

Constipation Makes Bad Blood.

MULL'S GRAPE TONIC CURES CONSTIPATION

Constipation is the rotting and decaying of undigested food in the alimentary canal. Disease germs arise from this festering mass, which find their way into the blood. The blood becomes impure and shortly the entire system gives way to the unhealthy condition.

You cannot cure a case like this by taking pills or other common cathartics. A laxative will not do. A blood medicine is ineffective. Mull's Grape Tonic is a gentle and mild laxative in addition to being a blood-making and strengthening tonic which immediately builds up the wasted body and makes rich, red blood that carries its health-giving strength to every tissue at every heart beat.

Mull's Grape Tonic is made of pure crushed grape juices and is sold under a positive guarantee.

Doctors prescribe it. All druggists sell it at 50 cents a bottle. Send 10c to Lighthouse Medicine Co., Rock Island, Ill., to cover postage on large sample bottle.

Signs of Depleted Energy

If you are disposed to find fault, to grumble about everything about you; if little things irritate you; if trifles upset you; if you go to pieces, so to speak, when anything goes wrong in your business, you may be certain that your system is not up to the standard, that your strength is being exhausted in some way, and that your vitality is at a low ebb.

The human organism is a vast and complex machine. No machine that is defective can turn out good work, and the longer the attempt to do so continues the greater will be the damage.

If you are not satisfied with your condition call and talk it over with us. Why not? Any why not today? We have made special searching investigations on the conditions that govern this complex machine—the human body.

Our office is equipped with the most approved apparatus for treatment of the afflicted. We are continually adding to it, regardless of expense.

Treatment of all cases is in the hands of thoroughly competent physicians, who are graduates of American and foreign institutions of the highest standing.

DAVENPORT DOTS

It has been stated by one of the members of the Christ Mueller company that the plant down in Fisherton contemplated resuming operations about the first week in March. Plenty of logs are moored in the ice harbor in the cove east of the mill and it only requires a little sawing of ice to get them ready for the saws. The company also has several rafts in Cattail and Beef sloughs up the river which can be brought down here just as soon as the rapids are clear of ice.

Mayor Becker, Alds. Hanley, Lindholm and Cameron, and City Attorney Thunen have returned from their second trip for the purpose of inspection of waterworks plants, and think they have now thoroughly mastered the subject and will soon be ready to make a report to the council.

W. H. Jackson, manager of the Why clothing house since the death of the lamented Joseph Froelich, has resigned that position and will soon leave the city. His successor, P. O. Bruden, has arrived and entered upon his duties yesterday.

Yesterday morning Judge Bollinger instructed the jury in the \$10,000 damage suit brought by Paul Meyer against the Mueller Lumber company, to bring in a verdict for the defendants. Meyer was engaged in work upon a runway 125 feet in length, and had been employed there only a few days when the accident occurred. He was engaged in straightening out some slabs which had gone away when he got his left hand into the unprotected cog wheels, sustaining such a crushing that amputation at the wrist was necessary.

Last night the remains of Miss Helen Grace Campbell arrived here from Chicago. The deceased was aged 25 years, and was the daughter of Mr. and Mrs. Alva E. Campbell, of Chicago, and a granddaughter of Mr. and Mrs. J. P. Campbell, of this city. She was born in this city, but for the most of the past 20 years has lived in Chicago. She graduated at Chicago university last year, and was a bright and charming young lady. About the first of the year she was stricken with heart disease and had been an invalid since. Death relieved her of her sufferings Monday evening. The fu-

neral is to be held privately tomorrow morning from the home of Mr. and Mrs. J. F. Campbell, Fourteenth street and Arlington avenue, with interment at Oakdale cemetery.

MOLINE MENTION

Mrs. H. A. Ainsworth and Mrs. Frank Walker spoke before the carpenters' union Tuesday night upon the advantages of the kindergarten as a part of the public school system, and their remarks were given confirmation by some of their hearers who followed them with short remarks on the subject. It is the intention to visit other unions and speak of the subject in the sessions of these bodies.

The three-year-old daughter of Mr. and Mrs. Axel Ekstrom, 753 Thirtieth avenue, fell off a lounge she was lying on Tuesday afternoon and broke her left arm. Dr. Gardner was called to replace the fracture.

