

## "How Would You Like to Be the Iceman?"

is another vaudeville song. It ought to make a hit in summer theatres. The song of low prices is what has made the hit at Shields' Cash Grocery. A few years ago when it was first heard skeptics said it couldn't last. It did last, though, and SHIELDS' CASH GROCERY is still doing business at the old stand. Cutting the prices and dividing the profits with the purchasers. The moral is plain: If you want to take advantage of this kind of dealing, trade here.

## DEAD ON THE TRACKS.

Adam Schmitt, Jr., Killed on the Rock Island Road Early This Morning.

HE HAD FALLEN TO SLEEP.

Freight Car Passes Over His Face and Arm, Badly Mutilating Them—No Witnesses to Accident, But Supposition is, on Returning Home, He Sat Down in the Yard to Rest—Inquest Held.

Adam Schmitt, Jr., of 1908 First avenue, who had apparently fallen asleep on the tracks, was run over by a freight car in the lower Rock Island yards at 2:30 o'clock this morning and killed. His lifeless body was found lying between the rails by Switchman J. E. Gustine and was conveyed to Knox's undertaking rooms in the patrol wagon. The car wheels had passed over the face and left arm, badly mutilating them.

Schmitt left his home at 8 o'clock last night, telling his wife he would return in a half hour. He was seen at the oil house fire at midnight, by Grant Pinckley, a Rock Island switchman, who testified at the inquest that Schmitt acted as though he had been drinking. There was not a single witness to the tragedy, so far as Coroner Eckhart or the police could ascertain. The supposition is that Schmitt on returning home sat down on the track for a rest, and had been slumbering possibly two hours when his life was crushed out, being unconscious of the approach of the train.

The accident occurred in the yards between Twenty-first and Twenty-second streets. Switch engine No. 651, with Engineer J. B. Schugt and Fireman Walter O'Hara, was backing a string of freight cars down to the Rock Island freight depot, when Switchman Walter Fry, who was standing on the first car, felt a jolt, as if the wheels had passed over an obstruction, but he thought it was probably a stick that had been dropped on the track, and gave no further heed to the incident. Shortly afterward Switchman Gustine, on going to the freight house to turn in his car bills, discovered the dead body.

Verdict of Coroner's Jury. An inquest was conducted today. The jury, composed of Mr. F. Archer, foreman; W. A. Giles, John Bruner, Harry Coyne, J. A. Woods and William Bentley, returned a verdict that the deceased came to his death by "being run over by a railroad car in the C. R. I. & P. railroad yards, and we do further exonerate said C. R. I. & P. railway from all blame."

Schmitt was 29 years of age and was employed at the Rock Island cash and door works. He was married in 1898 to Miss Catharine Hussey, who survives, beside his father, Adam Schmitt, and a sister, Miss Mary Schmitt.

### THE SMOKER AT THE CLUB.

Last Night's Entertainment in Honor of the Woodmen Officers.

The Rock Island Club gave a smoker last night in honor of the board of directors, law committee and auditors of the Modern Woodmen order that proved a most happy affair. The entertainer was a band of Moline colored people, who played a previous engagement before the club, and who were reinforced by a touring specialist, who is an artist both as a singer, dancer and acrobat. The colored folks furnished a program of vocal and instrumental music that was thoroughly enjoyed by all present. After refreshments had been served in the dining room a few hours were pleasantly whiled away on the club house lawn, where the musical program was continued.

### State Sheriff's Association.

The sheriffs of Illinois at their meeting at Springfield this week organized a state association with the following officers:

President—J. M. McGowan, Lee. Vice Presidents—D. E. Turnbull, of Warren, and James Sloan, of Vermilion. Secretary—Thomas Manion, Jefferson.

Executive Committee—E. J. Magerstadt, Cook; O. J. Wood, Sangamon; Levi F. Cralle, Rock Island; William Boyer, Coles; J. B. Moore, Franklin.

Forty-five counties were represented. The association will hold its next meeting in Chicago.

### PROMOTION FOR GREER.

Milwaukee Local Agent Transferred to Council Bluffs.

L. H. Greer, local agent for the Chicago, Milwaukee & St. Paul railway, has been transferred to the agency of the same company at Council Bluffs, Iowa, and will enter upon the duties of the position next week.

Mr. Greer, who will receive a corresponding increase in salary and will have greater responsibility, and better opportunity for advancement.

