A Good Appetite always accompanies good health, and an absence of appetite is an indication of something wrong. The universal testimony given by those who have used Hood's Sarsaparilla, as to its merits in restoring the appetite, and as a purifier of the blood, constitutes the strongest recommendation that can be urged for any medicine.

Hood's Pills cure all liver ills, biliousness, jaundice, indigestion, sick headache—25c.

Nebochadnezzar's Doorstep. In the Egyptian and Assyrian gallery of the British museum and in close proximity to the Hittite monuments and the bronze gates of Shalmaneser may be seen an object of more than ordinary interest—a very common looking bronze doorstep from the great temple of E-Lagil at Borsippa, a suburb of Babylon. This doorstep, ordinary as it appears, is of great historical value, as it not only has the name of King Nebuchadnezzar inscribed upon it, but also mentions his restoration to health and power. It is no doubt a native offering and an object of great antiquity.—Philadelphia Press.

John G. Lutton, of Le Roy, N. Y., a prominent grocer and G. A. R. man, says: "I have been troubled with indigestion and biliousness for years. Tried Parks' tea and it has cured me. I recommend it to everybody."

## McIntyre-Reck Dry Goods Co.

Sole Agents for Butterick Patterns—the best in the world.

## Hot Weather

Is right upon us, and the great problem is how to keep cool. McIntyre-Reck will help you solve it, and at a very small cost.

The Shirt Waist is one of the most sensible and comfortable of garments for women's hot weather wear, and when the cost is so slight as we shall make it, every woman should have a couple.

While they last, 25 dozen percale waists, five styles, absolutely fast colors, making of the best—not one has sold for less than 50c and up to 80c—our price 30c. Better get two or three while you can.

10 dozen stylish waists in a variety of colors and the new shoulder style, 47c. Worth much more than we ask.

A special—all we could get, 84 dozen, \$1.25 and \$1.35, very stylish sailor waists in black and navy, plain and with polka dot, only 90c. No more at the price when these are gone.

To thoroughly shape up our Ladies' Wrapper department, this week we will divide the stock into three lots at moving prices.

Lot 1—At 50c and 60c—wrappers worth up to 80c.

Lot 2—At 75c—wrappers which have been sold as high as \$1.25.

Lot 3—At \$1.25—wrappers worth \$1.50, \$1.75, \$1.95 and \$2.00.

This is a good opportunity to secure a wrapper at less than the material costs. The big wash goods sale will be continued this week with new additions and sharper cuts in prices. If you want the nicest summer dress for the least possible money, our wash goods department is the place for you to buy.

**McIntyre-Reck Dry Goods Co.**

## Arguments

Are of small avail unless supported by hard, solid facts. We have a few dozen too many ladies' and children's Aprons, and propose to reduce stock this week by slashing prices right and left. There will be many bargain offerings through the entire line, but we direct special to the following:

11 dozen ladies' fancy aprons worth 12c, at 9c.  
7 dozen pretty styles worth up to 32c, at 19c.  
10 dozen, 8 handsome styles of aprons worth up to 40c at 25c.  
A bargain assortment worth up to 57c, at only 35c.

All these lots are nice, clean, new goods, made in a superior manner. Other and better values at wonderfully low prices.

In children's dress aprons we show the best assortment in Rock Island at the lowest prices—still to make this sale doubly interesting, we will deduct from the price of every child's apron sold from Monday morning to Saturday night 16c per cent—one sixth. You will have over 40 styles to select from.

Full assortment of newest wrinkles in laundered waists, chemisettes, collars and cuffs, all of superior quality and at the lowest possible prices. To miss this sale is to miss the best offering of the season.