Swan Olson, of 1317 Fourteenth street, left yesterday evening for Denver, Colo., to make a visit with his son Charles.

Miss Mills, of Rochester, Minn., left yesterday for home. She has been visiting her aunt, Mrs. W. H. Cooper.

Fred Wells is at home from the state university at Champaign for a short visit.

Yesterday evening the officers of Emanuel Lutheran church at Walker Station, held a meeting and decided that a minister should be called. They chose Rev. C. J. Carl, who will take charge after he is ordained, which will be some time in June.

About twenty-five ladies braved the weather to attend the mothers' meeting Tuesday afternoon at the home of Mrs. P. C. Simmon. Mrs. Simmon herself was indisposed, and the ladies were received by her two daughters, Gertrude and Anna May, with commendable grace and ease. A paper prepared by Mrs. H. D. Thompson, on the "Proper Education of Youth," was presented, and was later discussed by the ladies.

Two men entered the storehouse building of C. V. Swanson, the Fifth avenue feed and produce dealer, Tuesday evening shortly after 6 o'clock, loaded two bales of hay on a wagon which they had waiting in the alley, and drove away. C. V. Swanson was sitting in the office at the time, when a clerk entered and asked him if he had just sold some hay. On being answered in the negative, he informed Mr. Swanson that parties were loading hay on a wagon in the alley in the rear. Going out with his driver, Swanson was in time to see the men drive away. The driver followed them to a barn between Seventeenth and Eighteenth and First and Second avenues. A warrant was sworn out and Officers Rose and Colmark arrested the suspected men in Al Johnson's saloon. The officers first visited the barn, but found nothing but broken bales of hay and loose wire. The men were, however, arrested on a charge of burglary, and were locked up for the night.

Chicago Dental Company. At 10 o'clock yesterday morning, at the office of Justice Finger, occurred the marriage of Fred Reck, Jr., of Walcott P. O., and Miss Lizzie Pagel. The couple will make their home after March 1 upon a farm in Hickory Grove township.

Last evening at 9 o'clock occurred the death of Mrs. Susie Light, of Pleasant Valley, after a lingering illness. The deceased came to this city but a short time ago partly for the purpose of visiting with relatives here and partly that she might receive medical treatment. She was 34 years of age and was born in Pleasant Valley, where her parents still reside. She is survived by a husband, August Light, and three children, Lawrence, Clarence and Katie. Besides these, her parents, Mr. and Mrs. Windrow, and four brothers, William, Adam, Charlie and Ernest, and three sisters, Mrs. William Schutter, Mrs. Thomas Watkins, Jr., and Miss Louise Windrow, survive her. The funeral services will be held Friday afternoon at 2 o'clock from the family home in Pleasant Valley, with interment in the Pleasant Valley cemetery.

Tendency of the Times. The tendency of medical science is toward preventive measures. The best thought of the world is being given to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical science have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by all druggists.

A Weak Stomach causes a weak body and invites disease. Kodol Dyspepsia Cure cures and strengthens the stomach and wards off and overcomes disease. J. B. Taylor, a prominent merchant of Chriesman, Texas, says: "I could not eat because of a weak stomach. I lost all strength and run down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health."

TALES OF THEATRE

"The Bandit King," a sensational wild west drama, was enacted at the Illinois next Monday night. There was a well-balanced company, plenty of good scenery, and several horses were introduced to add realism to one of the many thrilling scenes.

Gideon's minstrels will be the attraction at the Illinois this evening. This is one of the biggest minstrel shows on the road, and carries 35 people, two cars, a big band, drum corps, many novel features in the olio, and a carload of scenery and effects for the first part. The principal features of this aggregation are numerous, novel and startling and include many innovations in the field of minstrelsy, while the singing portion of the show is the strongest ever organized. Skinner Harris, Dan Des Dunes, Mat Turner and Frank Kirk are the principal funmakers and will produce the most tattered kind of rag-time comedy.

John W. Spears' comedians presenting that ever popular success, "The Irish Pawnbrokers," will be the attraction at the Illinois Sunday. This organization is one of the most popular of its kind in existence today, and the comedy now in its third successful season bids fair to run on like the proverbial brook, forever. The reason for this is the liberal policy of the management who, with lavish outlay and up-to-date methods succeed each season in giving their
