

**CIRCLES REPORT
\$1,165 PLEDGED
HOSPITAL FUND**

Woman's Auxiliary Board is Actively Engaged in Lutheran Hospital Campaign.

The Woman's auxiliary board of the Lutheran hospital, which consists of a representative from each of the 17 hospital circles, with a membership totaling 400, are actively engaged in the appeal for funds which is being carried on for the Lutheran hospital.

At the last meeting of the board, Sept. 25 a resolution was passed asking the circles to pledge an amount equal to at least \$5 per member. The plan proposed by the board was that this money was to be raised some time during the coming year by means of social functions and rummage sales. Since that time several of the member circles have had meetings and action has been taken in regard to the appeal for funds. In almost every case the circles have adopted the recommendation of the board and already plans are being made to make their pledges good.

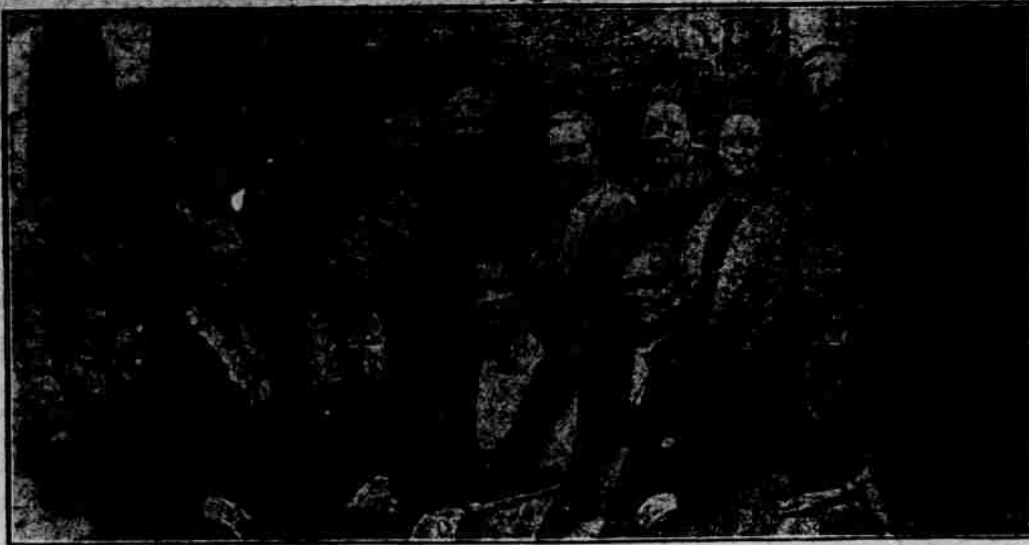

The circles that have acted on the hospital appeal and have made their pledges are as follows: The Van Borah, Lutheran, Mothers, Silon, Bethel, Twin-City, Bethesda, Service, Phoebe, Francis Willard, Augusta Erickson, Orion Hospital circle, the First Salem circle. The total amount pledged thus far is \$1,165.

Workers Praised.

The appeal committee of the Lutheran hospital in commenting upon the response from the hospital circles has expressed its high appreciation of the action that has been taken in the present appeal for funds. The committee considers it significant in view of the fact that the auxiliary board has already pledged itself to install a hydrotherapy apparatus at the Lutheran hospital as soon as space is made available and the committee believes that this will be possible some time next year. The apparatus that the auxiliary board has in mind will cost approximately \$2,500. Another reason why the committee is gratified over the action of the hospital circles is because the majority of them are members of the Lutheran churches in Rock Island, Moline and outlying communities and the pledges of the circle members is in addition to their pledge within their own church.

DO YOU LIKE TO READ ABOUT MURDERS? IF YOU DO YOU'LL FIND PLENTY IN DAY'S NEWS

Chicago, Oct. 24.—Nine tragedies stand out as dramatic spectacles in the news of America today, and all of them present women in the leading roles. They have their settings in six sections of the country.

Six sensational murder cases, five with women as defendants, are in various stages of trial. Another woman, "Peggy" Beale, won her freedom from a jury in Kansas City last night, and a seventh, Madalynne Obenchain, awaits her third trial in Los Angeles.

Most of the cases present the "eternal triangle" with variations. Briefly, the nine sensational cases appear as follows:

Beale.
Kansas City, Mo.—Marie F. "Peggy" Beale stepped out to freedom, acquitted last night after a short trial on a charge of murdering her lover, Frank Warren Anderson.

Burch.
Los Angeles, Cal.—Arthur Burch of Evanston, Ill., faces his third trial on a charge of killing J. Belton Kennedy. Eight women and four men constitute the jury, with two women as alternate jurors. Madalynne Obenchain awaits her third trial on the same charge.

Phillips.
Los Angeles, Cal.—The jury to

carnival promoter. Three of four jurors selected are women.

Hodell.
White Cloud, Mich.—Mrs. Meda Hodell, on trial for killing her father-in-law, David Hodell, with poison, repudiated her previous "confession" to police, declaring the confession was obtained by threats of being haunted by spirits of her father-in-law and her husband, Romie Hodell.

Hall-3ills.
New Brunswick, N. J.—State officials took over the task of attempting to solve the murder of the Rev. Edward W. Hall and his choir leader, Mrs. Eleanor Mills.

YOUTHS OF HAITI SEEK POLICE JOBS

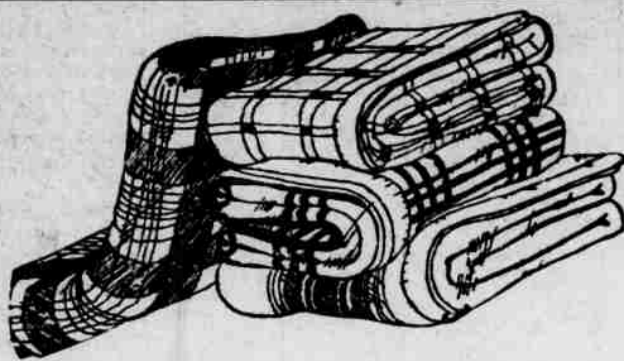

Port-Au-Prince, Haiti.—The sons of the best families in Haiti are seeking commissions in the Haitian rural guard, or gendarmerie. Thirty such young men now hold commissions, and 21 others are awaiting their final examinations.

Burns and scalds! MENTHOLATUM cools the pain and heals the blisters.

actions after a year of training. It is from these officers that President Borno selects his aides. They replace the old type of purely ornamental aides who were usually appointed for political reasons. The newly commissioned officers will not only perform the military duties of gendarme officers, but will attend a military school for two years.

Of the American officers serving with the Haitian gendarmarie, 120 in all, the field officers are marine corps officers temporarily serving under the Haitian colors. The senior officer is Lieutenant Colonel Douglas C. McDougal, who holds the rank of major-general while acting as chief of gendarmarie. The gradual building up of the gendarmarie by training Haitians to hold commissions is proceeding satisfactorily. The native officers are rendering excellent service against the time when the gendarmarie will be a purely Haitian force, both rank and file.
