Try Grain-O! Try Grain-O!

Ask your grocer to show you a package of Grain-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. Grain-O has that rich seal brown of Mocha or Java, but it is made from pure grains, and the most delicate stomach receives it without distress. Three-fourths the price of coffee. 15 cents and 25 cents per package. Sold by all grocers.

When You Take Your Vacation the most necessary article to take with you (after your pocket book) is a bottle of Foley's Colic cure. It is an absolute prevention or cure of all derangements of the bowels caused by a change of water. You are likely to need it. Sold by M. F. Bahnsen and T. H. Thomas, druggists.

The Fountain of Youth.

We all remember the story of Ponce de Leon seeking the fountain of eternal youth; and we all sympathize with him in his search. Youth means so much. It means more than life—for sometimes life becomes a weariness. But youth—with its abounding health and vigor, its elastic step, its glowing cheeks, and sparkling eyes—we all covet genuine youth.

The weakness or disease which ages people before their time, is not the result of accumulated years; it is the effect of wrong living and unhealthy blood. When the blood is pure and fresh the body will be full of youth.

Thousands of people who seemed to have lost their youth by disease and suffering have found it again through the use of Dr. Pierce's Golden Medical Discovery, the most perfectly natural and scientific rejuvenator of the physical forces ever known to medical science.

It gives the blood-making organs power to make new blood, full of the life-giving red corpuscles which drive out disease, build up fresh tissue, solid muscular flesh and healthy nerve force. It gives constitutional power, deep and full and strong; rounds out hollow cheeks and emaciated forms; gives plumpness, color and animation.

It does not make flabby fat like cod liver oil. On this account, it is a perfect tonic for corpulent people. It aids digestion and the natural action of the liver, and by feeding the nerves with highly vitalized blood banishes nervousness, neuralgia and insomnia.

Where a constipated condition exists, the "Discovery" should be used in conjunction with Dr. Pierce's Pleasant Pellets, which are the most perfect, mild and natural laxative in the world. There is nothing else "just as good." There is nothing that will do the work so thoroughly, surely and comfortably.
