## PRISON FOR TOM DAY

Negro Convicted in the Circuit Court is Sentenced by Judge Gest.

MAY CARRY THE CASE HIGHER

Attorneys Trying to Raise Funds for Defense—Other Matters.

Thomas Day, the negro found guilty of assault with a deadly weapon, was sentenced to the penitentiary today by Judge Gest. Day, it will be remembered, threw a brick at Clayton Gross after the latter had fired on him with a revolver.

Gross was indicted for assault with intent to do great bodily injury and escaped with a jail sentence.

Day's attorneys have asked Sheriff Cralle to delay taking the prisoner to Joliet for a few days to give them an opportunity to raise funds and carry the case further in the hope of lightening the penalty.

Other Court Items.  
Jennie Wright, of Moline, today filed a bill of divorce. She asks a separation from George Wright on the ground of desertion.

The damage suit of John Nelson vs. the Coal Valley Mining company, which was remanded back from the appellate court for a second trial, was taken up today.

Albertina Hanson was awarded \$1,300 damages in her suit in the circuit court against the city of Moline. The jury went out yesterday afternoon and reported this morning. The suit was brought to recover for the encroachment of the city, in widening Fifteenth street, upon property owned by Mrs. Hanson.

## LIKE A DIPLOMATIC PROBLEM

The Delicate Way the Union Handles the Proposed Saloon Amendment.

The Union is remarkably touchy about the proposed amendment to the saloon ordinance discussed at Monday evening's council meeting, so much so that it omitted reference as far as possible to the subject in its issue of yesterday, and this morning it declares that "The Argus" is altogether mistaken as to the scope of the proposed ordinance licensing saloons," etc., and then goes on to explain in delicate terms the council's contemplated course. It maintains that henceforth if the new arrangement goes through it will be necessary for a saloon in order to enter territory outside the business district in which one is not already located, to secure the consent of one-half the property frontage in the block in which the contemplated saloon is to be located. The facts, however, are as The Argus stated last night, that under the proposed amendment, it will require the consent of two-thirds of the freeholders, who must, however, own at least half the property in the block which the saloon desires to invade.

As far as the amendment is concerned The Argus can see no occasion for suppressing it or minding matters in its discussion. The same spirit that would let saloons alone where they conduct themselves properly should draw the line at where they should break into neighborhoods where they are not wanted. In other words it amounts practically to the same old question of local option that has been urged by conservative people in dealing with the liquor traffic. No saloon that expects fair treatment from conservative people should expect to be tolerated in neighborhoods where the majority of people are opposed to its existence there. What is the use of handling such a procedure as if it were a weighty diplomatic problem?

## MEETING OF PRESS CLUB.

Pleasant Gathering of Tri-City Newspaper Men at Davenport.

The Tri-City Press club held its November meeting last night at the Kimball house in Davenport. P. S. McGlynn was in the chair for the first time since his election to the presidency for the organization, having just returned much improved in health after a Colorado sojourn.

In assuming the chair Mr. McGlynn made a few felicitous remarks, in which he spoke of the honor conferred and expressed his appreciation of it. He said he would do his best to serve the club fairly and faithfully, and trusted the year now entering would prove as those that had preceded it, of mutual enjoyment and benefit to the members.

President McGlynn announced committee for the year as follows: Entertainment—Myron Jordan, J. E. Hartman, F. W. Rinck. Mutual Advantage—J. E. Calkins, Walter Johnson, W. F. Eastman. Reception—A. G. Anderson, S. W. Searle, W. P. Ammerman. Public Good—H. P. Simpson, C. W. Daly, W. A. Jones.

W. F. Coulter, of the Davenport press, and Gunar Swan, of the Moline Journal, were elected to membership. A feature that has been a most pleasant incident of the club meetings followed the closing up of routine business, the Davenport contingent having provided a dainty repast and a generous supply of Havanas, all of which was indulged with a relish. While no set program had been arranged, two hours were most pleasantly whiled away in social intercourse, preceding which there was an interesting talk by Robert Rexdale, editor of the Fraternal Tribune, mostly devoted to the experiences of himself and others in the newspaper world. Mr. Rexdale concluded with the recitation of two poems of his own composition, "From Out Bohemia" and "Ben Ali Ghan," which were given in a most charming manner. There was also a vocal number by J. M. Colligan. At midnight it was announced that General Manager J. F. Lardner, of the Tri-City Railway company, had a special car in waiting to convey the Rock Island and Moline members to their homes, and thus one of the most delightful meetings of the year came to an end.

## ORDER IS DISSOLVED

Federal Restraint on Clerks and Labor Congress Dismissed by Plaintiffs.

ARRBITRATION MAY NOW FOLLOW

Way Appears Open for Settlement of Bitterly Fought Contest.

The way now seems open for an amicable adjustment of the bitter and rather sensational struggle over Sunday closing between Silberstein brothers, of Davenport, and the Retail Clerks' union of the tri-cities.

Yesterday the Silbersteins entered a motion to dismiss the temporary federal injunction granted about a week ago restraining the clerks and the Tri-City Labor congress from taking any action detrimental to the firm's interests. The restraining order was accordingly dissolved.

Ready to Arbitrate.  
Silberstein brothers say that this action has been taken to remove every difficulty standing in the way of arbitration and profess themselves ready to submit their case to that manner of settlement.

E. C. Berry, business agent of the Tri-City Labor congress, when seen today by an Argus reporter, said he was not yet prepared to make a statement in behalf of the congress.

## TYPHOID FEVER IN THE CITY.

Less Than Half Number of Cases There Were Last Winter.

Health Commissioner G. G. Craig states that while typhoid fever is increasing in prevalence in the city, as is customary at this season, it is by no means epidemic as yet, the number of cases being less than half that of last winter when the disease prevailed so generally.

The changeable weather of the past few days has caused a great deal of sore throat and bronchial trouble, but there are very few cases of a serious nature, and the general health of the city is considered good.

## WILLIAM HORST BEATEN IN A SALOON QUARREL.

William Horst, a cigar maker, entered Martin's saloon on Third avenue this morning after having had a night out and proceeded to make himself unpleasant. When he had got as far as smashing some of the glassware some of the inmates of the place set out to put him to sleep. Horst, after they had finished, sprinkled the pavement with gore on his way to the police station.

Dr. C. T. Foster was summoned and found the main injury to be a scalp wound about 4 inches long, inflicted with some rough instrument. After being sewed up Horst was removed to St. Anthony's hospital in the ambulance.

Chamberlain, of Pueblo, Col., and Isaac H. Sanderson, of Toronto, Ont."

The price of tickets has been fixed at 50 cents, and supper will be served at 1602 Fourth avenue. Cash prizes of \$5 each will be put up for the most graceful lady and gentleman waiters.

How to Treat a Troublesome Corn.  
To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists.

It Commends It to Trainers.  
G. H. Hausan, Lima, O., engineer L. E. & W. R. R., writes: "I have been troubled a great deal with backache. I was induced to try Foley's Kidney Cure, and one bottle entirely relieved me. I gladly recommend it to any one, especially my friends, the trainmen, who are usually afflicted." For sale by all druggists.

After exposure, or when you feel a cold coming on, take a dose of Foley's Honey and Tar. It never fails to cure, and will prevent pneumonia or consumption. Don't accept substitutes. Nothing so good. For sale by all druggists.
