

FIGURES SHOW 2,250 ENROLLED BY UNIVERSITY

Urban Departments Have 1,200,
Chicago 700—Increase Is
Very Small.

(Special to The Argus.)

Urbana, Ill., Nov. 22.—Registration figures, completed at the office of G. F. Tuttle, registrar of the University of Illinois, show 2,250 students enrolled in the university.

The figures show the growth of the university to be practically at a standstill; it has increased by 2.4 per cent, or 190 students, over last year at this time, when 2,063 were enrolled. The local branch is 1.5 per cent greater and the college of medicine and dentistry and the school of pharmacy are 10.3 greater.

There are 85 fewer undergraduate men attending school in Urbana, although there are 97 more undergraduate women than there were last year. When professional students are included in the list there prove to be three men more than in 1919, although the average

for women remains near a hundred. Three Colleges Larger.

The colleges of commerce, of law, and of education, are the only departments which can show an increase in attendance, all the others having fallen short. The colleges of liberal arts and sciences and agriculture are nearly holding their own, but that of engineering, the school of music and the library school have slumped between 6 and 9 per cent.

The school of pharmacy has two less enrolled than before, but it is the only one of the medical departments which has lost.

The undergraduate classes contain the following numbers: 783 seniors; 1,183 juniors; 1,713 sophomores; 2,798 freshmen.

ERIE
(Special Correspondence.) George Rieder and family of Erie are now completing their residence, which has been remodeled during the summer and fall. Extensive improvements have been made to the exterior and interior, a 3-story addition having been built at the rear, a basement excavated under the entire structure, partitions removed and an open stairway built. The interior is finished in white enamel and mahogany, and electric appliances installed, making a modern, up to date house in every detail.

Mr. and Mrs. Lou Shearer of Erie entertained Mrs. Earl Fine and Miss Caroline Conner of Sterling at 6 o'clock dinner Wednesday evening. The ladies remained for the evening.

Howard Eddy of Erie has been confined at home for several days on account of a fractured rib, as a result from the kick of a horse while in the field.

Mrs. George Padden was hostess Friday at a 1 o'clock dinner, given at her home as a favor for Mrs. Fidella Eddy of East St. Louis, who has been visiting relatives and friends in Erie. A bounteous dinner was served, after which the guests were favored with piano selections by Mrs. Padden, which were much enjoyed, and the remainder of the afternoon was spent informally in a general social way.

Those present were the following: Mrs. Wilbur, Mrs. J. R. Hamel, old friends and neighbors: Mrs. Fidella Eddy, Mrs. Seth Eddy, Mrs. Wells.

Minnie Mason, Mrs. Lester Padden, Mrs. Annie Cunningham, Mrs. J. R. Hamel, Mrs. J. R. Hamel, Mrs. Emma Woodruff and Miss Cora Wells.

"Well, I'll Be Switched"—

exclaimed the chap who had just heard the why and wherefore of Spur Cigarettes. It didn't take him long to say, "Switch me to Spurs."

Notice that good old-time tobacco taste in Spurs. Trace it down and you will find it comes from the blend of choice Turkish, fine Burley, and other home-grown tobaccos. Rich—refreshing—right.

Finger Spur. It's fat and full-rolled. Note the crimped seam—no paste there. It's a new wrinkle in cigarette making—and Spur owns it all. You'll discover that crimping means easier drawing, slower burning, better taste.

Spur is a well-dressed cigarette—the rich-looking, brown and silver package of twenty, with its threefold wrapping, suggests good taste as plain as day.

Ring out the old, ring in the new. Start fresh with Spur.
