## Delightful Serial

Following "The Lovely Malincourt," now running in THE ARGUS, another literary feast will be served. It will appear in the beautiful romantic serial by Kate Jordan,

# - THE OTHER HOLSE 

It's a study of human nature by the author of the success, "The Kiss of Gold."
The Other House is a romance of passionte love, intensely absorbing and very realistic. It is true to life and points to a noble ideal. The style is extremely entertaining. Miss Jordon frequently surprises her readers with crisp and striking epigrams; again her versatile pen glides into 2 most charming poetic style, neither hackneyed nor tedious.

Read it in Today' Iesue. On Second Page.