Mr. Greer has represented the Milwaukee for four years in Rock Island, coming here from Perry, Iowa, and the road has never had a more tireless and faithful agent than he. He hustled from the day he arrived, and the result has been a handsome increase in the company's local business. He made friends rapidly and he held them. Mr. Greer is, above all, a first-class railroad man, a careful business man, and incidentally is possessed of a happy faculty of knowing how to handle human nature, all of which has contributed to the success that he is making in his chosen vocation, and which will yet, his friends predict, land him in a field where he will be allowed larger scope for his abilities. It is with regret, Mr. Greer says, that he is to leave Rock Island with his family, for he has come to know the people so well that it is hard to part with them. There is likewise a feeling of regret on the part of Mr. Greer's acquaintances, but since he must go, all will unite in wishing him continued success in his new field of labor. Mr. Greer is a prominent member of the Rock Island Club. It is rumored in railroad circles that W. W. Breckenridge, of Manning, Iowa, will be Mr. Greer's successor.

### CONTRACT HAS BEEN LET.

Warren R. Roberts to Complete Woodmen Building at Once.

The board of directors of the Modern Woodmen yesterday entered into contract with Warren R. Roberts, of Chicago, the builder of the order's new home, for the completion of the headquarters building. Owing to the rapid increase of business and the want of more room the officials were compelled to give out the contract for the completion of the third story. Work will be begun inside of two weeks.

Head Consul W. A. Northcott and Editor Van Galder are attending the Woodmen picnic at Hinckley, Ill.

Director J. N. Beeg left last night for Springfield.

The auditing committee will finish the business of its present session tonight, as will the law committee.

### FOURTH MATCH OF LADIES.

Mrs. Peirce Wins Yesterday's Golf Contest.

The heat yesterday afternoon had the effect of reducing somewhat the entry list of the fourth preliminary tournament for the women's handicap cup at the Arsenal Golf club. It failed, however, to reduce the enthusiasm or to interfere with the good play of those who did enter, and the result was one of the closest matches of the year. Mrs. Skinner, Mrs. Martin and Mrs. Peirce all made the round in the excellent gross score of 67, the latter winning with her handicap allowance. The summary of the score indicates the closeness of the contest, the first eight players finishing within five strokes of each other. The scores are as follows:

Mrs. Peirce.....	67	Gross, Handicap, Net Score.
Mrs. Kuhn.....	78	14 64
Mrs. Carson.....	80	28 64
Mrs. Cady.....	82	18 64
Mrs. Robinson.....	85	30 65
Mrs. Stephens.....	86	33 67
Mrs. Skinner.....	87	— 67
Mrs. Martin.....	87	— 67
Mrs. Farnard.....	88	14 70
Mrs. Kent.....	98	23 73
Mrs. Almsworth.....	100	20 80
Mrs. Lardner.....	108	24 86
Mrs. Ames.....	130	35 95
Mrs. Holloway.....	Score incomplete.

## LIFE IN THE WOODS.

Many People Leaving the City for the Summer Months.

CAMPED ALONG ROCK RIVER.

Comfortable Homes Prepared Beneath the Canvas, Where Cares Are Few and Fresh Air is Plentiful—Those Holding Forth on Vandrun's Island and in Other Localities.

Many Rock Islanders have hied themselves to the shady precincts that skirt the river Rock to escape the noise and the heat of the city during the summer season. There are so many beautiful spots suitable for camping purposes in the neighborhood of Rock Island, that it is difficult ordinarily for one to select between them when casting about for a location for a tenting outfit, but for several years a favorite place has been Vandrun's island, which nestles in the arms of Rock river, has an abundance of shade and attracts a liberal share of the refreshing zephyrs. Camped there at present are:

Sylvan—C. E. Fiebig and family. Arsenal Castoffs—Willie Gardner, Artie Sugden, John Davis, and Tom Riley, Rock Island, and Sid Willey, Ed Willey, Arthur Kirker and Dave Martin, Davenport.

Uneda Camp—Mr. and Mrs. Daniel Strecker, Charles Cohnan. Galva Camp—Mr. and Mrs. F. H. House, Miss Mand Olson, C. I. Seeley, Camp Comfort—Gus Englin and family.

Clevenstine, Harry Coken, Robert Kuschmann, Jr., William Lukens, W. L. Ludolph, Dr. C. W. Grafton, Robert R. Reynolds, J. B. Eckhart.
