The usual treatment of catarrh is very unsatisfactory, as thousands can testify. Proper local treatment is positively necessary to success, but many, if not most, of the remedies in general use afford but temporary relief. A cure certainly cannot be expected from snuffs, powders, douches and washes. Ely's Cream Balm, which is so highly commended, is a remedy which combines the important requisites of quick action, specific curative power, with perfect safety and pleasantness to the patient. The druggists all sell it.

**PORT BYRON.**

Some people were much exercised for fear a quarry was to be opened up in the heart of town, but the fact is that Dr. Bruner is only making a new cistern.

The blizzard which is raging today has stopped business of all kinds. The time kill men could not work in the quarries; in fact, all out of door work is at a stand still.

This seems to be live stock week. On Monday, Peasall Bros. shipped one car load of horses and one of hogs, Swank & Hollister one car load of cattle, and S. A. Wilson five car loads of cattle. On Tuesday, Sam Tyler shipped three car loads of cattle.

**The Modern Pandora's Box**  
The modern Pandora of fashion and folly has opened the box of the ill of her kind. Hence weakness and sickness with acute melancholy.  
Much suffering of body and worry of mind. This host of complaints, this legion of pain, has harassed the lives of all of the sex. For relief, will they seek forever in vain? And must they still suffer direful torments? A sure cure for all of such description, of its wonderful virtues each purchaser talks. "Dr. Pierce's Favorite Prescription!"  
Dr. R. V. Pierce, Dear Sir: I have taken the "Favorite Prescription" and I can recommend it to anybody that suffers with any female disease. I have tried several doctor's prescription, but none did me the good that yours did.

**JOSLIN.**

JOSLIN, March 28.—Theresa Warren, of Hampton, has been visiting with Mr. and Mrs. Frank Wainwright during the last week.

James Adams has purchased what is known as the Reed homestead from Alonzo Dunbar.

Rev. Hicks as a weather prophet, will soon be upon the pinnacle of fame. He predicted the last cold snap precisely. Some of our farmers have sown oats and some have made garden. Saturday night's freeze is not very encouraging.

On Friday last, as advertised, occurred the sale of a portion of the B. B. Joslin estate. Col. Curtis, master of chancery, and S. W. Searle, of Rock Island, came up on the morning train. The sale commenced at 2 o'clock. It had the appearance for a time that there would be a very dull time. There was not a single bid upon the first three lots, which consisted of 100 acres. The next lot offered was 78 acres, which joins W. Whiteside on the east. Alonzo Dunbar first bid \$1,500. There was then a very spirited contest between F. E. Crompton and F. W. Whiteside, which resulted in F. W. Whiteside becoming the purchaser at \$2,501. Col. Curtis then after a while came back to the first three lots offered, which were knocked down to F. E. Crompton for \$2,000. Twenty-two acres of timber were sold to John Joslin for \$220 or \$10 per acre.

My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all, eight bottles; it has cured me, and thank God I am now a well and hearty woman. Trial bottles free at Hartz & Bahnsen's drug store, regular size, 50c and \$1.
