

SENATORS JOIN IN COMBINE TO UPSET MACHINE

Chicago, Dec. 24.—Republican state senators will go into caucus next Tuesday night at Springfield on the single issue of control of the senate by Governor Small and Mayor Thompson or the converse.

This was set out in a statement issued last night by Senator Thurlow G. Eschington of La Salle county, who makes the proposition, as a fundamental, that the present and proposed hard road building system shall not be used by the state administration to control the general assembly.

The claim is out that 25 senators have signed their names to an agreement, based upon policies expressed in the Eschington statement; namely, that there is to be no attack upon Governor Small, but that the proposed organization, will be friendly to any "good" legislation that he may propose. Three other senators, whose names are not signed to yesterday's agreement, are said to be prepared to go along.

The Republican senate caucus will be composed, normally, of 42 senators. Senator Clark is on his way to California, and he is supposed to be aligned with the state administration. Senator Mason was operated upon Monday for appendicitis, and probably will not be present. He would be paired with

GRACE LUTHERAN WINNER IN OPEN BASKETBALL SERIES

The Grace Lutheran team defeated the First Methodist basketball team, 31 to 15, in the first game of the intermediate Sunday league, which opened last night. The game was played in the Y. M. C. A. Both teams had exceptionally strong lineups but towards the last half of the game the Methodists began to weaken under the steady and consistent attack of the Lutherans. The lineups follow:

Grace, Lutheran—W. Anderson, g.; P. Anderson, g.; Endlich, Swanson, c.; Knaus, f.; Jackson, f.; First Methodist—Lavender, Crutzen, f.; Dickman, f.; Pratt, f.; Nottaker, g.; Greve, g.; Huntley, f.

The referees were Robley Black and the juniors open their league tomorrow afternoon at 4:30 o'clock when the South Park Presbyterian and Central Presbyterian churches clash. The Methodist Christian and First Lutheran teams meet in the second game. The junior schedule opens Saturday afternoon with the Grace Lutheran and Central Presbyterian teams in the first game. Edgewood Baptist and Spencer Memorial play the second game of the afternoon.

SHANAHAN MAY BE CHOICE

House Republicans of different alignments were in separate conferences in Chicago during the day. Out of all of them came the significant suggestion that there is no agreement in sight among announced candidates, with the possibility always looming that former Speaker David E. Shanahan will be the ultimate choice.

The case of the senators who are insistent that the senate shall not be controlled admittedly in the interest of Governor Small, Mayor Thompson and Fred Lundin, is summarized in Senator Eschington's statement. It is recalled that the state administration attempted to defeat Eschington both in the primaries and in the election and that the state administration has refused to build any hard roads in La Salle county, except under Lundin contracts.

"I am one of those senators who have joined in an agreement to organize the senate from within the membership of the senate. While I cannot speak for the senators participating, I believe organization of the senate along these lines will result in closer scrutiny of appropriation bills and consequent reduction in state expenditures and taxes."

BELIEVE YOUNGESTER SHOT 10-YEAR-OLD BROOKLYN STUDENT

New York, Dec. 24.—Brooklyn's detectives, seeking a solution of the mysterious shooting of Theresa McCarthy, 10-year-old school girl, in her home Tuesday, took note of the slightly upward course of the .22 caliber bullet that pierced the heart, and today inclined to the theory that another child of similar age was responsible for the tragedy.

The deduction was that the bullet's course would have been downward, rather than upward, had an older and taller person fired the shot.
