt in the former and Johnson in the latter, was defeated by the forces of reaction.

Reviewing the 1920 campaign, the speaker said:

"Doubtless, the return of Barnes is another evidence of going back to normalcy."

Leaving Sacramento at 1:35 p. m., the governor was to speak tonight in San Francisco auditorium, where he was nominated in the early morning hours of July 6, last.

Muskegon, Mich., Sept. 17.—(United Press)—Renewed attempts to shake the nonchalance of Dr. Otis W. Sedgwick, held here in connection with the murder of his wife and three-year-old daughter, at Whitehall, Mich., were made by authorities today.

Dr. Sedgwick, found in bed in his home at Whitehall when neighbors investigated the murder, has refused to talk. The Sedgwicks' baby was asleep in a crib when the father was found. The infant is one year old.

Police said they found letters in the Sedgwick home indicating the father suffered a mental malady which caused temporary insanity.

'BIG BILL' SUES NEWS AND 'TRIB'

Chicago, Sept. 17.—Two suits for $10,000,000 were filed today on orders of Mayor William Hale Thompson against the Chicago Tribune, and the Chicago Daily News, respectively. The suits, according to corporation Counsel S. A. Ettleson, allege that charges made by these papers in the primary campaign that ended Wednesday have injured Chicago financially.
